JUNIOR CLASS

The Junior Class did much this year to attain the status of the potential leaders of D.H.S. The sale of magazine subscriptions, candy, and light bulbs resulted in two tremendous social successes. The Junior party, held early in December, had as its theme "Club 62." A delicious smorgasbord meal highlighted the evening’s activities. The members of the class were considerably pleased with their class rings, acquired last fall.

The prom, late in May, concluded the social calendar for the Juniors who look anxiously forward to next year’s activities as Seniors. Mr. Farley is the advisor.

Juniors who were absent when regular pictures were taken include: Ana Tilda Cruz, Gloria Cain, Donna Carr and John Mleczko.

At work in Physics lab are: Frank Boryczka, Ron Taylor, Judy Andrews, Dan Cotten, and Tom Douglas.

“We must learn to honor excellence . . . The society that scorns excellence in plumbing because plumbing is a humble activity and tolerates shoddiness in philosophy because philosophy is an exalted activity will have neither good plumbing nor good philosophy. Neither its pipes nor its theories will hold water.” — John W. Gardner, President Carnegie Foundation.

One of the more spectacular innovations of the student governing body is the annual faculty basketball game with Fredonia. This is not only an exciting event but helps to finance the Student Council scholarship program.

At Left: Mentor Hayes gives final instructions to players Mancuso, Stuhlmiller, Rozumalski and Geiben. The score?—It isn't who wins or loses, but how you play the game.

The main project of the History League this year was bringing Antje Tolk from the Netherlands as a foreign exchange student under the American Field Service Program. Antje's U.S. "sister" is a junior, Sally Ludlum. Here Antje is shown as guest of honor at a welcome party in the gym. Chatting with Antje are Marilyn Szumigala, Margaret Thomas and Sue Schultz.
HONOR SOCIETY

This organization is probably the most admired one in Dunkirk High School. It is composed of our more intelligent students, who have maintained a 90% average for two consecutive years.

The organization met once a month to discuss problems and plans which arose. This year they held their yearly dance, movie, and several candy sales for fund raising projects.

STAGE CREW

The Stage Crew is one of the more ambitious clubs at Dunkirk High School. Under the able-bodied leadership and supervision of Mr. Frank LaPaglia and Mr. Robert Bernard, the industrious members of the Stage Crew helped make our Senior Play the success that it was.

With its capable members behind the scenes of most of our school activities, our assemblies, class nights, and concerts are sure successes.
F.B.L.A.

This organization under its advisors: Miss Naomi Leckvarcik, Miss Natalie LaGrasso, and Mr. Anthony Conti, has participated in many of the functions in school and many of the activities in Dunkirk this year.

As the title, F.B.L.A., implies, their aim is to become the most competent future business leaders of America.
INITIATION OF FUTURE HOMEMAKERS OF AMERICA — Row One: Vice-President Sandra Abell; President Sandra Sievert; Treasurer Geraldine Piwowarski; District Secretary Mary Ann Pompender. IVY TOWER STAFF

The purpose of the Latin Club is to provide the Latin students with a better understanding and knowledge of the customs and lives of the ancient Roman people.

The Senate and the Roman people (S.P.Q.R.) gathered together at the monthly meetings. The Senate was composed of the officers who played the roles of the Roman lawmakers. After the initiation ceremonies, every member of the club became a full fledged Roman citizen.

Among other activities, the Latin Club sold banners and also picked grapes at the Bixby vineyard to raise money to cover the expense of the club.

George Damico is wondering if Joan Wollert’s thumb is part of the sacrifice at Latin Club initiation ceremony.

Gerald Moore portrays the seriousness of the occasion.
This is the measure of enthusiasm...
That shifts from spectating to getting into the swim,
That recreates for fun and health and competition,
That wins pennants and runs relays,
That mans a draggin' wagon.
The Dunkirk Maroon Marauders opened the season by dropping their first encounter to Strong Vincent by a 33-13 margin. In the first league game, however, Dunkirk showed some promise with a 13-13 score against the Southwestern Trojans. The Gowanda Panthers then became the first and last victims of the Marauders by suffering a 25-6 deficit to our team.

The worst was yet unseen. The Marauders were downed in their next five games, first by our local rival, the Mindszenty Monarchs, 25-0; then by the Salamanca Warriors, 35-7; the Golden Falcons of Falconer, 26-0; Warren 24-7, and finally by our arch-rival, the Fredonia Hilltoppers, 26-0, in a real heartbreaker. Thus Dunkirk's 1960 league record stands at 1-3-1.

The Marauders did not come out on top in the win column, but perhaps in other ways, they did. Only time will tell.

The Cheerleaders bought new uniforms this year. Varsity's consist of a white pleated skirt and white short top worn with a maroon blouse. J.V.'s are just the opposite in color. They were made by Mrs. William Fuller and the J.V. and Varsity squads would like to thank her for a great deal of time and work spent on these uniforms.

Suzanne Phelps, Sandra Reed, Norma Letersky, Carole Whitehead, Carol LaMarca and in center, Captain Janet Mulkir.

As ball floats through air, Marauders Ray Addington and Larry Tibbetts (11) set up offensive play. Frank Boryszka (in back of Tibbetts) rushes in to assist.

POPULAR CHEER
Rain, snow, hail, sleet,
We're a team that's hard to beat!
Will we win? You bet your boots.
Watch that ball when Dunkirk shoots!

Coming in fast for tackle during Marauder-Monarch game, Ray Brinkerhoff (34) displays keen defensive tactics which made him choice for both local and nationwide all star teams.
BASKETBALL—Seated: Mr. Pagano, Athletic Director; Bill Walters, Ray Brinkerhoff, Frank Scaglione, Larry Tibbetts, Coach McPhee. Standing: Bob Barnes, Manager; Paul Szwejbka, Bob Clark, Ray Addington, Tom Douglas, Frank Baryczka, Bob Patterson, Matt Kucharski.

We've got a team and we know how to shout it,
We shout it to the ceiling, we shout it to the floor,
Come on Dunkirk, raise that score!
The Girls' "D" Club has, as its purpose, the promotion of sportsmanship and school spirit among its members. Under the skilful supervision of its advisors, Mrs. Hegmann and Miss Salvatore, many playdays were scheduled throughout the year.

The "D" Club meets on the first Monday of every month and initiation was held at the first meeting. The prospective members entered through a large "D" and were escorted to their seats. Speeches were given by the officers of the club and then the members enjoyed an informative account of Douglas Kreider's trip to Europe.

An important event this year was the play-day which took place in March. Girls from six area schools gathered in the gym for an evening of fun and refreshments. To climax a year of sports events, the senior members of the club were treated at a banquet.

The purpose of the Boys' "D" Club is to promote higher ideals of fair play and sportsmanship. The "D" symbolizes well-earned acknowledgement for participation in one or more of the four major sports—football, basketball, baseball, and track.

If a candidate is accepted into the club by its members, he must go through one of the three initiations held during the year.

The "D" Club under the leadership of Mr. Pagano, takes part in many extra activities such as the club dinners, bowling, professional hockey games, college basketball, picnics, etc. They support their activities by maintaining refreshment stands at football and basketball encounters. Officers are President Joe Valentine; Vice-President Bill Walters; Secretary Frank Boryczka; and Treasurer Paul Swebjka.
