# Trees

I think that I shall never see  
A poem lovely as a tree.

A tree whose hungry mouth is prest  
Against the earth's sweet flowing breast;

A tree that looks at God all day,  
And lifts her leafy arms to pray;

A tree that may in summer wear  
A nest of robins in her hair;

Upon whose bosom snow has lain;  
Who intimately lives with rain.

Poems are made by fools like me,  
But only God can make a tree.

—Joyce Kilmer

# Foreword

The members of every graduation class look forward to the time when they can publish their own yearbook. We, the Class of 1950, have, too, and now take great pleasure in presenting to you pictorially and journalistically, a kaleidoscopic view of our beloved Alma Mater, Dunkirk High School.

We Seniors have been very fortunate to grow up in an exceptionally beautiful city, one noted far and wide for its magnificent trees. Aware of the attributes of stately trees and the constant source of inspiration they have been to us, we have looked to these silent teachers for the theme of our volume of the Ivy Tower.

May you feel in glancing through these pages a part of the joy we felt during our high school days; and in years to come, may this particular Ivy Tower serve as an inspiration to you and as a reminder of the happy days spent in Dunkirk High School.

The Editors

# *Dedication*

## *In Memoriam*

MRS. ISABEL C. MARSHALL

Mrs. Isabel C. Marshall, one of the most popular and highly esteemed teachers in Dunkirk High School, died at Brooks Memorial Hospital, on July 5, 1949, following a brief illness.

Mrs. Marshall was born in Canisteo, New York, but spent most of her life in and around Dunkirk. She attended the Dunkirk Public Schools and was a graduate of Dunkirk High School and Fredonia Normal School. Later she received a Bachelor of Arts Degree from the University of Buffalo and did graduate work at various institutions.

To the memory of Mrs. Marshall, the faculty and students of Dunkirk High School wish to pay their highest tribute of admiration, appreciation, and respect. Her life was an inspiration; her memory will be a benediction.

## *Alma Mater*

Beloved Alma Mater, our thoughts around thee cling,  
Beloved Alma Mater, thy praises high we sing.  
Though seasons roll away, we'll sing our loyal lay,  
For in thy torch's glare, shine Wisdom. Power there.

Refrain—

We love thine ivied towers,  
Thy quiet and peaceful bowers!  
Halls of learning, loud our cry,  
Alma Mater, Dunkirk High!

Oh cherished Alma Mater, our steadfast shining light,  
Oh cherished Alma Mater, thou shinest through the night.  
In fair Minerva's Hall, we're held in loving thrall,  
Oh fostering Mother dear, abide thou ever near.

Oh Dunkirk's sons and daughters, as on through life we go,  
To our loved Alma Mater, remember what we owe.  
Our debt we'll pay to thee, by life-long loyalty,  
And choosing right from wrong, raise high our joyous song.

The Class of 1951 upon their return to school last fall, took up their role as Juniors. It was a big job, but they proved themselves capable. Their first important task was the election of the following officers: president, Raymond Gawronski; vice-president, Richard Jusko; secretary, Patricia Reed; and treasurer, Joan Bennett.

Miss Pearl Reed, Miss Edith Osborne, and Mr. Paul Reber, their advisers, were always on hand to aid them with their problems and festivities.

The first major event of the year was their class party, "Under the Big Top", held in the boys' gymnasium, November 5. A circus theme was cleverly worked out with caged animals, circus performers, and calliopes much in evidence. Music for dancing was furnished by Chic DeCarlo's Orchestra.

An excellent program was presented during intermission. Raymond Gawronski played two accordion solos; Robert Polasik rendered two piano selections; Patricia Reed entertained with a dance number accompanied by Richard Jesionowski. "Chinese Honeymoon" was sung by a girls' barbershop

quartette and the Junior Orchestra concluded the program by playing "Harbor Lights". Gene Jackson was Master of Ceremonies. The party which came up to all expectations was topped off with delicious refreshments.

On March 31, came another momentous occasion, the Junior assembly. "No Greater Love", a one act play by William D. Fisher, was given for the enjoyment of the entire student body by the following cast: Annette Bielat, Jacqueline Lancaster, Patricia Reed, Robert Polasik, and Ronald Rucinski. Miss Dorothy Koons was the director.

Their next important social event was their Junior Prom, held May 26, in the boys' gymnasium. Excellent music, attractive decorations, and good fellowship made this an occasion that will long be remembered.

In sports and music, they did outstanding work, in scholarship they achieved success, and they played a major part in all school activities.

When school closed in June, these students were eagerly looking forward to next fall when they would be Seniors.

With a full year of study and enjoyment added to their experience, the Class of 1952 returned to begin their second year at Dunkirk High. As a group, they showed a new spirit of self-confidence, cooperativeness, and willingness to work hard.

Their officers, chosen for their initiative as well as their popularity, were president, Helen Albertine; vice-president, Michael Smith; secretary, Carol Paix; and treasurer, Priscilla Rhinehart.

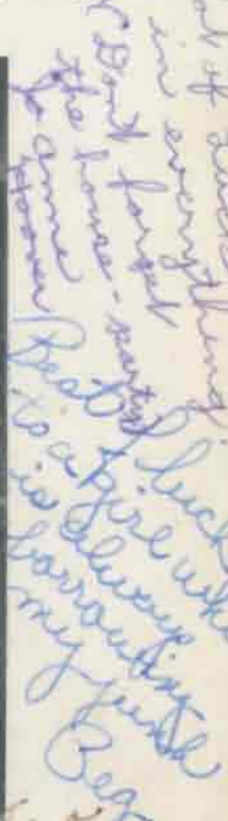

On the evening of October 21, their class party, "The Shmoo Hop", was held from eight to eleven in the boys' gymnasium. The theme for this occasion was taken from Al Capp's "Li'l Abner".

The decorations, depicting the community of Dogpatch, consisted of Shmoos; Hairless Joe; Li'l Abner; and butter, eggs, and cheese. In a typical Dogpatch cabin Cliff Corbin's Orchestra played for the dancing of various Daisy Maes and Li'l Abners.

Last September, almost two hundred young people eagerly entered the portals of Dunbar High School to begin their high school career. Their election of officers took place early in the fall. Vincent Gugino was chosen president; John Rizzo, vice-president; Janet Greve, secretary; and Darlene Rucinski, treasurer.

Their important social event of the year was their class party, "The Starlight Shuffle," held on October 27, in the boys' gymnasium. Under a canopy of sparkling stars and fleecy clouds, the group danced from eight until eleven, to the tune of the Woodliffe Orchestra.

During the intermission a most entertaining program was presented with Vincent Gugino acting as Master of Ceremonies. Irma Schnabel, Janet Greve, Joan Torasso, Shirley Means, Lynn Read, Charmaine Brown, and William Curll entertained with group singing; William Pokrzywka played a violin solo;

Glen Fischer, a guitar solo; Marcia Feldman and Jane Tinley, a clarinet duet; Vincent Gugino, a trumpet number; Julia Dispenza, a piano selection.

A humorous skit, entitled "A Mule Named Joe and the Circus Show", was enacted by Jack Mahaffey, William Towne, Robert Locker, Jack Gilray, David May, John Rizzo, Lawrence Spoto, Walter Thies, and Robert Mekus. Julia Dispenza was the accompanist for the musical numbers.

The serving of refreshments also played its part in making the party a most enjoyable one.

All during the year this class supported the many school functions, took out memberships in the various clubs, and worked faithfully to maintain satisfactory scholarship.

Much of the credit for their getting a right start in high school and having a successful year, must be given to their faithful advisers, Miss Katherine McKeon, Miss Jessie Florence, and Mr. Robert Erickson.

# English Four Clubs

Early in the year all Senior English classes were organized into clubs. The purpose of these groups was to present supplementary material, to give practice in parliamentary procedure, to provide members with the opportunity of appearing before an audience, and to train young people in the various speech activities they will encounter in real life situations. Many interesting and varied programs, planned by the students themselves, were given at the regular meetings. The subject matter of these programs was drawn from many fields, literary, political, historical, and scientific. For the sake of variety, this material was presented by declamation, panel discussion, forum, debate, and symposium.

The programs which proved the most interesting were the forums on "Capital Punishment" and "Student Government"; the symposiums on "Safety" and on "News Columnists"; the programs commemorating special days; and the student radio broadcasts.

The highlight of the year was the English Party, held in the school library, the afternoon of May 19.

Miss Hildegard Foss and Miss Catherine Morrissey served as advisers.

# History Clubs

This year the History League celebrated the twenty-fifth anniversary of its organization. During this quarter of a century, it exerted a powerful influence in Dunkirk High School by promoting academic achievement, citizenship training and character development. The success which has always crowned the efforts of the League is largely due to its enthusiastic and competent organizer and sponsor, Miss Mary Weber. For many years, Miss Ann M. Weber, now Principal of School Four, also served faithfully as an adviser.

The objectives of the League have ever been to acquaint its members with the rules of parliamentary procedure, to conduct forum and round table discussions on contemporary problems, and to give students practice in speaking before a group.

The highlights of the past year's activities included a talk given by Miss Weber on her travel experiences to California and the Canadian Pacific, the Senior assembly, a patriotic program given February 22, and the League Silver Anniversary celebration, a formal banquet held at Shorewood Country Club, May 8.

The Spanish Club "Los Electricos" or "Livewires" had a most profitable and enjoyable year. Under the efficient guidance of la Senorita Koons, these officers were elected: el presidente, el señor Ros Cellino; el vice-presidente, la senorita Carol Petz; el secretario, la senorita Laura Belle Kemp; el tesorero, la senorita Annette Bielat; la historiadora, la senorita Alana Nowak; and reporter, el señor Roberto Polanski.

"Poco a poco se va lejos" or "Little by little one goes far" is the motto of the club.

This year the club established a point system; as a result all appointments and honors had to be earned.

In January, twenty-five underclassmen with high averages, were admitted into the organization, bringing the membership up to forty-three.

Monthly meetings were held at which time a program was presented centering around a theme for that particular season. On December 12, a Christmas party and entertainment took place. "The Story of Christmas in Spain and Spanish America", was the subject of the program. In April, a group of plays were presented by the club in the high school auditorium. They were given at an evening performance for parents and friends and were repeated the next day for the entire student body. A banquet in June culminated the year's work. At the end of the year certificates were awarded for faithful and outstanding work in club activities.

This group presented the school with a beautiful flag for the auditorium. Movies were taken of Mr. Hayes' accepting the gift.

The purposes of this organization were to provide social activities for the members; to foster better understanding with our Spanish and Pan-American friends; to learn of their way of life, their customs, and their culture.

The Theta Psi Omicron Chapter of the National Honor Society has for its objectives character, scholarship, leadership, and service. In order to be eligible for membership, students must have achieved a ninety percent average for an entire school year. Once inducted into this organization, members must maintain an average of at least eighty-eight per cent. During the past year the members strove diligently in all their activities to live up to the high standards and ideals of their society.

In September, the following were chosen for officers: president, Wallace Pilarski; vice-president, Evelyn Kokocinski; secretary, Virginia Polcyn; treasurer, Marcella Borowski; chaplain, Sheila Mae Wheeler. After Wallace Pilarski's resignation in January, Richard Barnes was elected president for the remainder of the year.

Semi monthly business meetings were held in the library conference room. These were usually followed by an interesting program.

In October, after the Dunkirk-Lockport football game, the society sponsored a successful dance. On March 17, a movie, "I'll Be Yours", was presented in the new auditorium for the enjoyment of the entire student body. In May, the club participated in the annual mass meeting of the Chautauqua County Honor Societies.

Throughout the school year, this group repeatedly rendered helpful service to their school and community. Members ushered at various activities held in the school auditorium. They helped in the Red Cross Drive and the Heart Fund Campaign.

Considerable credit for the success of the organization during the past year must be attributed to the untiring efforts of Miss Pearl Reed and Mr. John Kreider.

The members of "Senatus Populus que Romanus", present and former Latin students, had a busy year under the competent guidance of Miss Doris E. Dimpl. Club officers were Consul Jacqueline Lancaster, Pro-Consul William Custer, Censor James Butterfield, Quaestor Raymond Wolfe, Aedile Keith Orts, Scriba David Bridge, and Pontifex Maximus Dolores Wollert. The purpose of the S. P. Q. R. was to supplement the work of the regular class period, to increase the students' knowledge of the customs and the people of ancient Rome, and to promote friendship among the members.

In November a formal initiation was held and the new members soon after, willingly helped to make the club candy sale a success. A Christmas party was enjoyed in December.

On January 13, the organization sponsored an assembly program during which a trophy, won for Dunkirk High School by Susan Weinberg, Henry Wainarowski, and Robert Wolfe, was presented to Mr. Hayes. The remainder of this program, consisting of two playlets, and several musical numbers, helped foster a deeper appreciation of Latin.

Shortly after Easter a successful dance was held in the boys' gymnasium. In May the club held Open House for all eighth graders who plan to take the College Entrance Course. In June, the highlight of the S. P. Q. R. was reached when the yearly banquet took place. Awards were presented during the evening to several members for outstanding work in Latin.

These affairs, with the regular scheduled monthly meetings, rounded out a most successful year.

The purpose of the Tri Hi-Y is "To create, maintain, and extend throughout the school and community high standards of Christian character".

Officers for the past year were Ollie Mae Kemp, president; Donna Crosgrove, vice-president; Dolores Kokocinski, secretary; Jacqueline Szynski, treasurer; Andolfa Intravartolo, chaplain; Mary Ellen Fitzer, sergeant-at-arms. Mrs. Erna Stecker and Mrs. Paul Reber capably guided the group.

Evening meetings were held in the school library on the first Tuesday of each month. On the third Tuesday, a luncheon meeting was held in the school cafeteria. At all these gatherings an interesting program was presented. New members were inducted twice during the year, in the fall and in the spring.

The club as usual participated in many noteworthy projects. They sold basketball pencils and many other kinds of school supplies in order to raise money. At Christmas time, they prepared a basket of food for a needy family in the city. To help the people living in the devastated areas of Europe, they very enthusiastically collected hundreds of Swan soap wrappers for Care. They also sent a number of books to the children at the Cassadaga Hospital.

On January 27, their annual dance, "The Backwood's Hop", was held in the boys' gymnasium. About 250 young people, clad in dungarees and plaid shirts or blouses, danced joyously to the strains of Dave Menzies' Orchestra.

The club, as in former years, took an active part in the area Tri Hi-Y and Hi-Y meetings, and last fall they sent Carol Muscato to the State Hi-Y Assembly in Albany.

At their annual banquet, held in May, the officers for the following year were introduced.

The purpose of the Hi-Y is "To create, maintain, and extend throughout the school and community high standards of Christian character". In all its activities the club has been guided by this purpose.

James Woelfle served as president during this past year, while other officers included Henry Walldorff, vice-president; Jack Lindquist, treasurer; James Pomroy, secretary; William Custer, chaplain. Mr. Paul Reber, Mr. John Kreider, and Mr. M. Dennison Olmsted ably served as advisers. William Custer replaced Gene Jackson as area treasurer after the latter's resignation.

Twice a month regular evening meetings were held to study a timely subject. Topics were developed by guest speakers, by panel discussions, debates, and symposiums.

As usual, delegates were sent to the county, area, and state assemblies. William Custer and Glenn Gardinier represented the group at the Albany State Assembly. A bill for periodic driver re-tests was proposed and passed at the Fredonia Assembly, and was later passed at the Albany Assembly.

This year the club completed an expensive technicolor film called "A Year in Dunkirk High", depicting all the activities of the school. The members also distributed Christmas baskets to needy families of the area and conducted a successful campaign for soap wrappers to aid the needy in Europe. For the fourth year they sponsored a refreshment booth at the football games.

On May 12, the annual "Sweetheart of the Hi-Y Dance" was held in the boys' gymnasium. This proved to be one of the highlights on the social calendar of the school.

The year's activities were brought to a fitting close with the annual banquet, at which time the installation of new officers took place.

The Citizen Staff, again this year, served the students of D. H. S. by bringing them the current high school news. The paper was published in ten issues from September to June.

Five staff members, John Bernard, Marilyn Rooney, Joan Tofil, Margaret Brown, and Robert Waterman, accompanied by the faculty adviser, Mr. John Benn, attended the Empire State School Press Convention which was held in Syracuse, New York, on October 7 and 8.

On November 28, the Citizen Dance, "Autumn Time", was held in the Boys' gymnasium. Dancing was from 8:30 to 11:30 to the strains of Cliff Corbin and his orchestra.

The Dunkirk High School Band was organized last September with a total membership of fifty-nine, forty-seven of whom were from the Senior High School and twelve from the Junior High School. Officers elected for the year were Robert Block, president; Catherine Vandura, vice-president; Virginia Hannum, secretary and treasurer. Jack Lindquist was manager of the uniforms. Under the competent direction of Miss Marie Metzger, the band enjoyed a most successful year.

Full rehearsals were held Tuesday and Thursday mornings and Friday noon; sectional rehearsals, on Monday and Wednesday.

In November, the group journeyed to Jamestown, to attend the concert given by the United States Marine Band. This experience was both profitable and enjoyable.

During the entire year, the organization rendered excellent service to its school and community. It played for all home football games, presenting a series of unusual and spectacular formations. It furnished music for the Forestville March of Dimes program, the Senior Day assembly, the Senior play, and many other assemblies. It led the Memorial Day Parade. The beautiful numbers it rendered at the Christmas assembly did much to make that program the inspiration that it was. Many soloists and ensembles generously supplied musical numbers for several other school functions.

The annual concert presented on April 27, in the auditorium proved most outstanding.

For the first time in several years, the band competed at the Spring Music Festival at Fredonia. Many soloists and ensembles also played for ratings at this time.

Dunkirk High School is proud to have one of the largest and most active bands in this county.

The Dunkirk High School Mixed Chorus, one of the largest in the history of the school, was organized in September with a membership of about one hundred voices. Any student with the ability to sing was eligible. The complete chorus was divided into four smaller groups. Chorus A was composed of the people with better voices, and the remainder of the group was known as Chorus B. Then there were the Girls' Glee Club and the Boys' Glee Club.

Regular rehearsals were held during the last period in the afternoon. The complete chorus practiced on Wednesday and Friday afternoons; Chorus A, on Tuesday afternoon; and the Boys' Glee Club on Thursday afternoon.

This organization generously furnished music for many school activities during the year. Its splendid rendition of "Song of Christmas" by Roy Ringwald contributed much to the beauty of the Christmas program. During the Easter assembly, a chorus of sixteen picked voices played a most important part. Small groups sang on other occasions; such as, Senior Day, History League banquet, and the English party.

At the annual Spring Concert, the full chorus supplied several beautiful numbers and the Boys' Glee Club also rendered special selections.

The entire group, as in former years, attended the Spring Music Festival in Fredonia. Several solos were given by various members for criticism and ratings.

The chorus under the competent direction of Mr. Charles Repert enjoyed a most successful year and contributed much to the culture of its school and community.

The purpose of the Girls' "D" Club was to create good sportsmanship and friendship among the girls. Membership in this organization was an award for active participation in basketball, volleyball, deck tennis, soccer, archery, and soft ball.

The initial event of the year was the election of officers in September. Harlene Ball was chosen president; Colette Gawlawicz, vice-president; Lorraine Damian, secretary; and Joan Tofil, treasurer. Through the diligence of these officers and the competent advisers, Miss Aileen Murray and Mrs. Charles Hegmann, the club enjoyed one of its most successful seasons.

The activities of the club were numerous. With the co-operation of the Boys' "D" Club, three dances were sponsored after the school games. In October, a formal initiation was held in the library for new members. In December, a tea was given for the teachers to acquaint them with the program of girls' sports. Both students and teachers had a marvelous time visiting and playing together.

In February, the group sponsored a basketball playday called the "Wigwam Warm-up". Girls from Fredonia, St. Mary's, Silver Creek, and Westfield were invited. At the luncheon served in the high school cafeteria immediately following the games, awards were given to the members of the winning team, the "Arrows".

The crowning event of the year was the annual spring dance which took place in May, in the boys' gymnasium.

The girls will never forget the close companionship, the work, and the fun enjoyed as members of the "D" Club.

The 1949 Dunkirk Marauders experienced one of the most successful seasons in a number of years, finishing with a total of six wins and one loss.

To start the eventful season the Maroon boys traveled to Hyde Park, Niagara Falls, to tear through Trott Vocational's heavy line for successive long gains. This game ended with the Marauders on the right end of a 38-0 score. In the first home game, the Maroon Gridders out fought a powerful La Salle eleven and made a number of spectacular runs around the ends for an 18-6 win. Then an undefeated Jamestown outfit traveled to Dunkirk to hand the Marauders their only loss. After a hard fought contest, Jamestown plowed its way to an 18-0 victory. The following week Dunkirk bounced back on the home field; and charging through a heavy Niagara Falls' line, chalked up an 18-13 score in favor of the Maroon and White. At Lockport, the Maroons took over from the beginning, Ripping their opponents' line apart for repeated long gains, they came out on the winning side of the ledger, 25-0. When the Olean Huskies came to Dunkirk, they were confronted by a yet unleashed aerial attack, an innovation which was a big factor in Olean's succumbing to Dunkirk 18-14. Playing in Fredonia's "Mudbowl" before a crowd of 4,000 spectators, the Dunkirk Gridders in the last game of the season handed the Hilltoppers an 18-0 loss. In this traditional game both teams threw everything they had into the contest. By making a series of long gains through and around their rival's heavy line, and by eating up yardage through the air, Dunkirk triumphantly marched on to victory. Holding up the defensive part of the game, Dunkirk held Fredonia to a total of three first downs.

The two factors which contributed to the team's success this year were two previous years of preparation and a well-balanced team which was without stars but fought together.

The Dunkirk Marauders started the basketball season November 29, on the home court, against Olean. The crowd saw a close working quintet overcome the Huskies, 33-26. On December 2, the Maroons officially opened the Lakeshore League at Southwestern. The Dunkirk five again clicked and came out on the long end of a 39-17 score. Jamestown came to Dunkirk December 9; and after a last hard game, handed the home team its first defeat, 37-34. The Marauders, however, recovered from their setback when they went to Silver Creek on December 16 and won, 48-40. Traveling to Fredonia December 20, they outplayed the Hilltoppers, 43-35. Ang Bennice dunked 17 points during this eventful game. On January 6, Falconer knocked Dunkirk from a second place tie, by outscoring it, 38-27. The home team next went over the hill to Gowanda only to be beaten by the Panthers, 49-43. The Westfield Grapepickers came to Dunkirk on January 20 and chalked up a 41-33 defeat. On January 27, the Marauders migrated to Olean and lost a hard game, 46-43. When Southwestern came here, January 31, it was beaten 43-33. The Maroon and White team traveled to Jamestown February 3, and was nosed out after a close game, 54-50. Joe Kulig running hog wild threw in 19 points. The following week Silver Creek came here to be met by a rejuvenated five who handed the Black Raiders a 55-40 loss. Norman Begier missed the school record by just three points after dropping 24 points through the hoop. Fredonia journeyed to Dunkirk, February 17, and succumbed to a 55-41 defeat. When the Marauders made their way to Falconer February 21, they were sent home with a 42-39 defeat. On the home court, February 25, Dunkirk got its revenge on Gowanda, 70-56. The last game of the season which was played at Westfield, March 3, found Dunkirk's score 44, Westfield's 34.

With ten wins and only six losses chalked up to its credit, D. H. S. will always be proud of the 1949-50 basketball squad.

## Freshmen Officers

D. Strawser, J. Fafinski, J. Mathers, B. White

Earnestly desiring to do our best during the four years of high school that lay before us, we registered as Freshmen in Dunkirk High School, September, 1945. By the end of the month, we had selected our leaders for our first year. They were Jack Mathers, president; Donald Strawser, vice-president; Barbara White, secretary; James Fafinski, treasurer. Mrs. Isabel Marshall, Miss Ann Johnson, and Mr. Robert Schafer served us faithfully as advisers.

The star attraction of the year was our Freshmen Night, November 7. During the evening, we introduced our parents to our teachers, and put on our first program. A play, "Billy's First Date", was well pre-

sented by the following cast: Ross Cellino, Barbara White, Johanna Brisky, James Fafinski, Virginia Polcyn, Mary Piazza, Margaret Draves, Robert Block, and Jacqueline Szynski. Musical selections were rendered by Robert Block, Patricia Hamann, Loretta Eubanks, Jacqueline Szynski, Joan Griswold, Jack Lindquist, and William Thompson. Francis Sobkowski entertained with magic, and Margaret Draves and Virginia Polcyn danced.

Throughout the year, several of us took part in musical and athletic programs, joined clubs, and attended the numerous school functions. In addition, we also worked hard at our scholarship.

When we returned to school in the fall of 1947, we were a much more mature group. We understood the purpose of high school more clearly and wished to make the most of our Sophomore year. With the assistance of our competent advisers, Mrs. Christeen Miller, Miss Doris Dimpfl, and Miss Dolores Ganslow, we held our class election. The results revealed Wallace Pilarski, president; Robert Block, vice-president; Jacqueline Szynski, secretary; and James Fafinski, treasurer.

Living up to the standards we had set as Freshmen, we continued to participate in the various school activities and clubs. Several of our members were listed among the honor students.

On May 7, our Sophomore assembly was held. For our play we chose the well known comedy, "Two Crooks and a Lady", by Eugene Pillot. Included in the cast were Ross Cellino, Irene Perry, Joan Tofil, Doris Ruge, James Fafinski, and James Crawford. This play was later repeated for the public at an evening performance.

Taking everything into consideration, our Sophomore year was a memorable one.

When September, 1948, rolled around, we joyously entered the portals of our school as upperclassmen, Juniors at last. For our leaders we chose Charles Porpiglia, president; Margaret Draves, vice-president; Francis Sobkowski, treasurer; and Virginia Polcyn, secretary. With the capable guidance of our advisers, Mr. Charles Aey, Miss Edith Osborne, and Miss Pearl Reed, we experienced a successful year.

Our class party, "The Sweetheart Dance", was held on February 18, in the boys' gymnasium. Both decorations and refreshments carried out a valentine motif. These, in addition to good music, supplied a romantic atmosphere for the happy occasion.

In May, the Honor Societies from ten surrounding schools gathered in our auditorium for a joint induction ceremony. After the service, a dance was given in the boys' gymnasium, and

refreshments were served. Installed from our class were Richard Barnes, Ross Cellino, Ronald Ganslow, Patricia Hamann, Dolores Kokocinski, Elaine Korbas, Patricia Maternowski, Donald Miller, Arbutha Mingle, Wallace Pilarski, Virginia Polcyn, Louise Racine, Sophie Swiech, Jacqueline Szynski, Sheila Mae Wheeler, and Raymond Wolfe.

The social highlight of this year, however, was our formal Junior Prom, held in the boys' gymnasium, May 27. The theme, "Apple Blossom Time", was adroitly carried out in the decorations. In this ethereal atmosphere, dancing to the strains of Tony DiRusso's Orchestra was most enjoyable.

Besides these social functions, we Juniors supported school activities and played an important part in all organizations. We attained high athletic standing, and worked diligently to maintain creditable scholarship.

September, 1949, ushered in that glorious hour when we returned to school as Seniors. However, on this occasion, we also felt pangs of sadness and regret, for we realized only too well that our eventual high school career would soon be over. How anxiously we had anticipated our Senior year and how wonderful it proved to be! Our grateful thanks go to our loyal advisers, Miss Helen Myers, Mr. Charles Repert, and Mr. John Kreider, who worked so diligently to make it so.

As Seniors we fully realized that it was our duty to set an example for the lower classmen and to play a leading role in the various clubs and activities of the school. The following were selected to guide us: president, Charles Porpiglia; vice-president, Wallace Pilarski; secretary, Dolores Kokocinski; treasurer, Francis Sobkowski.

Early in October, the Ivy Tower staff was announced with Patricia Hamann and Richard Barnes co-editors.

Our first important social event was our Senior "Fiesta" held in the boys' gymnasium, November 19. Attractive decorations, an entertaining program, tasty refreshments, excellent music, and good fellowship made this an occasion we shall never forget.

Throughout the fall, we sold Christmas cards to help finance our Senior activities.

Senior Day, February 22, was the next of a series of momentous occasions. Dressed in our best clothes, we made a very impressive appearance as we marched into our places in the auditorium. Under the capable guidance of Miss Mary Weber, the patriotic program which we presented proved to be one of the finest ever given in our school.

On March 9 and 10, our Senior play, "We Shook the Family Tree", dramatized by Perry Clark from the book by Hildegard Dolson, was enacted to capacity houses. People will never cease talking about the wonderful success it was. We are deeply indebted to Miss Dorothy Koons for directing us so competently.

May 8, brought the formal History League banquet at Shorewood Country Club. As this marked the twenty-fifth anniversary of the League, it was a most auspicious event. Dinner, served at seven o'clock at beautifully appointed tables, was followed by an excellent program of music, toasts, and speeches. Miss Weber and the League officers were in charge of arrangements.

Then on the afternoon of May 19, the Senior English party was held in the school library. We shall always remember the splendid program, beautiful decorations, delicious refreshments, and genial atmosphere. Miss Hildegard Foss and Miss Catherine Morrissey were our faculty advisers.

All too soon came the last month of school with the Senior Prom, June 24; Class Night, June 25; and Commencement, June 28. Although our happy high school years are gone forever, the memory of them will linger in our hearts forever.

# Senior Party

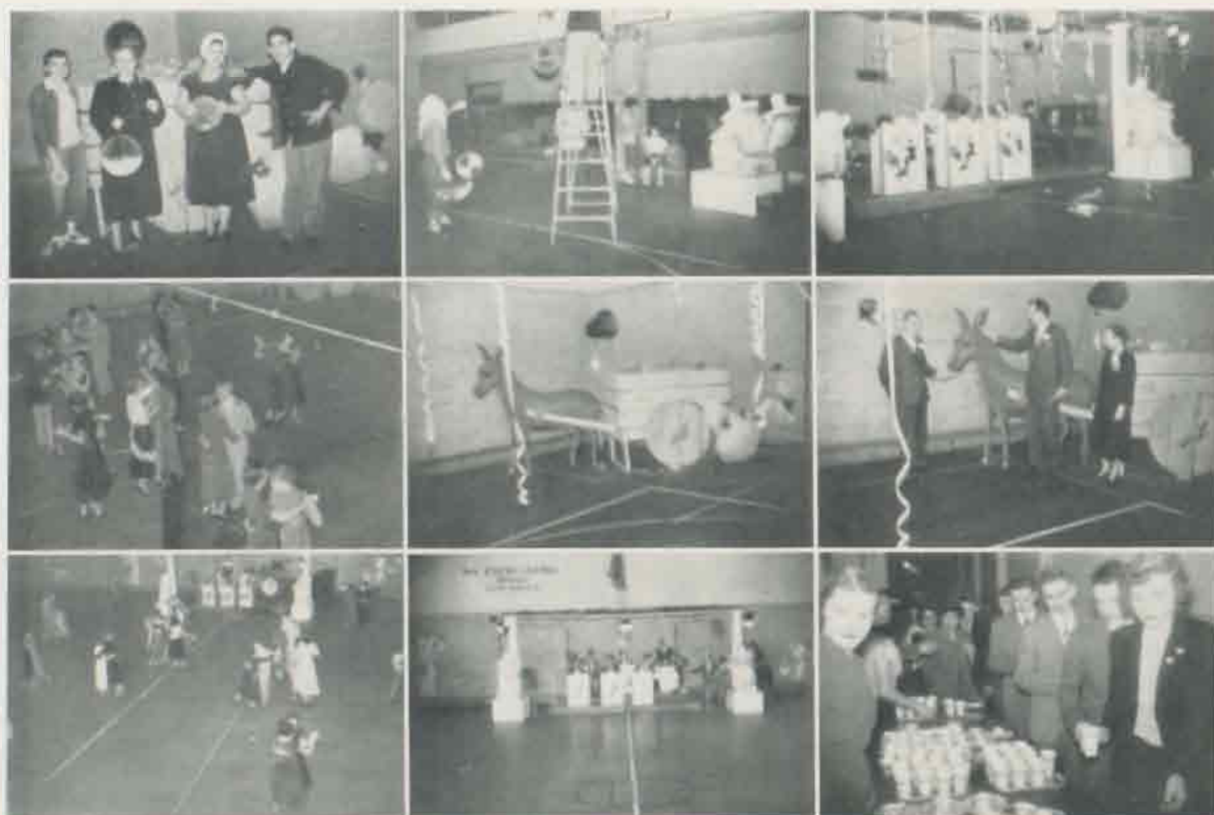

On the evening of November 19, the Seniors gathered in the boys' gymnasium for their long anticipated "Fiesta". In a glamorous, realistic, Mexican atmosphere, amid sleeping natives, cacti, gourds, and lanterns, the class danced to the strains of Dave Menzies' Orchestra, from 8:30 to 11:30. Among the distinguished guests was a donkey with his cart. Being enchanted with what he saw, he remained in a corner the entire evening to view the pleasing spectacle.

To add to the enjoyment of the occasion, during the intermission a most entertaining program was presented. William Thompson, in his usual humorous manner, enthralled his audience by his clever accordion skit. This was followed by a beautiful soprano solo, "Because", by Clarice Blair. Francis Sobkowski, our accomplished magician, then held the group spellbound with his clever feats of magic. The class pianist, Harry Gnadzinski, next pleased his classmates by playing "Spanish Gypsy Dance". To conclude the program Arbutha Mingle and Ross Cellino, attired in native costume, did the "Mexican Hat Dance".

After the serving of delicious refreshments dancing was resumed.

At the stroke of 11:30 the music ceased, and both the donkey and the Seniors wended their way homeward to dream of the enjoyable "Fiesta" they had experienced with their classmates and teachers.

The untiring efforts of the class advisers, Miss Helen Myers, Mr. Charles Repert, and Mr. John Kreider; of the art teacher, Miss Teresa Schober; of Mr. Frank LaPaglia and his boys; and of all the class committees succeeded in making the "Fiesta" one which will long be remembered.

# Senior Play

ACT 2—A. Mingle, R. Block, A. Intravartolo, P. Hamana, S. Wheeler, R. Cellino, J. Szyński, L. Crino, I. Lindegist, P. Nowak, P. Marcynski, J. Woellle.

The Senior play, "We Shook the Family Tree", dramatized by Perry Clark from the book by Hildegard Dolson, was presented in the high school auditorium to capacity houses, the evenings of March 9 and 10. From the rise of the curtain to its final fall, the audience sat enthralled by the clever lines and humorous situations in this hilarious comedy.

The plot centered around the difficulties encountered by the Dolson family when their teen-age daughter, Hildegard, decided she no longer wanted to be a wallflower. How she humiliated her parents when she entered a debate on the subject, "Should We Bring Back Prohibition?" When the Junior-Senior Prom rolled around and the young lady had no invitation, Mrs. Dolson came to the rescue by asking Mrs. Shermer to get her son Freddie to escort her. The young man was delighted to do so; but when Hildegard learned that her date always wore knickers, it was a different story. Much humor, excitement, and confusion arose as a result of a series of attempts made by the young couple to get Freddie a pair of long trousers for the dance. Of course, in the end, conditions worked out to the complete satisfaction of everyone concerned.

An excellent cast, a competent director, faithful committees, and a co-operative stage crew all did their part in making the play the success that it was.

Music between the acts was provided by a brass ensemble and members of the Honor Society served as ushers.

"But the glory of trees is more than their gift,  
"Tis a beautiful wonder of life that lifts  
From a wrinkled seed in an earth-bound clod  
A column, an arch in the temple of God,  
A pillar of power, a dome of delight,  
A shrine of song and a joy of sight."

Henry Van Dyke
