

# THE IVY TOWER

1951

Don Briggs

The first part of the paper discusses the importance of understanding the cultural context of the research. It highlights the need for researchers to be sensitive to the values and beliefs of the communities they are studying. This is particularly important in the field of health research, where cultural differences can significantly impact the effectiveness of interventions.

The second part of the paper presents a review of the literature on cultural competence in health care. It examines the various models and frameworks that have been developed to guide health care providers in delivering culturally appropriate care. The review also identifies the challenges and barriers to achieving cultural competence in practice.

The third part of the paper describes the methodology used in the study. It details the selection of participants, the data collection methods, and the analysis techniques. The study was conducted in a community-based setting, and the data were collected through a series of focus group discussions and individual interviews.

The fourth part of the paper presents the findings of the study. It discusses the themes that emerged from the data and the implications for practice. The findings suggest that there is a need for more culturally sensitive health care services and that health care providers should receive training in cultural competence.

The final part of the paper concludes with a summary of the key points and a discussion of the limitations of the study. It also provides suggestions for future research and practice.

# Theme

If sailor tales to sailor tunes,  
Storm and adventure, heat and cold;  
If schooners, islands, and maroons  
And Buccaneers and buried gold,  
And all the old romance, retold  
Exactly in the ancient way,  
Can please, as me they pleased of old  
The wiser youngsters of to-day:

So be it, and fall on! If not,  
If studious youth no longer crave,  
His ancient appetites forgot,  
Kingston, or Ballantyne the brave,  
Or Cooper of the wood and wave;  
So be it, also! And may I  
And all my pirates share the grave  
Where these and their creations lie!

—ROBERT L. STEVENSON

# Foreword

A treasure hunt is a tremendous undertaking! It demands prophetic vision, careful preparation, and many sacrifices. We, the Class of 1951, weighed anchor for this enterprise the first day that we entered grade school. The search led us through many classrooms, introduced us to a variety of subjects, and won for us innumerable friends. Our journey had its delightful moments as well as its serious ones. No, the task was not easy, but we have won our prize—a complete high school education—a sound basis for our future lives.

In these troublesome times, we also have another treasure to search for, the treasure of peace. This treasure is the most illusive of all; however, its rewards are the greatest. In this particular project, we succeed or fail, not individually, but as a group. In the years that lie ahead, let us, therefore, always do our part in this worldwide treasure hunt for peace.

In this yearbook, the Ivy Tower of 1951, we have attempted to preserve for posterity a few of the gems that we have gathered during our voyage through Dunkirk High School. May these jewels recall to you in future years the pleasure, the knowledge, and the inspiration which were given to us so freely by beloved Alma Mater.

MISS PEARL REED

Miss Pearl Reed, for many years a teacher of History at the Dunkirk High School, passed away suddenly on May 20, 1950.

Miss Reed was born in Boston, Massachusetts. She attended many noted colleges and became a member of the faculty of the Dunkirk High School in September, 1926, as a teacher of World History and Economic World.

Miss Reed was well liked by both the student body and the faculty and her death was a shock to all.

Sleep that no pain shall wake  
Night that no morn shall break

## Class Song

In the halls of Dunkirk High School,  
On the path of our career,  
We are always full of cheer  
We will do our best in future years;  
Carry high maroon and gold  
We are Dunkirk's Class of '51;  
To ideals we'll ever hold.

Thru the halls of Dunkirk High School,  
Till we reach our journey's end,  
We will work with all our might and main  
Our honor to defend.  
Lake Erie's shore, the Ivy Tower —  
These things to us are dear  
We are Dunkirk's Class of '51;  
We are always full of cheer.

Early in the fall of 1950 we Juniors chose as our leaders William Custer, President; Clover Schoener, Vice President; Carol Petz, Secretary, and Helen Albertine, Treasurer. With the helpful assistance of our advisors, Miss Edith Osborne, Miss Agnes Higgins and Mr. Paul Reber, we were ready to take our final step into tomorrow's world.

The class party "The Roaring Twenties" was held on November 4th in the boy's gym. Phil Favata's orchestra supplied the class and their invited guests to a night they would never forget. Chairmen of the committees were: Decoration, Jean Martin; Music, James Pomroy; Program, Sam Corsi; Refreshment, Laura Kemp; Entertainment, Helen Albertine; Publicity, Clover Schoener, and Cleanup, Glen Gardinier.

The social highlight of the year however was the Junior prom which was held in the boy's gym on May 18th.

Our class was also honored to have as our year-around guest Peter von Schweitzer of Felsburg, Germany, in the American zone. He was one of the hundred boys and girls chosen to come to the United States as a part of a student exchange program. Peter has been active in all athletics and school programs. He also addressed various clubs and churches, telling about his school and home conditions in Germany.

The Honor Society and the Class of '52 made him a honorary member and advisor.

The class party, "Harvest Moon," was the main social event of the year with the wonderful music of David Menzie's orchestra, held on November 3rd in the boy's gym.

A very entertaining program with Anthony Marzullo as Master of Ceremonies was presented during intermission. The program started with a piano solo played by Susan Dickenson, followed by the theme song, "Harvest Moon," sung by Kay Hanlon, Margaret Galardo and Marlene Furman, accompanied by Susan Danielson. Then Mary Schoener and Betty Corrough played a ukelele duet; Ruth Michaels, a piano number; Sally Valone and Marlene Furman, a ballet, accompanied by Ann Harris; Nancy Tellotson, a piano solo; Anthony Marzullo, a trumpet solo; Margie Galardo and Kay Hanlon, a group of songs, and a closing piano number by Lorraine Kozlawski.

Refreshments were served after the entertainment.

Miss Jessie Florence, Mr. Robert Erickson and Mr. Donald Rozumalski were the sponsors who deserve the credit for helping the enjoyable program.

MARY JOHNSON

# History Clubs

The History League has just completed a successful year of work. At the first meeting held on September 15th, Miss Mary M. Weber, the advisor, explained the purpose of the organization. Among the objectives enumerated were to acquaint the members with the rules of parliamentary procedure, to conduct forum and round table discussions on contemporary problems, to give book reviews on collateral material and give students training in speaking before a group. It fostered school spirit and created a feeling of good fellowship among the students of the Senior Class.

In the League organization were included the separate history clubs: Lincoln, Historical Research, Nation Builders and Hamilton. Meetings were held bi-monthly on Fridays during the year. Those which will be remembered most vividly were panels on U. S. Foreign Policy Today, Communism and Book Reviews on collateral reading. The highlights of the year's activities included the senior assembly, a patriotic program on the theme, Democracy, given February 16th and the final League program, a formal banquet held at Shorewood Country Club on May 7th with Rev. Francis Moriarty, Principal of the Cardinal Mindszenty High School as guest speaker.

The History League commended and congratulated their advisor, Miss Weber, on her appointment by the Board of Regents of the State of New York to the History Syllabus Committee.

Now the senior history club days are over; the members of the Class of '51 are sorry to leave their Alma Mater. As they go out into the world may they be true to her high ideals and worthy sons and daughters of the Dunkirk High School.

In October a formal candle light initiation was held. A Christmas party was enjoyed in December.

On January 12, the organization held a successful dance after the Gowanda game in the boy's gymnasium.

Again the Latin Club entered the contest sponsored by the Auxilium Latinum Magazine. About thirty students entered the contest with the hope of getting a third trophy.

In June, the highlight of the year for the S. P. Q. R. was their annual banquet.

These affairs, with the regular monthly meetings, rounded out a very successful year.

Elias, J. Stringer, D. Benjamin, J. Foley, S. Maurer, M. Fitzer, N. Sampson, E. Florey, P. Bruce, J. Bentley.

The purpose of the Tri Hi-Y is "To create, maintain and extend throughout the school and community high standards of Christian character."

Officers for the past year were: Carol Muscato, president; Patricia Reed, vice president; Christina Spence, secretary; Joan Bennett, treasurer; Helen Everett, chaplin. Mrs. Erma Stecker and Mrs. Paul Reber capably guided the group.

On the first and third Tuesday of each month evening meetings were held in the high school library. At all these gatherings an interesting program was presented. New members were inducted twice during the year, in the fall and in the spring.

The club, as usual, participated in many noteworthy projects. They sold school supplies to students in order to raise money. At Christmas time they prepared two baskets of food for two needy families in the city. Quantities of clothing were gathered and sent to an unfortunate family in Kentucky.

On November 27 their annual dance, "The Backwood's Hop," was held in the boy's gymnasium. About 200 young people, clad in dungarees and plaid shirts, danced joyously to the strains of Dave Menzies' Orchestra.

The club, as in former years, took an active part in the area Tri Hi-Y and Hi-Y meetings and last fall they sent Shirley Bennett to the State Hi-Y Assembly in Albany.

They participated in the Annual "Youth Speaks" Broadcast over our local station. The topic this year being "How to Pick the Right Kind of Friends." Maxine Bennett and Janet Bentley represented the club.

The purpose of the Hi-Y is "to create, maintain and extend throughout the school and community high standards of Christian character." The club has done its best in the past year to follow this high purpose.

Henry Waldorff was president during the past year. The other officers were: William Custer, vice-president; James Pomroy, secretary; Michael Smith, treasurer, and Robin Holloway, chaplin. Our willing and able advisors were Mr. Paul Reber and Mr. John Kreider. William Custer served as area president and also as president of the senate during the New York State Hi-Y assembly.

At least two meetings were held each month. Some of the programs presented were talks, panel discussions and a movie.

The club sent delegates to county, area and state assemblies. Albert Foley was the Dunkirk Hi-Y delegate sent to Albany.

The club activities this year included the refreshment stand at the football games and two Christmas baskets. In addition, the Hi-Y conducted a drive in the high school to enlist volunteers for the Civilian Defense messenger service.

The most important activity of the year was the Hi-Y's annual "Sweetheart of the Hi-Y" dance. This was held on May 11th and was a great success.

The year's activities were brought to a close by the annual Hi-Y Banquet at which the new officers were installed.

Three members of the staff, Ronald Sobecki, Angeline Dolce and Carol Muscato, represented the Citizen at the annual meeting of the Empire State Press Association, held in Syracuse, N. Y., on October 13th and 14th.

The chorus was organized in September under the very capable leadership of Mr. Charles Repert. The seventy-five members of this group chose for their officers: President, Shirley Bennett; secretary-treasurer, Jacquelyn Logan. Rehearsals were held three times a week.

Six members of the chorus took part in the all-state concert at Jamestown. The chorus put on a radio program in December, took part in the spring festival at Fredonia, and put on an excellent Christmas and Easter Program. Some of the members also took part in the Chautauqua County Schools Music Association Concert at Chautauqua. To close their active year they held their annual concert in June.

Responsible for the fine work of preparing the chorus for its many activities is Mr. Charles Repert, who has done a magnificent job of directing the chorus.

The Dunkirk High School Band, under the direction of Miss Marie Metzger, was organized last September with a total membership of fifty-six, six of whom were from the Junior High School. The officers elected for the year were: President, Robert Kaus; vice president, Dolores Wollert; secretary-treasurer; Nancy Smith, uniform managers, Nancy Tinley and Richard Davidson.

The band held four full band rehearsals and a sectional rehearsal each week.

The drum major was Jill Meade. She was assisted by four drum majorettes: Helen Everett, Charmaine Brown, Irma Schnable and Barbara Brick.

The band has been a great credit to the school many times this past year. They played for all the home football games and the game at Olean. Each time they put on a different and excellent performance. The band also took part in the annual spring festival at Fredonia, the county festival in Chautauqua, the Memorial Day Parade, the Christmas Program and Commencement. Five members of the band journeyed to Jamestown to take part in the all-state concert, held there in November.

The annual spring concert was held in April and all band members proved themselves worthy musicians.

The purpose of the Girls' "D" Club was to create good sportsmanship and friendship among the girls. Membership in this organization has to be earned. Points are acquired by actively participating in basketball, volleyball, deck tennis, soccer, archery, and softball. A total of at least seven hundred points is necessary.

The club was guided successfully during the past year by its capable, efficient advisors, Miss Arleen Murray and Mrs. Charles Hegman. Acting officers during the year were: president, Patricia Reed; vice-president, Dorothy Elias; secretary, Virginia Hannum; treasurer, Patricia Jaguszewski.

The first activity of the organization was the initiation of the new members which took place in October, in the library. With the co-operation of the Boys' "D" Club, three dances were sponsored after the school games.

During the course of the year the girls participated in several play-days. One of the play-days was in Fredonia. The Girls' "D" Club was then host to girls from Fredonia and Silver Creek in a basketball and volleyball tournament called "Through the Looking Glass". At the luncheon in the high school cafeteria immediately following the games, awards were given to the members of the winning team, the "Queen of Hearts".

The annual spring dance took place on May 4, in the boys' gymnasium.

The Dunkirk High School 1950 football season opened with an inexperienced Marauder team facing a strong Niagara Falls eleven, who took advantage of every break and went on to win 31-6. The following week at La Salle Stadium the Maroon bulwark was penetrated by a lightning fast La Salle outfit who scored a 14-0 victory. Dunkirk was the first team of the season to score against Jamestown's undefeated Raiders, but lost a spirited encounter 27-2. Returning to the home stands for the first time, the victory thirsty Maroon varsity scored an impressive 25-12 triumph over Trott Vocational. On the next home engagement a hard charging, high spirited Maroon team went to defeat to the Hamburg High eleven, 26-6. The game was sparked in the final ten seconds of play by pint-sized Wally Blair, who took a Hamburg kickoff on his own two yard line, ripped and smashed through Hamburg's baffled tacklers, and scored on a 98 yard jaunt down the sidelines. The following week found a rejuvenated and more experienced Marauder varsity score its second victory of the season by dumping the Lockport Lions 18-7. Traveling to Olean, the twice victorious Maroon Gridders took an early 12-0 lead but failed to hold down the Huskies baffling passing attack, and lost a close contest 13-12. The fifty-seventh traditional contest between the Maroons of Dunkirk and the Orange of Fredonia was finally fought on a snow covered turf, after being twice postponed. The hard blocking and deceptiveness of the Maroon and White was equally matched by speed and fine kicking of the Hillbillies. The visitors took a first half lead 13-0 and only time saved them from defeat as the snow chilled Marauders fought back and dominated the second half. Statistically, the Marauders were by far the superior club, but managed to score only once, and were defeated 13-6.

Although the season ended in two wins and six losses much credit is due to the fine coaching of Mr. Hoepfner, Mr. Rozumalski and Mr. Clemens, and the fine support contributed by the student body.

The 1950-51 basketball season witnessed the lanky Maroon Marauders scoring seven victories in ten league encounters coupled with three independent defeats. The Maroon and White opened the season on a sad note as they suffered an opening loss to the Kenmore Blue Devils, 44-46. With the opening game in the record books the rejuvenated Dunkirk quintet opened league play with a convincing 42-34 win over Southwestern. In a tightly fought contest the Rozumalski five, after leading through most of the contest, were outscored 52 to 48 by a strong Jamestown quintet. The Dunkirk squad invaded the home of the Olean Huskies and suffered their second independent defeat, 31-39. Finding the "bucket" range the Maroon put on a dazzling display of scoring punch as they swamped Falconer 59-36 and Gowanda, 57-50. Playing in a traditional game the tall Marauder quint was puzzled by the speed of the orange and black of Fredonia and lost an overtime thriller, 65-67. After losing an independent tussle to Olean 52-53, the Maroons again opened the second round of league play with a 59-36 swamping over Southwestern. After trailing by nineteen points at the half, the Dunkirk "giants" put on a great display of punch and spirit, as they upset the favorite Red Raiders of Jamestown 53-48, in the finest game of the year. Invading Falconer, the Dunkirk squad was upset, 41-52. For the second time in the campaign, the Rozumalski five thoroughly swamped the Gowanda Panthers, 52-38. Avenging a previous heartbreaking loss, the Maroon and White fought off a keyed up, iron man, Fredonia quintet, and went on to defeat their traditional rivals, 57-53. The season was by far a successful one as the Dunkirk Marauders copped second place in the Lake Shore League, and the Maroon Jayvees took first place in sophomore competition.

The senior class of '51 congratulates Mr. Rozumalski and Mr. Clemens for their fine work in coaching our teams to success.

# Class History

R. Gawronski, J. Bennett, R. Jusko, P. Reed

In September, 1947, a large number of us eagerly entered the portals of Dunkirk High as Freshmen. Our first task was to select our leaders for the year. They were: William Cox, president; Robert Kaus, vice president; Virginia Hannum, secretary, and Joan Bennett, treasurer. Miss Ann Johnson, Miss Agnes Higgins and Mr. Robert Schafer served us faithfully as advisers.

Our first big event of the year was our Freshman Party held in the boy's gymnasium November 22. The smooth dance music of Bill Hayden's Orchestra and the excellent refreshments and entertainment made the party a huge success. A play "Jeweled Hand" was also presented. The cast comprised: Patricia Reed, Jacqueline Lancaster, Nancy Wolfe, Richard Jesionowski and Gene Jackson.

During the course of the year many of us took part in musical and athletic programs, joined clubs and attended many school functions.

When we returned to school the fall of 1948, to begin our Sophomore year, we were a much more efficient group and understood the purpose of high school more clearly.

Shortly after school began, our faithful and competent advisers, Miss Doris Dimpfl, Miss Dolores Ganslow and Mr. G. L. Willis, assisted us in our class election. The results revealed Robert Kaus, president; John Szczerbacki, vice president; Joan Bennett, secretary, and Howard Brown, treasurer.

Living up to the standards we set as Freshmen, practically every club in the school found some of us members. A number of our class members appeared on the honor roll throughout the year.

On February 21 our annual class party, "Penguin Waddle," was held in the boy's gymnasium. The music of Chic de Carlo's Orchestra and refreshments made this occasion one of the outstanding events of the school year.

All in all, our Sophomore year was a memorable one.

Upon our return to school in September, 1949, we took up the role as Junior at last. For our leaders we chose: Raymond Gawronski, president; Richard Jusko, vice president; Patricia Reed, secretary, and Joan Bennett, treasurer. Miss Pearl Reed, Miss Edith

# Class History

Osborne and Mr. Paul Reber, our advisors, were always on hand to aid us with our problems and festivities.

The first major event of the year was our class party, "Under the Big Top," held in the boy's gymnasium, November 5. A circus theme was cleverly worked out with caged animals, circus performers and calliopes much in evidence. Music for dancing was furnished by Chic de Carlo's Orchestra. An excellent program was presented during intermission. Raymond Gawronski played two accordion solos; Robert Polasik rendered two piano selections and Patricia Reed entertained with a dance number accompanied by Richard Jesionowski. "Chinese Honeymoon" was sung by a girl barbershop quartette and the Junior Orchestra concluded the program by playing "Harbor Lights." The party which came up to all expectations was topped off with delicious refreshments.

On March 31 came another momentous occasion, our Junior assembly. "No Greater Love," a one act play by William D. Fisher, was given for the enjoyment of the entire student body by the following cast: Annette Bielat, Jacqueline Lancaster, Patricia Reed, Robert Polasik and Ronald Rucinski. Miss Dorothy Koons was the director.

The social highlight of this year, however, was our formal Junior Prom, held May 26, in the boy's gymnasium. The theme, "Peppermint Prom," was cleverly carried out in the decorations. Excellent music and good fellowship made this an occasion that we will long remember.

Beside these social functions, we, as Juniors, did outstanding work in sports and music and achieved great success in scholarship.

Our exciting and glorious year of high school finally arrived when we entered school as Seniors in September, 1950. The thought of leaving, however, left us with pangs of sadness and regret, for we knew our school career was over. Our grateful thanks go to our wonderful and competent advisors, Miss Margaret Snyder, Mr. Charles Repert and Mr. John Kreider, for guiding us in our activities. Now that we were Seniors we realized that our duty was to set a good example for underclassmen and play a leading role in various school activities. For our leaders we chose: James Cloos, president; Robert Kaus, vice president; Joan Bennett, secretary; Helen Everett, treasurer.

Early in October members of the Ivy Tower Staff were selected with Robert Holloway and Jacqueline Lancaster as co-editors.

Our first important social event of the year was our class party, "Halloween," held in the boy's gymnasium, October 26. An entertaining program, excellent refreshments, music and good fellowship made the evening one that will be long remembered.

Throughout the fall, Christmas cards were sold to help finance our activities.

On February 16 our next momentous event came, Senior Day. Under the capable guidance of Miss Mary Weber an excellent patriotic program was presented in the auditorium for the entire student body.

On the evenings March 13 and 14, our Senior play, "Clementine," by Peggy Goodin, was presented in the high school auditorium. Under the competent direction of Mr. Charles Repert it proved to be a great success.

Our formal History League banquet at Shorewood Country Club on May 6th was our next outstanding event. Dinner was served at seven o'clock at tables beautifully decorated with flowers and class favors. This was followed by an excellent program of a toast, speeches and music. Much credit for making the banquet a success goes to Miss Mary Weber and the league officers.

In the same month another of our social events was held in the library, our Senior English Party. An excellent program, attractive decorations and delicious goodies made an occasion that will be long remembered.

The big and last event came in June and the Senior Prom June 22, Class Night June — and Commencement June 27. Although our glorious high school days are over, the memory of them will remain with us forever.

## Senior Play

The Cast: Seated—J. Lancaster, A. Leckliter, R. Polask, P. Reed, C. Vandura.  
Standing—R. Holloway, T. Nelson, C. Muscato, H. Walldorff, D. Wellert, W. Blair, N. Wolfe.

The Senior play, "Clementine", dramatized by Anne Coulter Martens and William Davidson from the book by Peggy Goodwin, was presented on March 13th and 14th in the high school auditorium. From the beginning to the end, the audiences were enthralled by the clever lines and humorous situations in this comedy in three acts.

The play revolved around Clementine, a tom-boy who was strongly opposed, at first, to the ideas of her becoming a young lady. Her friends, Jane Ann and Cathy, her mother, Mary Kelly and her father, Mayor Kelly, all tried very hard to get Clementine to develop into a young lady. But Clementine, or Butch as she liked to be called, preferred football to parties and dances. The Hooterville High football team agreed to let her play, but she was voted down by the team. She blamed it on Hank Matthews, who she said was jealous of her kicking ability. Butch decides she would get back at Hank by beating him in an oratory contest, which she promised to do. In the last act, Clementine is a young lady who has fallen in love with Hank, with the help of Abe Carter the handyman and Bertha the housekeeper, who helped set the trap. Clementine finally gets Hank to notice she is no longer a tom-boy.

A well-chosen cast, a very competent director, faithful committees, and a co-operative stage crew all did their part in making it a success.

Music between acts was provided by a wind ensemble and Honor Society Members served as ushers.

# Senior Party

On October 26, the class of '51 assembled in the boys' gymnasium for their Halloween Party. Surrounded by corn stalks, pumpkins and fierce looking witches, the Seniors danced to the beat of David Menzies' Orchestra from 8:30 to 11:30.

To get the evening under way the entire group sang their class song. During intermission an excellent program was presented. Patricia Nichols began the event with her beautifully done dance number. Robert Polasik then pleased the group with his piano number, Warsaw Concerto. Robert Kaus's "Stardust" on the trumpet was well received. A Hawaiian dance by Patricia Nichols, Mary Ann Cornwell, and Marilyn Rooney proved to be one of the most colorful sights of the evening. To top it all Natalie Jesse, Mary Johnson, and Naida Stowell did a roller skating exhibition to several rumba and conga tunes.

After the serving of delicious refreshments dancing was resumed.

At the stroke of 11:30 the pumpkins began to wither and the witches together with the Seniors began their journey home.

The untiring efforts of the Senior advisors, Miss Margaret Snyder, Mr. Charles Reper and Mr. John Kreider; of the art teacher, Miss Teresa Schober; of Mr. Frank La Paglia and of all class committees, made the event a memorable one.

## Communications

Nancy Tinley

John Bernard

The Radiomen on our voyage this year have been a Senior, John Bernard and a Junior, Nancy Tinley. Every Wednesday, at 4:45 they brought us the latest news from the halls of Minerva, over Dunkirk's own Radio Station "W. F. C. B." One of the permanent features of this program is the reports of coming activities, as well as a weekly birthday list and many other activities. Several interesting interviews took place on these programs. Some of the students interviewed were: Peter von Schweitzer, the visiting German youth; Carol Petz of the Junior Class; and William Custer, president of the Hi-Y and many others. Another feature of this program is the weekly sports analysis of activities at the Dunkirk High School, which included the football news in the fall, followed by basketball, volleyball, and track. Miss Catherine Morrissey was the director of this years Dunkirk High School Reporters.

Peter von Schweitzer

## Guest

Dunkirk High School was honored to have as its guest for the school year Peter von Schweitzer, a student from Felsberg, Germany. Peter won an international scholarship through the American Field Service and was sent here to study the American customs and habits. In his brief stay here Peter has made many friends and has done much to establish a closer understanding between our country and Germany.
