As the pages of this book unfold before you, we hope that you will be reminded of the most cherished part of our high school days: friendship.
Class History

Looking back over the past four years, we members of the Class of 1977 can recall all the glowing memories we share. Learning together, growing together, laughing and crying together is what high school days are all about. Now that we've come to the end of what is said to be the best times of our lives, let us look back at some of the most memorable occasions.

We started off our years at Dunkirk High as freshmen under the watchful eye of our advisor, Mrs. Arlene Bialaszewski. We elected Dan Warren to lead the class as president, with Rick Catalano, Bruce Pieszak, and Kathie Boner serving as vice president, treasurer, and secretary, respectively. Leslie Port and Nick Sobecki represented our class in the 1973 Homecoming Court. The theme of our first attempt at float construction and spirit day competition was "Ride On DHS". December brought about our first class party with the theme of "Our Favorite Things". Anne Mancuso was elected Moving-Up Day Queen, and she chose Dave Korzeniewski as her escort.

Julie Zaffalon was elected as president for our sophomore year, while Sonia Biscaro served as vice president, Molly Fellinger as treasurer, and Kathie Boner as secretary. With the election of new officers, we also acquired new advisors - Mrs. Bonnie Lyons and Mr. John Scott. "The Mighty Marauder Express" was the theme of our class's second homecoming. Marygrace Garigal and Mark Burke were the sophomore contributions to the Royal Court. "Happiness Is" was the theme of the Sophomore Class Party. Moving-Up Day rolled around again, and Kathie Boner was elected Sophomore Queen. Steve Gugino was her escort.

Once again, Dan Warren was elected president of our class for our junior year. Tom Karnes served as vice president, Ted Fitzer as treasurer, and Kathie Boner as secretary. We swept top honors in both float and spirit day competition during Homecoming '75 with our theme, "Marauder Roulette: It's a Sure Bet!". Liz Cortes was elected Junior Queen, and her escort was Barry Edwards. Our first class play, "Alice in Wonderland", was a smashing success. Cheryl Krystofik and Tim Bender represented our class in the court on Marauder Day. "Just You 'N' Me" was the theme of the Spring Prom, which was held at St. Hedwig's Hall. Music was provided by "Driftwood".

Entering our last year of high school, we elected Ted Fitzer as president, Tom Karnes as vice president, Pam Lynch as treasurer, Bill Crocoll as sergeant-at-arms, and, for the fourth straight year, Kathie Boner served as class secretary. Once again, we took first place in float competition during homecoming with our theme, "Where Eagles Dare - We'll Be There". Carmen Ramos was voted 1976 Homecoming Queen. Tom Vega was her escort. Other senior members included Sonia Biscaro and escort Kevin Swoyer, and Mary Koch and escort Sean O'Malia. In December, "The Bad Seed" was presented as our Senior Class Play. The Winter Ball was held once again at St. Hedwig's Hall. "More Than a Feeling" was the chosen theme. The entertainment was provided by "Chautauqua".

Four years have gone by since that first day we all met together in September of '73. Thinking back, we can see all of the memories that will enhance our minds forever. Remember, even though things will never be the same again, nothing can take away what we've had in the past.

“A person’s high school years are the best in his life. Make the most of them while you can for they can never be repeated.” All of us have been told this at one time or another.

As the graduating class at Dunkirk High School we must now face the fact that we have come to the close of a chapter in our lives which will never be reopened. Now we must decide if we truly did make the most of these four short years.

High school has been a time of growing through both academics and experiences. The knowledge dispensed to us by our teachers will benefit us throughout life. Equally important is the education which no book holds. This is the wisdom shared with us by friends. Few people realized that friends are a storehouse of knowledge right at our fingertips. All we had to do was look. We must take time from our busy schedules to meet new people and learn from them. Learning, sharing, and growing add up to many happy memories. These memories will always be a very special part of us. The memories of our class... The Class of '77.

If, after evaluating these past four years at DHS, we find that we’ve acquired wisdom coupled with many happy memories, then we can honestly say, “High school has been great because we made the most of it.”

SUSAN J. CARLSON

Salutatorian

It has been four years since we first entered Dunkirk High. Previously we all came from limited environments in which the number of people we were acquainted with was few and included many relations and close friends. Since that time we have met many companions as we enlarged our physical, mental and emotional capacities in our new world – the microcosm of Dunkirk High. This brings to light a noteworthy aspect of the learning process. As we have developed physically and mentally, our education has enveloped another arena which is far more significant than algebra, woodshop, or physics. This is the ability to confront and communicate with others. There was no one specific class where this occurred – it proceeded naturally day by day. When we depart from this forum of higher learning, this will be the single most important aspect of our education. Consequently, when we graduate from DHS we will have our last examination to pass. This examination, an unwritten one, will not involve the scholastic knowledge one has obtained over the years nor will it depend on how much one earns but, more importantly, on how well you get along with other people. Whether one passes or fails is his choice. Only he and those around him will know whether he has succeeded.

Friends are the opiates of life, for without them we merely exist.
“Friends” is more than just a mere word;  
A relationship that is so special and meaningful,  
That must be kept alive and always heard.
A good friend is someone who knows exactly how you feel without your having to say a word.
Friends are your family substitutes.
A true friend is like a soft melody: always soothing and gentle.
Someone to have trust in
One that is always dear
A friend will help guide you
And ask you of your tears.
Whoever finds a true friend finds a treasure.
What is a friend? A single soul dwelling in two bodies.
I have many friends when it comes to having fun, but when there is a crisis I only have a few.
Friends are the foundation of all good things.
A true friend is unique. He is hard to find but hard to lose.
Friends are what makes the world such a nice place to live in.
Friends help make high school complete.
Friends are people whom you can talk to, and be understood by... someone who cares.
Friends make memories and help create good times. Without them life would be an empty thing.
Friends are honest and kind. Friends are faithful and loyal.
A friend is someone with whom you can be yourself.
Friends caring and sharing are the secrets of living.
A friend is someone who is there in your time of need.
There's a special thing between friends
It's very hard to explain
But you'll know when it's there
You can feel it in your heart,
And from that day on
As friends you'll never part.
Friendship is a light that shines on a dark path.
Friendship is the most powerful weapon in the world. Without it we are weak.
Friendship is like a tree, if you care for it and love it it grows.
The most important thing in this world to be cherished is friendship.
People who help you when you're down and who celebrate when you're happy.
Friends are people who accept you for what you are and don't care about your faults.
A friend is somebody who is there when you need him the most.
People may have many friends. But only a select few are true ones.
Friends – they always find the time for you.
Walk together, talk together, be friends.
Friends are people you can trust.
Someone honest and understanding whose innermost thoughts you share.
Friendship is like sight to a blind man.
A friend is someone who has learned that everyone has their own personality and puts up with yours.
Friendships and memories are priceless. Each making the other a great treasure to carry through life.

Though nothing can bring back the hour
Of splendor in the grass, of glory in the flower;
We will grieve not, rather find
Strength in what remains behind.

William Wordsworth
And a youth said, Speak to us of Friendship
And he answered saying:
Your friend is your needs answered.
He is your field which you saw with love and reap with thanksgiving.
And he is your board and your fireside.
For you come to him with your hunger, and you seek him for peace,
When your friend speaks his mind you fear not the "nay" in your own mind, nor do you withhold the "ay".
And when he is silent your heart ceases not to listen to his heart;
For without words, in friendship, all thoughts, all desires, all expectations are born and shared, with joy that is unclaimed.
When you part from your friend, you grieve not;
For that which you love most in him may be clearer in his absence, as the mountain to the climber is clearer from the plain.
And let there be no purpose in friendship save the deepering of the spirit.
For the love that seeks aught but the disclosure of its own mystery is not love but a net cast forth; and only the unprofitable is caught.
And let your best be your friend.
If he must know the ebb of your tide, let him know it flood also.
For what is your friend that you should seek him with hours to kill?
Seek him always with hours to live.
For it is his to fill your need, but not your emptiness.
And in the sweetness of friendship let there be laughter, and sharing of pleasures.
For in the dew of little things the heart finds its morning and is refreshed.

Homecoming '76

Homecoming — there are so many wonderful memories this word brings. It is one of the most exciting and colorful times of the entire school year. Homecoming is always what we make it, and this year we made it great.

The freshmen class started off spirit week on October 4 proudly stating their theme, "Marauders in the Making." The enthusiastic sophomores followed with their dynamic spirit show which encouraged the Marauders to "Blast-Off to Victory." Take a trip to the wild west? Why not? The juniors showed their spirit while proclaiming "We've Got the Coach — We've Got the Team!" The seniors transformed the halls of Duskirk High into Fort Marauder while warning Lake Shore that "Where Eagles Dare — We'll Be There!"

Before the class skits were presented at the pep assembly, class queens and escorts were introduced. Members of the 1976 Homecoming Court included: freshmen Barbara Seibert and Vinnie Bomasuto, sophomores Patty Phillips and Randy Gill, juniors Melody Allessi and Paul Dimmer, and seniors Sonia Biscaro and Kevin Swoyer, Mary Koch and Sean O'Malia, and Carmen Ramos and Tom Vega.

During half-time of the Lake Shore game on Friday, October 8, the results of the homecoming contests were announced. The seniors took top honors in the float competition, followed by the juniors in second place, and the sophomores and freshmen tied for third. The junior class won the spirit week competition, while seniors took second place, sophomores third, and freshmen fourth. Carmen Ramos was crowned 1976 Homecoming Queen.

As we come to the close of our senior year, we hope this book will help you to remember all of the friends you have made and, especially, the spirit of friendship that has pervaded all of our days at DHS. If this spirit of cooperation and caring for others continues in our later lives, then we have captured a most vital ingredient of high school life to use as our theme.

Alma Mater
Beloved Alma Mater,
Our thoughts around thee cling.
Beloved Alma Mater,
Thy praises high we sing.
Theo seasons roll away,
We'll sing our loyal lay,
For in thy torches glare,
Shine Wisdom, Power there.
We love thine ivied towers
Thy quiet and peaceful bowers!
Halls of learning, loud our cry,
"Alma Mater, Dunkirk High!"

I will arise and go now, for always night and day
I hear lake water lapping with low sounds by the shore
While I stand on the roadway, or on the pavements grey
I hear it in the deep heart's core.
