There's a time for us,
Some-day a time for us.
Time together with time to spare,
Time to learn, time to care.

There's a place for us,
A time and place for us.
Hold my hand and we're halfway there.
Hold my hand and I'll take you there,
someday, someway, somewhere.
Class History

Now that our senior year at Dunkirk High School has come to a close, we can look back on our four years with fond memories. Some of us will be sad to leave while others will be glad, but all will carry the memories of learning and growing, that is a part of high school.

Our first year began under the guidance of Miss Diane Andrasik and Mr. Al Baker. To lead our class we elected Tom Damon as President with Nancy Gula, Karen Hassett, and Jennifer Gregory as vice-president, secretary, and treasurer respectively. In our first attempt at float building the theme “Our Team Is Dynamite” earned us third place in the float competition. Roberta Sobcecki and Mike Christopher represented our class in the Homecoming festivities. Our first formal social event was the freshman party held in November. “We’ve Only Just Begun” was chosen as the theme. As the end of our first school year rolled around, along came Moving Up Day. We chose Judy O’Brocta as our queen; her escort was Ken Krystofik.

In our sophomore year we elected Nancy Gula as President, Carol Wisniewski served as Vice-President, Roberta Sobcecki as Secretary and Mike Franklin as Treasurer. Along with these new officers we also acquired a new class advisor, Miss Kathy Szopinski. “Blast Off To Victory” was chosen for our second Homecoming float. We again earned the third place award. Patty Phillips and Randy Gill were the sophomore members of the Homecoming Court. “Winter Wonderland,” our sophomore class party, was held on a beautiful winter night. As our second year came to an end we chose Carol Wisniewski as Moving Up Day Queen, she was escorted by Pat Mleczko.

Mark John Sobcecki was elected President in our junior year. Carol Wisniewski was re-elected Vice-President, Annette Bradnick served as Secretary and Mary Beth Begier was Treasurer. Our theme “Marauder Power Will Rule The Hour” swept first place in the 1977 Homecoming Competition. Kellie Flynn was chosen as Homecoming Queen; Henry Pucciarelli escorted her. “A Winter Wonderland” was chosen as the theme for the Winter Ball. St. Hedwig’s Hall was decorated with snowflakes and music was provided by Apex. In our first stage production we presented “The Night of January 16th” by Ayn Rand. It was a tremendous success. As another spring came and our junior year came rapidly to a close, Jennifer Gregory and John Catalano represented us on Marauder Day. “Summer Breeze,” the senior prom, was the final social event of the year.

Our senior year saw few changes. Len Dutton was elected President, Andy Pacos served as Vice-President, Mary Beth Begier was Treasurer, Carol Wisniewski was Recording Secretary, Rosemary Bartkowski was Corresponding Secretary, and Craig Lis was Sergeant-at-Arms. We also had a new class advisor, Miss Szopinski was now Mrs. Al Baker. We again took top honors in the float competition with the theme “We’ll Give ‘Em A Ride They’ll Never Survive”. Nancy Wilemski was chosen Homecoming Queen, her escort was Peter Smith. Other senior court members were Sue Siracuse and escort Kevin Carlson and Linda Bialaszewski and escort Roger Herdzik. In December “Cheaper By The Dozen” was presented as our senior class play. This was also a great success. The Winter Ball, “The Most Wonderful Time of the Year,” was held at St. Hedwig’s Hall. Music was provided by Variations.

Our four years at Dunkirk has been filled with special memories. Although we will all go our separate ways, no one can ever take away this special time of our lives as long as we have these memories.

As we look back at our four years at DH5, we should realize what we have learned. Through books, and audio-visual presentations, lab experiments and classroom activities we learned about the various subjects we were studying and how they related to the world around us. At times it seemed like this was the only knowledge high school had to offer. Now, as we are maturing, we can see what was the most important course that we have been taking. We have been learning about ourselves. Through our everyday decisions and tasks we are beginning to see the type of person each of us is capable of becoming and the type of person each desires to become. Hopefully, this newly acquired knowledge of ourselves, combined with the academic knowledge we have obtained, will enable us to accomplish our goals and make our lives successful.

Salutatorian

Our four years at Dunkirk High School have been great years for each and every one of us. The moment that we entered Dunkirk High was the beginning of our encounter with a new learning experience. We have learned not only academic knowledge, but also the knowledge of how to communicate with others and how to cope with our everyday problems. Learning how to get along with others has enabled many of us to build strong friendships that hopefully will withstand the test of time.

As we now enter a new world of changes, each of us carries an enormous responsibility. This responsibility is the task of using all our learning experiences in ways that will help to make the world a more pleasant place in which to live.

Seniors take first place in the 1978 Homecoming Float Competition.
On May 18 and 19 of 1978, the Class of 79 presented its junior class play, A comedy by Ayn Rand, "The Night of January 16th" concerned the murder trial of Karen Andre. Did Miss Andre in fact kill her lover and former employer Bjorn Faulkner on the night of January 16th? A jury was actually drawn from the audience at the beginning of each performance and asked to decide this very question. The fact that the audience-jury arrived at two different verdicts at successive performances attests to the cast's ability to project their roles convincingly.

Mr. E. J. Hayes directed the play with assistance from student directors Kathy Crocoll and Anne Wolozyzn.

The Senior class presented its play on December 6 and 7 to enthusiastic audiences. Based on the book by Frank Gilbreth and Ernestine Gilbreth Carey, "Cheaper by the Dozen" depicts the frantic efforts of an over-zealous efficiency expert to run a family of twelve children with clock-work efficiency. The generation gap was never so wide as the children try for added independence and Dad insists on more discipline and less frivolity. Anne, the eldest daughter, is especially vulnerable to her father's stringent life style. The realization that a heart condition will soon separate him from the family is a poignant moment in the play.

Mr. Anthony Palermo was the faculty director for this fine presentation. Student directors were Mary Beth Begier and Carol Swoyer.

The mighty Marauders finished their 1978 season with a 18-9 record and a phenomenal third consecutive Section VI, Class “BB” Championship.

Led by Coach Al Stuhlmiller, District II’s “Coach of The Year”, the DHS Champions placed pitcher Frank Jagoda and outfielder Chris Ley on the CCIAC All Star first team. Receiving second team All Star honors were pitcher Brian Benamati; second baseman Jeff Kubera; and third baseman Dave Pulvino.

Coach Stuhlmiller and the entire squad should feel proud of the record of their accomplishments over the past three years. They’ve made DHS the team to beat.

We've only just begun to live
White lace and promises
A kiss for luck and we're on our way.

Before the rising sun we fly,
So many roads to choose,
We start out walking and learn to run.
And yes, we've just begun.

Sharing horizons that are new to us,
Watching the signs along the way.
Talking it over just the two of us,
Working together day to day... together.

And when the evening comes we smile,
So much of life ahead,
We'll find a place where there's room to grow.
We've only just begun.
