It was the best of times,  
it was the worst of times,  
it was the age of wisdom,  
it was the age of foolishness,  
it was the epoch of belief,  
it was the epoch of incredulity,  
it was the season of Light,  
it was the season of Darkness,  
it was the spring of hope,  
it was the winter of despair...

It was the worst of times...*

## Seniors: The Time of Our Lives.

Across the morning sky all the birds are leaving,  
Oh, how can they know it's time for them to go?  
Before the winter fire, we'll still be dreaming,  
I do not count the time.  
Who knows where the time goes?  
Who knows where the time goes?

Sad, deserted shore, your fickle friends are leaving,  
Oh, but then you know, it's time for them to go,  
But I will still be here — I have no thought of leaving,  
I do not count the time.  
Who knows where the time goes?  
Who knows where the time goes?

And I am not alone while my love is near me,  
And I know it will be so till it's time to go,  
So come the storms of winter and then the birds in spring again,  
I do not count the time.  
Who knows where the time goes?  
Who knows where the time goes?

## Class History: 1978-1982

"It was the best of times, it was the worst of times . . ." Dickens' quote seems to serve as an apt description of school life, since it conveys the contrast of everyday life that we have lived for the last four years. It no less serves to describe the life that lies ahead of us.

The past four years have seen a variety of people and events fill our days. Under the guidance of Mr. E. J. Hayes and Miss Holly Croglio in our Freshman year, we elected Mark Cerrie as our president, Cheryl Catalano as vice-president, Mary Fellingner as secretary, and Anne Brinkerhoff as treasurer. That year we started with our involvement with Homecoming events, with our theme "Chew 'Em Up," and with Lisa Flynn as our queen and Mark Cerrie as her escort. Later the class party took place, and we ended up the year with moving up day activities, voting Lisa Wdowiasz as our queen and Doug Ryczko serving as escort.

With the start of our Sophomore year, Mark Cerrie returned as president, Mary Fellingner became secretary, Cheryl Catalano was vice-president and Jackie

Dragon served as treasurer. With Linda Wise as Homecoming queen and Mike Taylor as her escort we entered the activities with the theme of "Marauder Event," taking 3rd place. The Sophomore Party theme of "All of My Love" took place later that year, and Marauder Pride Day saw Barb Westling serve as queen and Rick Serafin her escort.

With the close of Mindszenty, several transfer students became involved as class leaders. Kevin Muldowney was one such student, as he became our new president. Pam Marzullo became vice-president, Kim Byham was elected secretary, and Kevin Renckens became treasurer. Homecoming queen Renee Majka, escorted by Kevin Muldowney, led the class with the theme "We're Ape for Our Team." Our efforts earned us a third place finish in competition.

Other events that year included the Junior class play, "Snow White and the Seven Dwarfs," and the Spring Prom, which used as its theme, "Just Between You and Me." Mel Altweis and Sue Braciszewski were voted queen and king of that event.

When our Senior year was finally

reached, Mr. E. J. Hayes continued as our class advisor, with Mr. Dan Durkin also helping in that capacity. Kevin Muldowney continued as our president, with Tony Gatto being elected vice-president, Lisa Flynn and Kim Byham serving in the secretarial capacities, Barb Westling as treasurer, and Mike Taylor as sergeant-at-arms.

Homecoming events centered around our theme of "Marauder Spirit Rises in the Night." Elisa Manzella won the vote as Homecoming Queen, with Alex Don serving as escort. Her court included Suzanne Muldowney, with escort Tony Gatto, and Toni Pietro, with escort Kevin Renckens. Our efforts won us a second place finish in competition.

Our Senior class play took place in November. "Dracula" proved to be a great success. And it was not that long afterward that our final event of the year and as a class took place — the prom and graduation.

With graduation comes an end to four years of fun and work, study and extracurricular activities, and all the days which have been both a joy and a serious effort in reaching toward young adulthood.

**Rosetta Haynes**, a five-foot, six inch, long-legged track star for DHS, was voted not only "most likely to succeed," but also "most athletic" female by the class of '82.

A member of the girls' track team since the 8th grade, Rosetta has set records in the 100 yard dash, 440 yard relay, and 880 yard relay. She was also a member of the girls' JV basketball, volleyball, and cross country teams. Another aspect of Rosetta's athletic ability was proven when she was a varsity basketball cheerleader during her junior year.

Sports isn't Rosetta's only area of achievement. She is the student council secretary, a member of the Honor Society, and Girls' D Club. In commenting on her success, Rosetta stated, "It is something one cultivates through hard work, persistence, and a strong will to achieve."

While occupying herself in activities such as bicycling, cooking and reading, she plans to attend college but remains undecided on a career. She hopes, however, "to be an aid and inspiration to young people."

If high school life is indicative of the future, **Paul Schober** may well deserve the superlative of "most likely to succeed."

"I like being involved because I get more out of the school," stated the active senior. Paul is president of the Student Council and a member of Key Club, Senior Council, National Honor Society, and the Computer Club, as well as serving as managing editor for the Ivy Tower.

His future plans include entering the field of business administration where he hopes to leave his mark (and make money).

A self-admitted wrestling fanatic, Paul also enjoys hockey and "listening to Elvis."

Henry Ting was voted "Most Intelligent Male" by his classmates and his 99 average and class rank of one of the top 2 support his colleagues' opinions. In addition to being very academic, Henry has participated in several activities during his four years at Dunkirk High School. He has been a member of the French Club, the Earth Science Club, "High School Bowl," "It's Academic," and the National Honor Society. He participated in Varsity Volleyball in his junior year.

Henry has many varied interests and hobbies which include: collecting stamps, skiing, football, baseball, and playing the violin. He is also well known for being an avid Cleveland Browns fan.

After graduating from high school, Henry plans to pursue a career in medicine.

Music, music, and more music: that is what **Mark Ronan** is all about. It is no wonder therefore that he has been voted most musical in his class.

In Mark's busy life, music is first, and foremost on his list. The talented musician plays many instruments, such as the electric guitars, cornet, and classical guitars. He also plays some piano.

Mark enjoys listening to the music of Bruce Springsteen, and Southside Johnny. Bruce has played an important part in Mark's life. When asked why, the avid fan replied, "Because he is real. He's as real as you and me because he respects the exclusive set, which usually accompanies stardom. He's got a lot to say to his people and he says it by playing his heart out." In addition to Bruce, Mark enjoys the music of Carlos Santa, the Yardbirds, Chic Corea, and Bob Dylan, whom Marks feels a genius.

While in high school, Mark has participated in several other activities. His future plans are to attend Fredonia State College to major in French and Music.

In conclusion, Mark leaves us with a quote from Bruce Springsteen: "For the one's who had a notion, a notion deep inside, it ain't no sin to be glad you're alive."

As expected, by her many roles in school musicals and dramatic productions, Carol Ebert was voted not only the "Most Musical" but also "Most Dramatic" of the Class of '82.

She received these distinctions because of her lead in "Oliver," and participation in "The King and I," and "Camelot." Carol also appeared as queen in "Snow White" and Gretchen in "Dracula." Besides her acting, Carol has been on stage crew helping behind the scenes.

Carol has also maintained a 90 average and achieved the rank of 29th in her class. She has been active in Marauder 3R, French Club, Choir, and Color Guard.

Carol was also chosen to go to All-State Sectionals, Chataugua Music Festival, and N.Y.S.M.A.

When Carol has "free time," she works at Aldrich Dairy and participates in out of school plays. She displayed her tremendous talent when she portrayed Peppermint Pattie in "Charlie Brown" with the Depot Players, acted in several Funshops, and performed in other non-professional productions. She intends to go to college after her graduation. This favorite quote expresses her thoughts: "You are today where your thoughts have brought you; you will be tomorrow where your thoughts take you."

Voted "Most Intelligent Female" of the class of 1982, Neeru Sehgal is this year's editor-in-chief of the *Ivy Tower*. In her four years at Dunkirk High School, Neeru has participated in many clubs and activities including treble choir, Marauder 3R, Spanish Club, "High School Highlights," "High School Bowl," and "It's Academic." She was elected to the office of president of the Biology Club in her sophomore year. She was a homeroom representative to the Student Council in her freshman and sophomore years. Neeru has also been photo editor of "The Candle," and editor of the "Citizen." Last summer, Neeru received a scholarship from the Evening Observer to attend a workshop in Syracuse.

In athletics, Neeru participated in girl's track and played first in singles in tennis in her senior year.

When Neeru has free time she enjoys playing the guitar and the piano. While planning to attend college, Neeru is undecided in her career choice.

Admired by many for her personality and excellent academic performance, **Toni Pietro** was elected as "most attractive" by her class. Her mid-nineties average has placed her in the top ten percent of her graduating class, while she has been active in many extracurricular events. These include the National Honor Society, Key Club, Marauder 3-R, Camera Club, and the yearbook. At the same time she has held part time jobs for three years, and this year participated in the Junior Miss Pageant. When not life-guarding, Toni enjoys horseback riding, swimming, and playing tennis. During the winter she skis. Toni plans to enter a four-year college, after which she plans to pursue a career as a physio-therapist.

Individuality seems to mark all aspects of the "Most Artistic" senior, Jackie Dragon.

"I have a hard time dealing with competition in art. There are so many good artists that you tend to have a low opinion of yourself. You can't think about what everyone else is doing or you just won't improve."

"I love art but I haven't experienced enough. It's kind of limited here." Jackie plans to major in art in Buffalo State and plans to work in interior decorating and design.

Tennis, skiing, and reading are her other major activities. They all are marked by a "personal satisfaction which has nothing to do with winning or losing."

In order to raise money to attend Buffalo State, Jackie holds down three jobs — at Ponderosa, Twin Fair, and with a local caterer. She comments on her work: "Money is obviously a factor, but I've met a lot of terrific people — people I wouldn't normally meet."

# Who's Who . . . Seniors keep time with life and events . . .

Normally, someone who plays only one sport wouldn't have a chance at being voted "Most Athletic," except when you play that one sport as well as **DAN USZACKI**.

As an offensive guard and linebacker, Dan has become one of the most valuable and popular players on the football team. As a junior, Dan was selected as a 4th team guard on the All-State football squad. He was also picked as a first team CCIAC all-star at guard, and this year served as tri-captain of the varsity team.

**TIM ALESSI** has been a standout performer in every High School sport he has participated in, so it came as no surprise that he was voted "Most Athletic" (in a tie with Dan Uszacki).

Tim played Chadakoin and J.V. football and starred on both the varsity baseball and basketball teams for 2½ seasons.

Tim has maintained an 85.6 average and ranks in the top 3rd of the class. He is a member of D-Club, and a past member of the French and Ski Clubs. Tim plans to go onto college and major in Business Administration.

**PATRICK GAVIN**, ranked fourth in the Senior Class, is among the many who were deeply involved during their 4 years at Dunkirk High School. Pat played on football for four years, and of course, no one will ever forget his incredible one handed catch at the Dunkirk-Fredonia game! He spent 4 years in band, 4 in baseball and 2 in basketball.

When Pat was a junior, he played the Huntsman in "Snow White," as a senior he played Arthur in "Dracula," and he was in the school musical, "Camelot."

Other than being involved in sports, Pat kept busy by being D-Club President, vice-president for Honor Society in his senior year, and President of the French Club his sophomore year. He belongs to the Key Club, High School Bowl, and he was one of the few fortunate students to be on T.V. for It's Academic. When Pat wasn't busy practicing for sports or participating in clubs, he helped coach the 13-year old Babe Ruth team.

Patrick's future plan is to go to West Point after graduation.

Noted for his good looks and charm, **MICHAEL TAYLOR** is well suited to fill the position of "Most Attractive Senior." Academically, Mike ranks above average in his class. Between school and work, Mike still found time to take part in stage crew, French Club, Dunkirk Varsity D Club, and to serve as Sergeant of Arms for the Senior Class.

While at Dunkirk High, Mike also participated in Chadakoin and Varsity football, where he earned a letter. His last season ended prematurely when he broke his leg and tore some ligaments, which left him in a wheelchair for over a month. "I try to forget the past and look towards a brighter future," is Mike's way of coping with his mishap.

**TONY GATTO**, a Mindszenty transfer, is recognized by almost everyone. Could it be his bright red hair, his hearty laugh, his jokes, and his fun-loving personality?

Having been elected as showing "Most School Spirit," it is clear that the title is well-deserved. He served as class vice-president, and is involved in Key Club, the school musical, the Senior class play, and has also served as a homecoming escort, and has performed dedicated work on spirit day, class floats, and other activities.

When not in school, Tony works in the Twin Fair toy department, and in his free time he enjoys photography (he served as yearbook photographer), listening to Pat Benatar and following the Buffalo Bills.

What lies in the future? Next year Tony plans on attending Fredonia State College, majoring in the field of business management and minoring in TV media.

Probably one of this year's most active seniors, **BARB WESTLING** has been involved in just about every phase of school life.

The Mindszenty transfer has been a football and basketball cheerleader for four years, both at CMHS and DHS, serving as captain of the varsity football squad this past year.

As a sophomore, Barb was elected to represent the class of '82 as Moving Up Day Queen. She also held the office of class treasurer this year.

A member of G.A.A., girl's softball and the musical cast at Mindszenty, the outgoing senior has also been active in ski club, Key Club, Marauder 3R, and the National Honor Society. She served on the 1982 yearbook staff, working on layout and business.

When she manages to find spare time, Barb enjoys skiing, swimming, and bike riding.

Her future plans include college, either at Fredonia State or in Texas. Barb would like to participate in the program to become a chemical engineer.

High school makes up four years of your life. Some people fill those years up more than others. One of those people is **KEVIN MULDOWNEY**.

Evidence of this lies in that Kevin was given the title of "Mr. DHS" by his classmates. One reason for this is he held the office of class president in his junior and senior years here and in his freshman year at Mindszenty.

Sports has been a big part of Kevin's life. He participated in baseball and track for one year and football, basketball, and tennis for two years.

His job at Walt's Sporting Goods store also reflects this interest. Kevin also belongs to the D Club and Key Club. He enjoys writing and has written for the Evening Observer.

Plans for the future include attending Hillbert College to major in journalism. With his high school experience, Kevin will surely succeed in this area.

The bright and vivacious young lady who is the transposing secretary for the senior class this year is **LISA FLYNN**. A well-liked student, Lisa feels she belongs to a hard-working class one in which she enjoys being a part of.

Other than being a class officer, Lisa has participated in various other school activities. She commented that she particularly liked Homecoming because it brings a certain feeling of closeness among her fellow classmates.

She has been an avid skier during her four years at Dunkirk High.

Her future plans include attending a four year college, majoring in Special Education. Reflecting back on her high school days, she commented,

"Remember to make the most of the time you have right now, because when it's over, you'll wish it was just beginning."

What is DHS all about? A lot of people think **KIM BYHAM** represents the answer to that question. She was named "Miss DHS" by her classmates.

Class secretary during her junior and senior years, Kim has worked hard for the Class of '82. The spirited senior kept busy outside her class activities as a cheerleader for three years.

Membership in the Honor Society, French Club, Marauder 3-R, Key Club, and AFS round out Kim's list of extracurricular activities.

Outside of school, Kim keeps busy with a part-time job at Aldrich's. In her spare time she enjoys swimming, bike riding, and tennis.

Kim plans to go away to college and eventually pursue a career in the business field. You can be sure that whatever she does in the future, Kim will give it her all, the way she has these past four years.

"Oh, those golden school days, filled with football and basketball games, class plays and musicals, dances and all kinds of school events that make high school the best years of your life."

This year's senior who was voted "Miss DHS" and who has enjoyed all these activities is **SUE BALZER**. Sue has participated in Student Council, Typists for Teachers, and school plays (Glick in "Snow White" and Lisa in "Dracula").

When asked what makes her want to participate, Suzi explained that "high school is what you make it." She enjoys the fun of meeting and being around new people. Her classmates have also taught her the value of being herself, and not what other people want you to be, of "having the courage to be yourself."

After graduation, Sue plans on attending JCC to further her interest in working with people by studying in the field of nursing.

"Do it big — or stay home," is **MARK POLOWY's** motto, and a good way to sum up his high school years.

Mark has been very active in sports, as he has played football and basketball at the Chadakoin, junior varsity and varsity levels, while also participating in Boys' D-Club.

During his senior year Mark served as Student Council vice-president while also participating in both the junior and senior class plays as a performer and worker on stage crew.

Mark was a member of the Jazz Band German Club, where he served in the capacity of sergeant-at-arms.

A finalist in the NROTC Scholarship competition, Mark plans to attend either Cornell, Penn State, Ohio State or Florida University. After college and serving in the Marines, he hopes to become an F.B.I. agent.

One of the outstanding seniors this year at DHS was **TIM MONAHAN**. Ranked 7th academically in his graduating class, Tim has maintained a 96 average in his four years of high school.

Sports was another aspect of Tim's life. He participated in the Dunkirk swim team for 4 years, AAU Swim, soccer for 2 years, and track for 2 years. Tim has also been a member of the boys varsity club for 3 years.

While in high school, he had a role in a musical, a lead role in the Junior Class play, and held a part in the Senior Class play.

Tim's major interests are in music (he has been a member of the band for 3 years); and computers (he has been a 2 year member of the computer club). He has also been a member of the German Club for 2 years.

After high school, Tim plans to study medicine at Notre Dame and to become a M.D.

Jim Elias  
"Best Dressed"

**WENDY CORSI** is well recognized for her participation in the newspaper and yearbook. She has been on the staff of the Citizen for 2 years and was named feature editor last January. For 3 years she has been involved in the Candle. She served as assistant prose editor in her Junior year and prose editor in her Senior year. Wendy is presently co-author of the column "Marauder Memos" which appears in the Evening Observer each Saturday. A member of High School Highlights for 2 years, she has been selected for the post of program manager this year. On the Ivy Tower staff Wendy serves as co-layout editor.

Past member of the Ski Club, French Club and the American Field Service, Wendy is Vice-President of the Key Club of which she has been a member for 2 years. She is in the Senior Class play cast/year and has been in Marauder JR. for 4 years.

Wendy's hobbies include reading, playing the piano, writing, swimming, painting and drawing.

Her future plans are to attend Fredonia State College in the fall as an English major with a minor in Journalism. After 2 years Wendy hopes to transfer in Syracuse University. Her career plans are to be involved with children's literature. "I'd like to be an author of children's books" she added.

Because of her unique style of dress, **JULIE PHILLIPS** was a clear winner as the choice of her class to be termed "best dressed" female.

Aside from her interest in fashion, Julie also enjoys such activities as jogging and music, especially punk rock.

Following her graduation from high school Julie plans to attend a school of fashion design in a large city, hopefully either New York or Chicago.

Bob Hemenger  
"Most Dramatic"

**LEN ENSALACO**, well recognized for his musical talents, has been a member of the band for four years and presently holds the office of president. He was also active in the French and Latin clubs his first two years of high school.

Len showed his athletic ability in his freshman year as he participated in football and basketball.

When not helping out on class projects, you can find him at his part-time job at Brand Names. And on cold mornings you can find him behind the wheel of his new yellow jeep plowing driveways. In his spare time he enjoys riding his Harley Davidson cycle and also restores antique cars.

His plans for the future are to attend Broward Community College in Ft. Lauderdale to major in fire prevention.

"It makes me feel good to be able to create and convey sensuous and delicate pieces of art work." That's why art interests senior **RODNEY LYONS**, who was voted "Most Artistic" in his class. He feels that his strongest artistic ability lies in painting with oils and expressing his feelings on canvas.

After graduation, Rodney plans to major in fine arts at Buffalo State and hopefully become a prominent artist someday.

Rodney feels that DHS art teacher Mr. Rayl has really given him a lot of time and help, which have been vital in developing his artistic ability. Rodney adds, "I just want to say thanks to him."

# Friends . . .

The feeling . . .  
Of time rushing past  
So quickly — too quickly!  
Many friends will soon leave  
To go out on their own,  
Bringing closer thoughts of my future.  
Senior year rushes to meet me,  
College just around the corner.

I feel . . . As if I'm sprinting through the days  
Out of breath, wanting to slow the pace,  
Slow the hours to minutes,  
To savor each more fully.

To postpone the future —  
Scared of what will come,  
The changes I may not like.

I wish . . .  
For everyone and everything  
To remain the same,  
To keep the closeness  
And affection of my friends,  
For time to stand still.

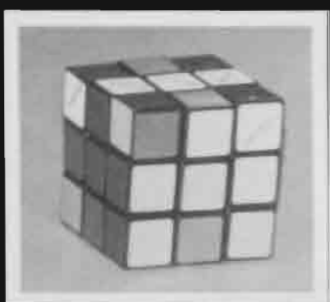

If not,  
Then for life always to be good —  
As Now.

## Fads . . . Seniors and the Current Times

A number of fads hit D.H.S. this year, ranging from the far out punk to classic prep. The western look was popular, as students donned cowboy boots and hats.

Docksiders and duck shoes were favorites, while hats made a comeback to "top" things off. Baggy overalls and knickers were fashionable for a casual look, but could be dressed up for formal wear.

Rubik's Cube, a frustrating puzzler, was a favorite pastime for the school bus, cafeteria, study hall, or classroom.

Even hairstyling made a comeback, with French braiding being a popular look for both school and evening wear.

## Seniors Put in Time to Earn Money

If you asked ten different students why they work, you'd probably hear ten different reasons. Although their reasons aren't exactly alike, most will say they work because they need the money.

Some save their money for college or a car. Others use it for clothes, records, and going out. The list goes on and on.

For some, money might not be the most important factor in deciding to get a job. Their job is giving them valuable experience for the future. One senior, planning to study veterinary medicine, worked for a local vet this year.

A wide variety of jobs are held by the students. These range from positions as waitresses, busboys, cashiers, and store clerks to stockboys, gas station attendants, hospital clerks, and paper boys.

Working students found that their jobs didn't get in the way of their school work as long as the hours didn't get too late or too long. Even if you're paid minimum wage (\$3.35), you find that the money comes in handy.

## Good Times at the Prom . . .

## Seniors in Junior Miss

It was October 24. Three weeks of hard, but fun practice had come to an end. It was the night of the 1982 Fredonia Junior Miss Pageant. Six of the thirteen contestants were Dunkirk High seniors. Representing DHS were Janie Buesink, Wendy Campese, Dianne Crea, Misty Grimm, Toni Pietro, and Erin Shubert.

The talent portion of the contest, which counted for 20% of their scores, was judged on originality and ability. Janie danced to "Rodeo Hoedown." Wendy was judged for singing "We've Only Just Begun." Playing the piano, Dianne presented Bach's "Prelude." Misty chose to dance to "The Main Event" to display her talent. And while Toni sang "Gotta Get Through Another Day," Erin later played "Maple Leaf Rag" on the piano.

The rest of the scoring was based on scholastic achievement (15%), physical fitness (15%), and poise and appearance (15%). A ten minute interview with the judges counted towards 35% of each contestant's score.

Why did the girls enter the pageant? Some said for the experience, some to gain — confidence, to meet new people, for the scholarship, or just for fun. Whatever the reason, all agreed it was a challenging 3 weeks.

Erin Shubert plays piano (top, p. 48); Toni Pietro, Jill Privitere, Mary Rita Herary, Dianne Crea, Misty Grimm line up in opening number (middle); Dianne Crea plays piano (bottom).

## Wheels!!

Who needs a Rolls Royce to get to school when the other alternatives have so much more style? You could be one of the majority — being bussed to school or walking.

The biggest craze to hit DHS is "Moped-Mania." Then, of course, there's always the guys in their leather jackets with their motorcycles.

Part of the distinction of going out with an upperclassman lies in the fact that, "he has a car."

How can we, as seniors, ever forget the "Len-mobile" or John Patz riding his bike to school in the winter?

Darryl VerHague and Mike Taylor (top, p. 50) in helmets; Lisa LaTona with her car (middle); Darryl VerHague, Doug Bankoski, Mike Taylor, Jim Pasquale with their cycles (bottom).

## School Time Prepares BOCES Students for the Future

The BOCES program provides Dunkirk students with valuable experience in vocations they might be considering as future careers. Ninety-five students were involved in the program this year. Courses offered include health care, foods services, beauty culture, auto mechanics, masonry, and brick laying, to name a few.

Beauty culture students Stephanie Promber, Lisa Cybulski, Lorraine Gula, and Julie Bomasuto (p. 52, top, left); Julie working on Lorraine (top, right); Lorraine Gula, Linda Wise, Kathy Katta, Audrey Brill, Madelyn Moreno, Julie Bomasuto, Lisa Cybulski, Jane Pencek, Melayne Curtis, Michelle Ziegler (bottom, left); Mike Rafan (top p. 53); Jim Corbin (bottom, left); Layne Fox, Milt Quandt (bottom, right).

## Memories of Memorable Faces

Memories — light the corners of my mind  
Misty water color memories of the way we were  
Scattered pictures of the smiles we left behind,  
Smiles we gave to one another for the way we were.

Can it be that it was all so simple then?  
Or has time rewritten every line?  
If we had the chance to do it all again,  
Tell me, would we? Could we?

Memories  
May be beautiful and yet  
What's too painful to remember.  
We simply choose to forget;  
So it's the laughter  
We will remember  
Whenever we remember  
The way we were.

— Marvin Hamlisch

## ... and Memorable Times Together

I know you feel these are the worst of times  
I do believe it's true  
When people lock their doors and hide inside  
Rumor has it, it's the end of Paradise  
But I know if the world just passed us by  
Baby, I know, I wouldn't have to cry  
The best of times are when I'm alone with you  
Some rain, some shine ...

We'll make this a world for two  
Our memories of yesterday  
Will last a lifetime  
We'll take the best, forget the rest  
And someday we'll find  
These are the best of times  
These are the best of times ...

## Until a Future Time . . .

Time, Flowing like a river

\* Time, beckoning me

Who knows when we shall meet again

\* If ever

\* But time

\* Keeps flowing like a river

To the sea.

Goodbye my friends, maybe forever

\* Goodbye my friends, the stars wait for me

Who knows where we shall meet again

If ever

\* But time

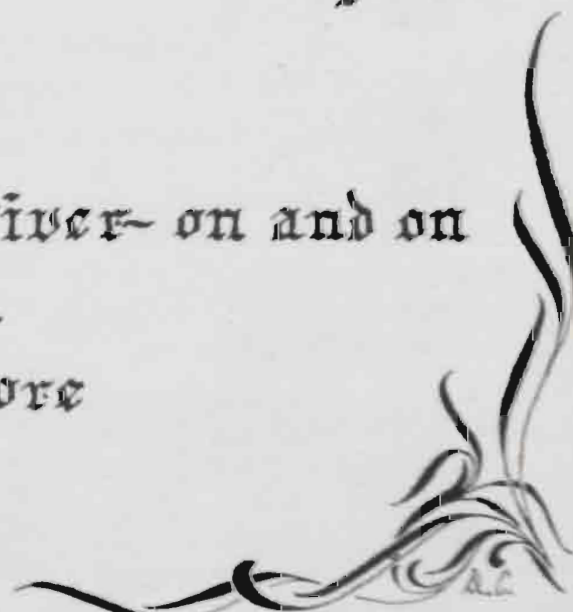

\* Keeps flowing like a river—on and on

To the sea, to the sea.

Till it's gone forevermore

\* Gone forever

\* Gone forevermore.

### "Time"

Time can heal  
Time can hurt  
Time itself is what it's worth.

Time is love  
Time is hate  
Time will help to let go or wait.

Time is good  
Time is bad  
Time can make sad happy and happy sad

Time is a burden  
Time is a goal  
Time is what you put into it as a whole

Time is the beginning  
but eventually,  
the End.  
— Kathleen M. Katta '82

## Senior Remarks

"Let's never forget the love we have for the friends we're leaving behind, even the ones that don't know they're still so dear to us."

— Janie Buesink

"Rock-n-roll sure helped me through, Byzow, Good party, Kevin."

— Maureen Portman

"Those crazy nights,  
I do remember in my youth.  
I do recall,

Those were the best times, most of all."

## Faculty: A Time to Learn

### "What Is Time?"

To find what time is  
you may consult  
the stars, the sun, pendulums,  
quartz-crystals, the cesium atom,  
sundials or an hourglass,  
but you yourself are time's true measure.  
Live today  
as if you had all forever,  
and live forever  
as if all you had was today.  
Then you are not time's beggar  
or time's wastrel;  
time and you are good companions  
on an eternal journey.

## Sports: Record Times

"To James"

Do you remember how you won  
That last race . . . ?  
How you catapulted  
Through the tape . . .  
Do you remember . . . ?  
Did not my shout  
Tell of the  
Triumphant ecstasy  
of victory . . . ?  
Live  
As I have taught you  
To run, Boy —  
Think only of the goal  
Run straight  
Run high  
Run hard  
Save nothing  
And finish  
With an ecstatic burst  
That carries you  
Hurling through the tape  
To victory . . .  
— Frank Horne

## Good, but Not Best

The Dunkirk High varsity football team finished a successful 1981 season with a 5-3 record that was good enough to earn them a tie for second place in the CCIAC.

The squad opened their campaign with an overtime loss to non-league foe Lake Shore. Dunkirk then opened its league schedule, and ran off 3 straight wins, including a big Homecoming victory over Salamanca.

A loss to eventual league-champ Olean ruined any hopes for a title, but Dunkirk rattled off 2 more victories, before a heartbreaking 6-0 loss to Fredonia.

The Marauders did boast several first-team all-stars, including Kris Sosinski, tackle; Dan Uszacki, guard; Bill Sliwa, defensive tackle; and Steve Sobczak, end. Chosen for the second team were: Bill Rozumalski, safety; Ken Deland, defensive end; and John Buchanon, linebacker; Pat Gavin and Mike Porpiglia earned Honorable Mention status.

Dunkirk is looking to the future after a season with a backfield composed of 3 sophomores and 1 junior. Soph. Quarterback Bill Rozumalski passed for 858 yards, while sophomore running back Tom Alessi gained 700 yards rushing. Sophomore tailback John Buchanon, and

Junior fullback Ken Deland combined for 600 yards rushing.

Although the 1981 season wasn't the "Best of Times" for the football squad, several players had outstanding seasons, and led by a returning backfield, the Marauders should provide a strong challenge for the league title next season.

# Homecoming!

"The best of times" became a reality during the week of Homecoming. It was a cold night in October when the winners of the 1981 Dunkirk High Homecoming festivities were announced. The crowds

were hushed, the tension was rising, as students joined together with hopes that all their hard work and effort would soon be rewarded with the title of "first place" in either the float or spirit day competition.

In their final efforts, the seniors chose

the theme "Marauder Spirit Rises to Victory." Complete with a haunted house and graveyard setting, the class of '82 finished second in both float and spirit showings.

The junior class spirit was riding high as they achieved first place in both events with their theme, "Marauders Will Ride Like the Wind."

The sophomores followed in third place with, "Send 'Em Back in Time," and the freshmen finished first with last place with the theme "Hit 'Em With Your Best Shot."

Another highlight of the evening was the crowning of our school and senior class queen — Eliza Manzella, who had chosen Alex Don as her escort. The

senior court included Toni Pietro and her escort Kevin Renckens, and Suzanne Muldowney and her escort Tony Gatto.

Reigning as junior queen was Lisa Miller, accompanied by Jeff Uszacki. The sophomores chose Tricia Seibert to represent their class, with her escort being Darren Quandt. The freshmen

elected Roxanne Frontuto as their queen, and Jim Uszacki was chosen as her escort.

And to cap off the events of the week, Homecoming weekend was made a further success as the Dunkirk Marauders had a victorious win over Salamanca, with a score of 24-2.

# JV Football

The Dunkirk High Junior Varsity team ended their 1981 season with a record of 4-3-1.

The record gave Coach Paul Salisbury's squad third place in the tough Division VI league.

Helping the cause greatly this year was Freshmen Paul Salisbury and fullback Chris Lanski.

Leading the offense for the maroon and white this year was Freshman Quarterback Ed Snyder who relied greatly on his receivers Paul Carlson and Ken Duliba.

Other bright spots for Dunkirk were Gary Katta, Bob Grimm, Steve Promber, Tim Kwiej, Rich Pencek and Chris Durkin.

Dunkirk ended its season in style, with a solid 26-0 victory over arch-rival Fredonia.

# Chadakoin Football

In what Coach Szczerbacki termed as "rebuilding year," the DHS Chadakoin team finished their season with a record of losses and wins.

Opening the season against their three toughest opponents, including Lincoln and Washington High, the team suffered three losses in succession.

The squad, quarterbacked by Freshman Paul Gavin, then showed improvement as it won against rival Fredonias and then Southwestern. However, it ended the season with another loss.

Outstanding players included Ed Pagan, who led the team in both rushing and scoring. Coach Szczerbacki also noted the vast improvement in play from end Jeff Uszacki and Mike Guziec.

It was last May when the 1981 football cheering squads were chosen. Practices began in July and continued throughout the summer, three times a week.

In mid-August the varsity and JV squads attended a cheerleading camp at the University of Buffalo. They sponsored bake sales, car washes and a raffle to raise money in order to attend. They also worked on cheers which they used in competition at the camp. Both squads were awarded ribbons in the competition. The JV squad was presented with a special award for spirit on the final day.

After the season began, the squads, under the advisorship of Miss Bruno, led in the assemblies and games held throughout the season. Also, prior to the Fredonia game, the Dunkirk squad provided a breakfast for the Fredonia cheerleaders. The following morning, the JV and Varsity squads provided breakfast for the football team and coaches.

## Soccer Team Undergoes Tough Season

In only its third season, Coach Wisniewski's young soccer team played through a tough season to reach a record of 2-11-1.

While managing only two wins, those over Jamestown, the young team persisted in its efforts to gain experience for next year. Often playing in cold, wet or muddy conditions, the team gave 100% at each game. An end of the season tie with Fredonia gave the team a sense of some achievement, and avenged an earlier well-

fought loss to that team.

Team leader Kevin Renckens, a graduating senior, led the team with 11 goals and two assists for a total of 24 points. Ryan Corbett followed with two goals and three assists, to give him a 7 point total. Fellow underclassmen Scott Taylor and Jeff Williams each scored one point in the team's efforts at bettering their record. While held goalless, Pete Gilray aided his team with four assists.

## Cross Country

The Dunkirk High Cross Country team, under the coaching of Dick Dudzie, became a highly competitive 10-9 team this year, after a season with no wins last year. The improvement was brought about by the addition of several new members, including senior MVP Eric Eckstrom. Eckstrom consistently finished in one of the top three places, and he finished an impressive 17th at the Section VI meet.

Helping out Eckstrom were newcomers Mike Perez and Joe Anzalone. Anzalone, a senior, was one of the few returnees from last year's squad. He and Perez battled for the 2nd and 3rd spots on the team throughout the season.

Rounding out the top five were Dave Fisher and Jeff Baldwin, both underclassmen, as is Perez, all of who should continue to contribute next year.

Dunkirk's cross country program appears to have gotten on the right track, and should keep improving.

# Girls' Varsity Volleyball

The girls volleyball team ended their successful season with a 9-3 record.

They started their season on a good note by defeating Southwestern 15-9, 15-7. Ellen Zielinski was the high scorer with 15 points.

The Lady Marauders next beat Gowanda 16-14, 9-15, 15-11. Serving the most points were Rzepkowski with 10 and Grant with 9. Co-captain Zielinski was again the high scorer with 12 points as the spikers stopped Falconer 15-10, 15-6. DeLand contributed another 8 points.

The Cassadaga Cougars downed Dunkirk next with scores of 13-15, 15-3, 12-15. Rzepkowski and Zielinski contributed 10 and 9 points each. Improving their record to 4-1, Dunkirk defeated Jamestown 15-6, 13-15, 15-6. Grant added 11 points to the victory. The girls then lost to a strong Fredonia team. They quickly rebounded with a win over Southwestern, a game in which DeLand served 18 points.

Co-captain Mary Bartkowski put in 11 points for the 7-15, 15-9, 15-11 victory over Gowanda. This was followed by another victory over Falconer, where DeLand was outstanding with 15 points. The team avenged an earlier loss with a victory over Cassadaga, scoring 15-8, 13-

15, 15-13. Another victory over Jamestown followed but the team was defeated by Fredonia again.

# Girls' Swim Team Breaks Even

The 1981 girls' swim team under first-year coach Kathy Lefferts completed their season with a record of 5 wins and 5 losses. Despite that, ten of eleven school records were broken during the course of the season.

Team co-captain Karen Ruska was part of six of these records, including the 200 freestyle, 50 free, 100 free, 500 free, the 200 and 400 medley relays. Also part of

the swimming team in the 200 medley were Meg Elias, Kim Ruska, and Kathy Wills. Wills also shined in the 200 IM, 100 fly, 100 back and the 400 medley relay. Kim Ruska broke the record in the 100 breast stroke. Star-diver Janice Meyers was the co-captain of this year's team.

In the County Swim Meet, the Marauder swim team came in third.

## Girls' Tennis

The 1981 girls' tennis team finished their 1981 season with a losing record of 2-9. "I guess we'll just have to chalk it up to experience," commented Coach Gavin.

Team members were Neeru Sehgal, first singles; Joanne Brochetti, second singles; Jackie Dragon, third singles; Maria Rosario and Debbie Repert, first doubles; and Jennifer Bartkowiak and Colleen McGraw, second doubles; and Kim Kolassa.

But tennis certainly wasn't the only part of their experience. Remember the playground at McDonald's, or taking a sauna in the Jamestown locker room only to find the locker room didn't have doors?

## Bowling Champs

Dunkirk's team of bowlers won the Chautauqua County High School Bowling League's championship when they defeated Silver Creek in a 3-1 victory. This capped their successful season in which they achieved a record of 32 wins and 8 losses.

The team was led by senior Jim Hoffman with a 195 average, followed by Mike Foster and Marty Lanski with 182 averages, and Jeff Pulvino and Wally Voss with 174 averages. Jim Hoffman was not only the captain of the team, but also was the MVP.

The Chadakoin Basketball team started off the season at a very fast pace with a 3-0 start, but started to have difficulty later in the season as injuries plagued the team.

Jim Uszacki led the team with a total of 161 points and a 11.6 average. He was also the number 2 rebounder for the team. John Budniewski and Jim Michalski were also important contributors to the team, the first having 99 points and a 7.0 average and the second having 94 points and a 6.7 average.

The season ended for the team with an overall record of 5 wins and 9 losses.

## Varsity Basketball: Ups and Downs

Dunkirk's 1981-82 varsity basketball season was a year of ups and downs. The "up" was Dunkirk's 44-42 double overtime victory over arch-rival Fredonia. The "down" was the rest of the season. What started out as a preseason with hopes for a divisional crown turned out to be a regular season in which Dunkirk was not only beaten by other teams, but, more often than not, beat themselves.

The boys opened up the season with a loss to a less talented Hamburg team in the Hamburg Coaches' Tournament, and followed that with a 45-34 victory over Frontier to earn 3rd place in the four-team

tourney. From there it was mostly downhill until the win over Fredonia. Larry Thomas scored the only 2 points of the second overtime to lead the Marauders.

Thomas was one of the few bright spots on the squad. The 6'5" junior standout led the CCIAC in scoring with a 17.6 point average. Fellow junior Dennie Lockett also helped out, but his erratic shooting and defense limited his effectiveness.

Injuries also limited the effectiveness of 6'5" senior Jim McKay and Thomas at times. This, along with dismissal of three players contributed to a 3-7 league record, and an overall record of 6-12.

# JV Basketball

The 1981-82 JV Basketball team completed a fine season by capturing the CCIAC title with a league record of 9-1, while finishing the season with an overall record of 12-6.

The key to the Junior Marauders' success was the defense that played well throughout the season. First year Coach Krystofik credited his players with a fine effort.

# Wrestlers Have Winning Season

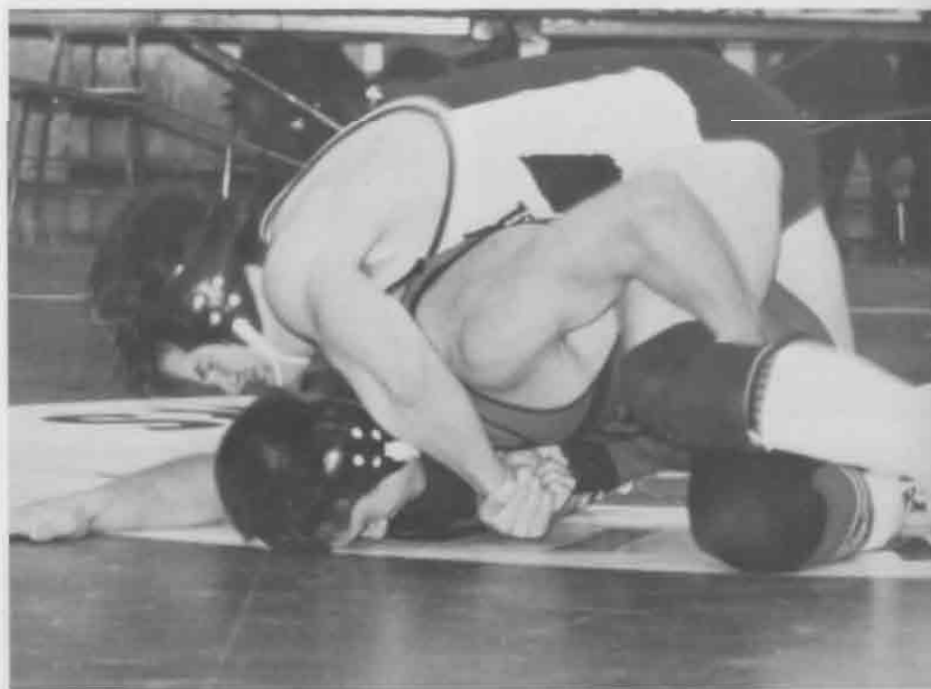

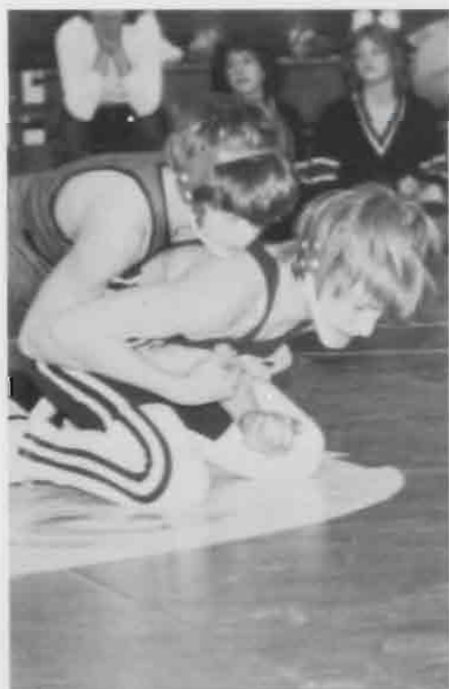

The D.H.S. 1981-82 Wrestling Team completed a fine season with a team record of 8 wins and 6 losses. Coached by Mr. James Leamon and Assistant Coach Tom Rozumalski, it was the best season ever for Dunkirk, who competed against the best league in Western New York.

Co-captain Mike Dillamar (8-6-1) had the most takedowns for a Dunkirk wrestler with 16. Co-captain Louis Fred (24-6) had an outstanding year, making it to the State Qualifier. Other varsity wrestlers who had an outstanding year were: Chido Fred (19-12), Ed Quiles (27-3-1), Ed Ruiz (15-3), and Calvin Gibson (20-11). Quiles and Luis Fred placed first in the Fredonia Tournament while Chido Fred, Ruiz and Gibson placed second, third, and fourth respectively. Quiles also placed first in the County Tournament and Luis Fred and

Gibson placed third. These wrestlers also placed in other tournaments.

The future will prove to be a good one as many promising newcomers gain experience and several varsity grapplers return.

The Girls' Varsity Basketball team had a fine season with a record of 11 wins and five losses. Amy Dopler, a junior, was the high scorer on the team with 220 points for the season. Teammates Mary Bartkowski and Molly Wojcinski weren't far behind with 182 and 181 points, respectively. Making the season even better was their second place standing in the Cassadaga Valley Invitational.

Like the boys' varsity, the girls lost in overtime to Fredonia, 54-55, but they made a comeback by beating the Hillbillies 78-44 at home.

The year was characterized by good team effort, especially when the team adjusted to the injuries of Debbie Grant and Mary Gavin. Coach Olkowski believes that things look bright for next year since all the girls will be returning next year.

## Young Baseball Team Has Success

"I am tremendously proud of this team. It was the youngest team in D.H.S. history, and they ended the season with a 16-6 record," said Coach Al Stuhlmueller of his varsity baseball team, with a smile.

The Marauders finished second in the league with Southwestern in first place. Southwestern's only two losses were both to D.H.S.

Dunkirk's nine made it to the Section VI playoffs and Coach Stuhlmueller remarked, "With a little luck we could have won it all."

Sophomore Tom Alessi led the league in batting (.541), RBI's (16) and tied with Steve Sobczak for the most doubles.

Dunkirk had two players, Tom Alessi and Jim Elias, in the first string All-Stars. Five others were on the second string, and they were Tim Alessi, Tom Summerton, John Buchanan, Steve Subczak, and Chuck Porpiglia.

## Back on Track

After an absence of 19 years, Dunkirk recaptured the CCIAC track championship in 1981. The Marauders followed a 7-1 regular season (including a perfect 5-0 league record) with a team victory at the county meet to wrap up the championship.

The track squad began rebuilding 3 years ago, under their head coach — Mark Benton and present Head Coach John Bogardus. Dunkirk's record that year was 4-5. The record was an identical 4-5 the next year, and finally, culminated in this year's championship season.

Dunkirk's season was spotted with individual accomplishments, along with the team's achievements. The mile relay team of Rodney Lyons, Kevin Renckens, Richard Thompson, and Jim Utley recorded the third fastest time in Western New York (3:31.1). This foursome finished second at the state-qualifier meet to eventual state champs Bennet. Lyons also made the WNY list individually, with the fourth best time in the 100-yard dash (9.97).

Jim Utley led the list of record setters, breaking the 42-year old high jump record with a leap of 6'3". Also setting school standards were the 440-yard relay team (45.6 sec.) of Terry Buchanan, Ken Deland, Bob Mekus, and Jeff Williams, and Kevin Renckens in the 440-yard hurdles (59.8 sec.).

First places at the county meet were

turned in by the mile and 440-yard relay teams, Matt Freitas (discus), Rodney Lyons (100m dash), and Richard Thompson (880-yard dash).

As for next year, the marauders will challenge again, despite the loss of 9 lettermen to graduations

Dunkirk will have 9 returning lettermen, and in regard to the CCIAC championships, Coach Bogardus has stated, "We will definitely be competitive, and if some people I'm hoping come out, do . . . no one will touch us."

# Girls' Track Team A Success

The 1981 girls' track team had a successful season compiling a record of five wins and one loss. They also came in second in the county meet.

Leading the Marauder cinderwomen in the 440 Relay were Laura Watts, Ellen Zielinski, Celestine Watts and Rosetta Haynes, who brought in the time of :52.5. Watts, Rosa Hardwick, Watts and Haynes had the time of 1:50.5 in the 880 Relay. The time of 4:42 was set by Leanne Price, Kris Nopper, Karen Ruska and Sue Karalus in the Mile Relay. In the two mile relay, Michelle Odel, Laura Price, Brenda Shields and Ruska set the time of 11:15.2.

Setting individual records for the Lady Marauders were Haynes in the 100 yard dash (:11.8), Peg Madigan in the 100 yard hurdles (:18.3), Laura Watts in the 220 yard dash (:26.7) and the 440 yard dash (1:02.2). Ruska had a 2:40.2 time in the 880 yard run, beating her old time by 4 seconds. Kris Nopper set two records, one in the 880 yard walk with a 4:11 time and in the time of 9:18 in the Mile Walk. In the mile run, Brenda Shields had the time of 6:08, while Michelle Odel shined in the 2 Mile Run with a 13:10 time. L. Watts again came into the picture in the jump by having a 14'5 1/4" jump. Graduate Kris VanDenVouver set a record in the discus with an 85'5 1/2" throw and another in the shot put with a throw of 34'4 1/2". Graduate Laura Lis made her show in the high jump with a jump of 5'1".

## Girls' Softball

The 1981 girls' softball team had an excellent season under Coach Kyle Kutner and her assistant Marty Bamonto. In regular season play the lady Marauders defeated twelve of their opponents, while losing only to Jamestown and Southwestern. In their only sectional game, the team was beaten by Iroquois. Mary Bartkowski, the captain of the team, was given the MVP award, while Julie DeLand took the Booster Award.

Coach Kutner had this to say about the team: "When you consider the amount of injury and illness that plagued our team, I think we had a fantastic season. The team is very strong both offensively and defensively, and I'm certain that next season no one will be able to keep them out of the number one spot."

## Activities: Extra Time

When time is wasted it is lost  
And cannot be retrieved  
And there is that much less in life.  
Our efforts have achieved  
There is no turning back the clock  
To live the day once more  
Or any opportunity  
That loiters at our door  
We have to gather in the hay  
While sunny skies prevail  
And struggle on Relentlessly  
In order not to fail  
The seconds turn to minutes and  
An hour soon is spent  
For nothing on this earth of ours  
Is ever permanent  
The hands of time will never stop  
To wait for anyone  
And every task in life is lost  
Unless we get it done.

— James J. Metcalfe

## Honor Society

Dunkirk High School's chapter of the National Honor Society (Theta Psi Omnicron) began the year by electing officers. Chosen were Kevin Renckens, President; Pat Gavin, Vice-President; Jon Rizzo, Treasurer; and Erin Shubert, Secretary. Mr. Rodney Geiben served as the group's advisor.

Activities included the formal induction ceremony for new members at Shorewood Country Club, and a Reese's peanut butter cup sale. Members also ordered sweaters with the Society's insignia. Also, a tutoring program for DHS students was set up by the group.

## Computer Club

During the last five years the Dunkirk High Computer Club has risen in popularity and strength. Part of this growth has been due to the acquisition of the club's own computer.

This year's agenda included a successful candy sale and the sponsoring of a machine language seminar conducted by Mr. James Butterfield. In addition, there was a planned trip to the NASA facility in Cleveland, and the purchase of a "Superpet" computer capable of understanding five languages.

Members of the Computer Club have access to the school's 15 micro-computers and two terminals linked with the Erie County BOCES computer system.

To top off the year, the school and club acquired an IBM System 3 Computer from Cliffstar, and it is hoped that this will be introduced into the curriculum in the near future.

## Student Council

Developing the spirit, ideals and practice of good citizenship in the school is the purpose of the Student Council. It supports the ideals of the faculty and administration, along with bringing the needs and wants of the student body to the attention of the administration. The organization also governs the students in the school, and encourages cooperation and participation in school activities.

The student council officers meet twice a month with the forty homeroom representatives under the guidance of Mr. Gary. Together they have worked on and planned several activities, including the daily announcements and safety tips, Homecoming festivities, dances, and the All-School Christmas Party.

Students young and old enjoy the Christmas Party, sponsored by the Student Council.

## Key Club

The 1981-82 year of the Key Club was one of outstanding value to our school and our community in its third year of existence. Under the leadership of Suzanne Muldowney, Wendy Corsi, Dianne Crea and Tim Monahan, the club accomplished many of its goals.

The year began as each Saturday morning the Key Clubbers could be found at the Chautauqua County Infirmary playing bingo with the elderly. Bake sales were held frequently to raise money for district dues. During the Christmas season the club held a "sing-along" at the Lincoln Arms Apartments. They also supplied "Santas Elves" for the second annual all-school Christmas Party. In April the State convention was held and several Key Clubbers attended.

# DECA

The DECA Club, under the advisorship of Mr. Joseph Piede, has had a very successful year. Throughout the year, they sponsored various activities. The Club, among other things, sent nine of its members to Regional competition at Alfred College. They also had an annual employer-employee banquet.

As fund-raising activities, the club members sold candy and baked goods.

# Ivy Tower

Preparations for the 1982 edition of the Ivy Tower began in April of 1981, well over a year ago, with the selection of the staff and preparations for the taking of the formal portraits of the senior class. In the same spring, several of the staff members attended a workshop run by the Taylor Publishing Company in Buffalo, where they were first introduced to the many confusing facts about picas, layout designs, rule lines, themes, ads, and a multitude of other information.

In August, four of the staff traveled to St. Bonaventure in Olean to take part in layout and photography workshops (as well as enduring a foodless first day, early hours, and endless cutting and pasting of layouts).

The hectic months of September through November culminated in a mad rush to finish the first deadline material, with two more following in January and March.

A special thanks goes to the several staff members who contributed so much of their time and who understood the importance of details, good work, and deadlines.

## Treble Choir

The singers of Dunkirk High School were very busy this past year. The mixed and treble choirs, both led by Mrs. Ruth Mohnney, worked very hard in preparing for their concerts.

The Christmas Concert was especially well-received this year. They sang a variety of songs that were enjoyed by everyone. The mixed choir sang two songs with solo parts that were impressive. The treble choir, which was mostly made up of new members, did an outstanding job as well.

The Spring Concert was also well done. The choirs began working on that concert in January in preparation for it.

Both choirs have also been busy selling candy and other items to raise money for their individual projects. Both choirs, in connection with the Chautauqua County Music Teacher's Association, hosted the Small Ensemble Festival at Dunkirk High this past year. Besides that, the treble choir went to Alfred College to sing, and the mixed choir raised funds for their exchange trip.

## Band

The DHS Band got into the swing of things in its usual manner by performing half-time shows at the home football games. Fall parades included Homecoming and the Halloween parade.

Under the direction of Mr. Andrew Christina, the band performed its annual Christmas and Spring Concerts.

Although not travelling in '81 (still recuperating from Washington), the band made plans for a trip to the World's Fair in Knoxville, Tennessee, in '82.

# French Club

As always, the French Club, under advisor Mr. Edward Kolodziej, was involved in many activities.

Starting off the busy year was the Installation Banquet. New officers and all members were installed at this time.

The next event was the Language Clubs'

Party. Along with the other clubs, the French Club went Christmas caroling at St. Vincent's Home, then returned to school for the party.

To close the year, the group went to Lakeview with money earned from fund raising.

## German Club

The first installation banquet for German club in many years was one of the traditions begun by this year's active German Club. The Club, advised by Mr. Charles Horlak, hopes to travel to Germany next year.

Who can forget the smorgasbord at Lakeview, or the Spring Game Night, or even the Christmas Party?

What about Mr. Horlak's famous in-class candy sales, or the line we'll never forget: "Wir haben einen Boden."

## Typists for Teachers

Typists for Teachers is an organization designed to give students an opportunity to work for a teacher on an individual basis. Students involved help the teacher with typing, filing, and other clerical duties. TFT enables the members to experience what it is like to work for an employer — working under pressures and producing material that will actually be used.

## Biology Club

"Grab that cat!" is one of the expressions you would have heard at a Biology Club meeting when members are hard at work, dissecting a cat. As the club's 14-year advisor, Mr. Brent Wolford, put it, "By dissecting a cat, an individual will learn more about the inside of their own body."

Members of the club also dissected small sharks. They have conducted genetic surveys and have done projects on many topics that have interested them.

Other activities included sponsoring of bake sales and candy sales. The profits were used for the group's annual trip to the Ontario Science Center.

# Boys' D Club

Boys' "D" Club, the organization for boys with letters in sports, experienced another successful year under the direction of Coach Stuhlmiller.

Leading the exceptionally large membership this year were President Pat Gavin, Vice-President Kris Sosinski, Treasurer Mike Katta, and Secretary Kevin Muldowney.

One of the group's major activities each year is running the refreshment stand at football and basketball games. This year the "D" Club traveled to Buffalo for a Bills game and a Sabres game. They also went tobogganning with the Girls' "D" Club.

## Broadcast

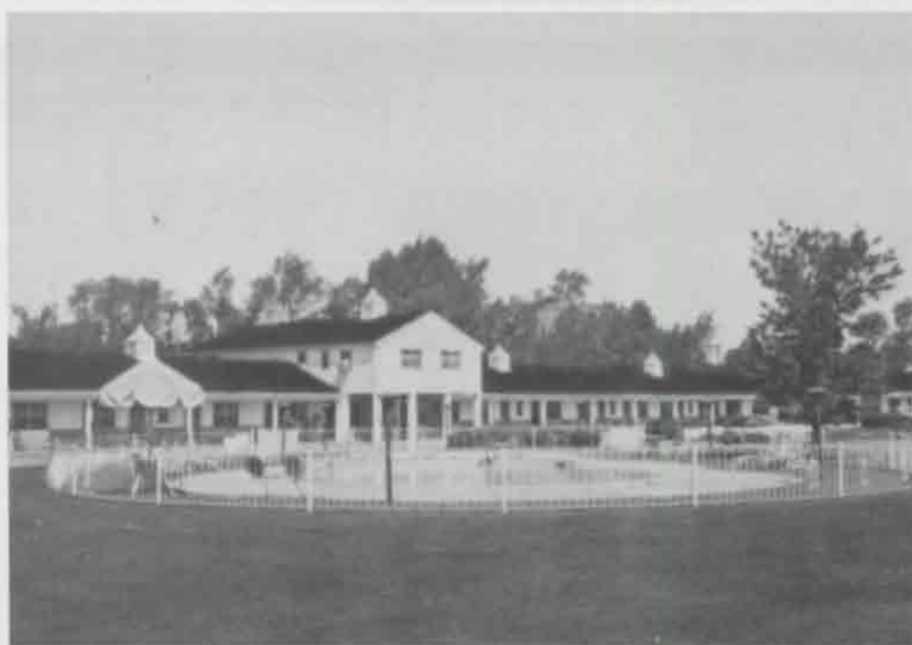

English teacher Mr. Michael Bernet replaced Mr. Richard Valvo as advisor for this year's radio program. More features and news from local area schools and special sports commentaries from senior Ken Gula were presented. The format of biweekly shows was made more flexible, with one memorable program being a special Christmas show with local children.

## Citizen

The school newspaper went through a year of change. English chairman Daniel Durkin took over as advisor from Mr. Richard Valvo. Mr. Valvo had been the advisor for 15 years.

The paper went to a tabloid format with more emphasis on news-feature stories. Next year's staff attended a summer workshop in Syracuse.

It's certainly been an experience for the entire staff.

## Underclassmen: Our Time Will Come

Take time to talk  
For you may ask of all things  
Unknown to you.

Take time to laugh,  
For smiles relinquish sorrows  
And spread happiness.

Take time to listen  
For you may learn  
From the words of the wise.

Take time to think,  
For all the realm of knowledge  
Is never ending.

Take time to look  
For there is beauty  
In every part of the world around you.

Take time to feel  
For the emotions of your heart  
Often control the reasonings of your mind.

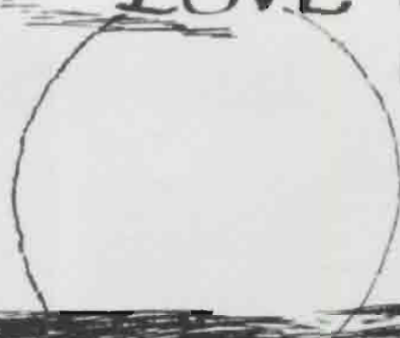

Take time to live.  
For each day is filled with new opportunities  
That will be gone tomorrow.

Take time to dream  
For survival is forever challenging.  
The powers of your imaginations.

Take time to love  
For the sharing of all these things  
Is the miracle of life.

TIME FLIES,  
SUNS RISE  
AND SHADOWS FALL.  
LET TIME GO BY,  
LOVE IS FOREVER  
OVER ALL.

## Juniors: Class of '83

Juniors entered their third year of participation in DHS activities by being involved in many school events.

In looking back on their three years here, the freshman year had begun with the following officers being elected: Molly Wojcinski, president; Paul VandenVouver, vice-president; Steve Sobczak, treasurer; and Karen Dimmer, secretary. Their first Homecoming was looked forward to with some apprehension, but they put forth a good try with their float sporting a huge cookie monster. Their freshman party was also a success.

In their sophomore year, their leaders remained basically the same. Molly Wojcinski remained as president, Paul VandenVouver as vice-president, Ellen

Nalepa became treasurer, and Karen Dimmer stayed on as secretary.

Homecoming saw them make a vast improvement, with their receiving of second place in float competition. Their class party was again a success.

In their junior year, the officers elected in the previous year were re-elected to their positions. Their homecoming efforts again proved to be a success, as they placed first in both the float competition and spirit day. Their award-winning float was "Marauders Ride Like the Wind." Again, the juniors enjoyed their class party, and looked forward to their senior year when they hoped to continue their enjoyment and success as they head toward graduation.

Class Officers Karen Dimmer, Molly Wojcinski, Ellen Nalepa, and Paul VandenVouver

## Sophomores: Class of '84

"The class of '84 will live forevermore!" was a statement this year's sophomores are trying to put into effect by proving their school spirit and by becoming involved in school events.

They started out their second year at DHS by choosing their class leaders as follows: Jan Elias, president; Lynn Wisniewski, vice-president; Lisa Corsi, secretary; and Kristen Colaiacovo, treasurer.

During Homecoming week, the class made use of the theme, "Blast 'em Back in Time," which earned them third place in both spirit and float competition. Elected as their queen was Tricia Seibert, who chose Darren Quandt as her escort.

While not the only other event sophomores were involved in, their class party was much looked forward to and equally enjoyed by those who attended. The entire class looks forward to their next two years at DHS with great enthusiasm.

## Freshmen: Class of '85

This year's freshmen began their first year at DHS by electing their officers. Laurie Mignoli was chosen president, Anne Karin became vice-president, Kathy Wills served as secretary, Julie Grace served as recording secretary, and Debbie Katta became the treasurer of the class.

The freshmen's school spirit was displayed when they won the "Maroon and White Day" early in the year. They had the most students wearing school colors. They also received first place for the most sales in the annual magazine drive.

For Homecoming the class used the theme, "Hit Me With Your Best Shot." Their float was based on the theme, with a football player standing proudly on the field.

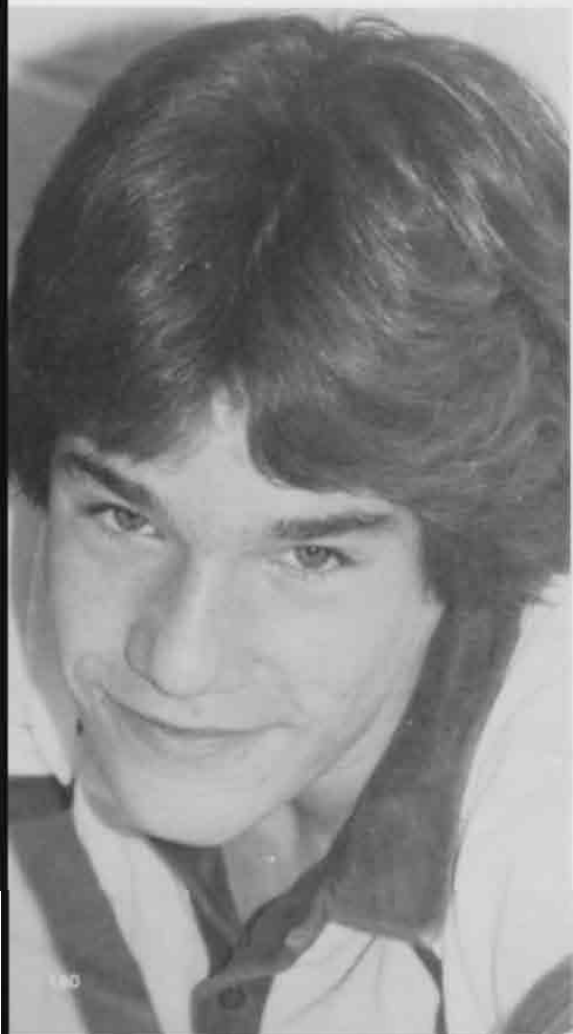

The Freshman Class Party was held later in the year, with "Pallisade" the performing band. It was a huge success.

The class also turned out some outstanding athletes: Larry Wollert (diving), Ron Romance (swimming), Michelle Odel (track), Ed Snyder (football), Paul Salisbury (football), Kathy Wills (swimming), Kim Ruska (swimming), and Laura Watts and Sue Karalus (track).

The class looks forward to their next 3 years at DHS.
