Senior Class History: 1979-1983

Thinking back on our four years of high school, it's hard to put into words all of the special and wonderful times we've had. This will be a brief description of the more important and memorable experiences during our four years of high school life.

We started our freshman year with Molly Wojcinski as president and Paul Vanden Vouver as vice-president. Acting as secretary was Karen Dimmer and Steve Sobczak was treasurer. Homecoming was a fun, but learning experience as we placed fourth in the competitions. The Homecoming Queen was Debbie Azeez and her escort Kyle Tederous. Helping us through that first year was Ms. Wywra and Mr. Nicosia as our advisors. Our freshman party theme was "Closer to the Heart" sporting a Valentine Day theme. With the year ending, we participated in Moving Up Day activities with Judy Bauza as queen.

As our sophomore year came around our leaders didn't change much. Molly Wojcinski returned as president along with Paul Vandenvouver as vice-president, and Karen Dimmer a secretary. Ellen Nalepa was our new treasurer. Our advisors were Miss Wild and Mr. Nicosia. Homecoming was more promising this year. We received second place with the theme, "That's the Way the Huskies Crumble," featuring a cookie monster and "Husky cookies." Wendy Rzepkowski reigned as our Homecoming queen with Robbie Gloff as her escort. Our sophomore party was a fun-filled night with "Celebration" as its theme. Karen Dimmer acted as queen and Scott Bernstein was her escort for this event.

Our Junior year was filled with many new events to participate in. Class officers remained the same. Our advisors were Ms. DeAngelo and Mr. Nicosia. Homecoming has a first place victory for our class, with "Maurauders Ride Like the Wind" being the prize-winning theme. Lisa Miller was queen for this event. Later the Junior class play "Murder in the Magnolias" highlighted the Old South, with hoop skirts, southern drawls, and "murder". "Our beloved German teacher, Mr. Horlak," helped out as an actor in the play. Still later, the Spring Prom was held, using the theme "The Best of Times" and having "Nightshift" as the band.

Senior year began with class officers being elected to serve during the most important year (they are shown featured on the next page). Throughout the year Seniors were involved in activities such as the class play, school musical, spring prom, and most importantly graduation.

This chapter of our life is closed, so we will now begin the new and exciting events of our future as adults. We will always remember the good times of our high school life and be able to look back on the chronicled events throughout this book.

After receiving the National Merit Letter of Commendation, it is no wonder why **BILL GUNTHER** was voted "Most Likely to Succeed." Bill's high rank in his class was also shown by the fact that he is a member of the Honor Society and has participated on the school's "It's Academic" and "High School Bowl" teams.

As for other activities, Bill is a member of the jazz band and is the trumpet section leader in the band. He was selected to play in the Chautauqua all-county junior and senior bands and also competed in NYSSMA competition. He was also a member of the computer, biology, and German clubs.

Outside of school, Bill enjoys listening to obscure kinds of music, playing Dungeons and Dragons, and reading and writing science fiction and fantasy stories.

Bill plans to attend UB to study nuclear physics and pursue a career in that field. In considering his future, Bill noted Dostoyevski, quote, "I don't want millions, I want answers to my questions."

By looking at her high school activities and future plans, it is very obvious why her classmates selected **MARY WHEELER** as "Most Likely to Succeed." Mary has proven herself an all-around student: academically, she has achieved an excellent average, ranking in the top ten of her class. She is a member of the National Honor Society, served as a Girls' State Delegate, participated in Conceptions in Dialogue, and on the High School Bowl team.

She also held offices in Computer Club and Girls' D Club as secretary and treasurer respectively. She has earned varsity D's in Girls' Basketball, Volleyball and Track. She also served as homeroom representative of the student council in her Junior and Senior years.

Mary plans on going into engineering and attending either West Point or Princeton University.

Mary commented, "I think the best way to sum up my philosophy is the old quotation, 'If at first you don't succeed, try, try again.' I think it has helped me a lot through high school, and I'm sure it will later on."

"Why are there so many songs about rainbows,
And what's on the other side?
Rainbows are visions, but only illusions,
And rainbows have nothing to hide

So we've been told, and choose to
believe it;
I know they're wrong, wait and see.
Someday we'll find it, the rainbow
connection,
The lovers, the dreamers, and me."

Who said that ev'ry wish would be heard

Somebody thought of that, and someone
believed it,
Look what it's done so far.

What's so amazing that keeps us star-
gazing
And what do we think we might see?
Some day we'll find it, the rainbow

This fun loving guy with excellent grades deserves to be known as the "Most Intelligent Male." ANTHONY VICARI found time in his busy high school life to maintain a very high scholastic record. He participated in many clubs including Biology club, Computer club (in which he was Vice President), and German club (also as Vice President). He has also participated on the High School Bowl team and was in the National Honor Society.

Tony was also very active on the soccer and tennis teams, lettering in both sports.

Tony's hobbies include reading and playing Dungeons and Dragons-a game in which much mind skill is needed.

He plans on attending college for engineering, or math and science.

Good grades and a dedicated student describe **BONNIE DOUGHERTY**, voted "Most Intelligent Female." Bonnie has worked very hard to get good marks but she also has had time to make the most out of high school. Besides being in the Honor Society, she has also been in the French Club, Biology Club, Marauder 3R, written for "The Citizen," wrote the "Happenings at DHS" column in her Senior year, and was on the High School Bowl Team and Its Academic.

Bonnie had the honor of receiving the Rensselaer Award for outstanding ability in mathematics and science.

Other than her studies, her hobbies include reading, bicycle riding, and playing flute and piano. She played flute in the band, achieving the first flute position. She also tried her hand at acting and had roles in various school plays and musicals. In addition she participated actively in chorus, attending many choir functions.

Bonnie plans on attending college to take courses in computer science or mathematics and science.

Bonnie is quoted as saying "Just like anything else, you get out of high school what you put into it. There are all kinds of opportunities out there for anyone who looks for them. Find them and enjoy yourself."

One of **MOLLY WOJCINSKI's** favorite quote is, "Each moment of the year has it's own beauty, a picture which was never seen before and which will never be seen again." This appreciation of beauty is reflected in her talents as a artist and proves why she has been elected as "Most Artistic."

In addition to being artistically talented, Molly is very athletic. She has lettered in basketball, (in which she received the Booster Award) swim team, volleyball, and softball. Molly was also a cheerleader in her freshman year. Because of these achievements, she is a member of the Girl's D Club, and was elected a s president in her junior year.

Molly's other school activities include being elected Class President during the four years of high school, participating in the Pep Club, Student Council representative, and being chosen as member of the National Honor Society, serving as secretary in her senior year, and being elected Junior Prom Queen as well as Homecoming Queen.

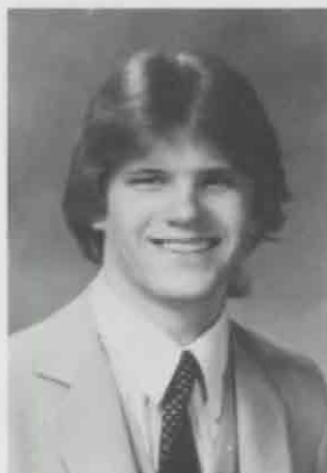

In her future plans include attending college to become a physical therapist.

Outgoing, energetic, and talented describes the class of 1983's "Most Artistic" senior, GARY WOROSZ. Gary's art accomplishments include winning two blue ribbons at last summer's county fair. For the royal wedding of Charles and Diana, he painted a picture of them and sent it as a wedding present. In return, he received a signed Thank You letter. In addition, Gary has done a great deal of art work for the class including homecoming and class parties. In his senior year he served as Art Editor for the yearbook.

Besides his artistic involvements, Gary's major duties for his senior year were these as Vice-President of his class, in addition to being Art Editor, he is layout editor for the yearbook. In past years, he had a lead in the Junior class play "Murder in the Magnolias".

Gary's hobbies outside school included reading, skiing, playing the piano and organ.

After high school, Gary plans to attend Pittsburgh Art Institute to major in commercial art.

An outgoing super energetic person, **KIMBERLY DERIDER**, has been voted "Most Dramatic Female" of the class of 1983.

To receive such a distinction, one must be a very active person, and Kim is just that kind of person. She has been in all of the school musicals, playing many different roles. Her first lead role was in the Junior class play, "Murder in the Magnolias," in which she played a very funny "demented Southern belle." She was also General Matilda B. Cartwright in *Guys and Dolls*; Head of the Missionary.

Other than acting, Kimberly's other interests are singing and writing, especially poetry. Within school, she has been involved in many functions and activities, including French club, Marauder JR, Biology Club, "Citizen" staff, Earth Science Club, Student Council representative, and Secretary of the Computer Club. She has also participated actively in Choir attending NYSSMA, Area All State, Chautauqua, various solo performances, and participating in small ensemble group.

In her Senior year alone she has filled the positions of Copy Editor for the 1983 yearbook, Program Manager of High School Highlights, while at the same time worked at Tops supermarket as a cashier.

Kim's future plans include college, where she wants to major in Business Administration and minor in Marketing and Sales.

To sum up her outlook on life she quotes Richard Bach, who stated "You have the freedom to be yourself, your true self, here and now, and nothing can stand in your way." She certainly has proven herself a firm adherent of that message.

JOHN KUCMIERZ was well-deserving of the title, Most Dramatic Male of the class of 1983.

John, or "Gonzo" as his friends call him, has proved himself as a person who knows the stage crew, lighting crew, and cast member of many of the plays at Dunkirk High. Gonzo's first big-break was taking on the role of "Nicely-Nicely Johnson" in the musical, "Guys and Dolls". He showed everyone he could act and sing.

His second lead role was in the Junior class play, "Murder in the Magnolias", where he played an evil sheriff.

In John's Senior year, he took on the position of Student Council President and did a fine job as a leader.

His future plans after graduation include attending the University of Buffalo and receiving a Master of Architecture Degree.

Being a multi-talented musician, there is no doubt why **LAURIE KAWSKI** was elected Most Musical Female." The basis for this selection was her accomplishments as a pianist, flutist, and vocalist. She was a member of the band and chorus, was chosen to participate in an All-County Orchestra, an All-County Band, an All-County Chorus, and the Area-All State Chorus. She also has had a role in the musical "Camelot," as well in the Junior Class play.

In addition to music, Laurie was involved with many other aspects of school life. In her sophomore year, she was elected Secretary of Student Council, and has also been involved with the German Club, National Honor Society, Marauder JR, Ski Club, and High School Bowl. As a senior, she presided as Editor-in-Chief of the yearbook.

Outside of school, Laurie enjoys swimming, skiing, and reading. To earn money, she has also worked as a Summer Lifeguard.

After high school, she plans on attending Rochester Institute of Technology to major in Computer Engineering.

Jeff Julian believes that his everyday life and all his endeavors are governed by this thought by George Bernard Shaw: "No man who is occupied in doing a very difficult thing and doing it very well ever loses his self-respect." Claiming to have found this especially true in his experiences with music, it is easy to see that by looking at the very impressive list of musical accomplishments, there is no doubt why **JEFFREY JULIAN** was elected "Most Musical Male."

Jeff, whose two major instruments are the saxophone and guitar, has been Dunkirk High Band Vice-President, band section leader for four years, a member of the jazz band, has competed in NYSSMA solo competition, played with the Chautauqua All-Country band, and was nominated to the McDonald's All-American Band.

To add to this list of accomplishments, Jeff has also acted in the all-school musical, handles the music show on "High School Highlights," and writes the Concert Review column for the "Citizen."

In addition to this, Jeff has belonged to the Student Council, American Legion Boy's State, Biology Club, German Club, and served as Vice-President of the Honor Society. He also played Junior Varsity basketball, and earned a varsity letter in soccer.

Outside of school, his passion for music continually flourishes. He was formally leader, singer, and lead guitarist of a rock band. His musical tastes vary, but include jazz, fusion, classical, and rock.

After high school, Jeff plans on attending college to study Chemical Engineering.

Who's Who

When talking about "Best Friends," the two names that come to the minds of all Seniors are **WENDY RZEPKOWSKI** and **ELLEN ZIELINSKI**.

"Ever since we can remember, we've been friends," they have said. "We grew up together since we're neighbors." Being friends, Wendy and Ellen have many common interests: boys are first on their list! They have been cheerleaders, volleyball players, active members of the Senior Class, and many other things, as well. The girls love to go shopping together, as well as dancing, vacationing, swimming and partying.

Wendy and Ellen prove that "best friends" do exist. To sum up their friendship, they have chosen a quote by Hugh Prather to show it: "We need other people, not in order to stay alive, but to be fully human, to be affectionate, funny, playful, to be generous."

GENA CAMPESE has been voted "Most Attractive" for the Class of '83. This is a well-deserved position for her.

She is very interested in gymnastics. She performed in the all school musical "Camelot" as a gymnast. Gena participated in The Variety Show doing a solo mime and gymnastic act. Also, to keep limber and in shape for gymnastics, Gena enjoys exercising.

She is part of a very large and close family and she enjoys being with them and participating in family sports.

Gena had an exciting and busy summer working with her father and traveling. She visited places such as Connecticut, Delaware, Washington, D.C., Maryland, Virginia, New York City, and Syracuse.

After graduation, Gena plans on taking a year off to travel. Gena will then attend college to major in business.

JAMES MICHAEL GOULDING (better known as "Spike") was an easy choice for "Most School Spirit." Almost always found behind his camera, he can be seen taking many unexpected pictures.

His hobbies include photography, cross country skiing, orienteering, blades, singing, acting out a game called Dungeons & Dragons, and acting.

Spike has had an active career in the theater as well. He had a lead in the Junior Class play "Murder in the Magnolias," the Senior Class play "The Spiral Staircase," and 3 school musicals. He also played the part of Peter in "The Diary of Anne Frank" at the Depot Playhouse.

In school, he participated in the Honor Society, the school newspaper, Stage Crew, the yearbook (Chief Photographer), played soccer for 2 years and was a member of the Mixed Chorus for 4 years. Spike was an active participant in Choir, going to All-State sectionals and Chautauqua, plus other functions. He was in the Band during his freshman year.

He plans to go to college to pursue communications, photography, acting and geology.

Spike's favorite quote is "Fear nothing, respect all." In view of his "Spirit" it can be said we all have much respect for him!

After starring on the football team, **KEN DELAND'S** classmates chose him as Mr. DHS. He has played football for three years, gaining varsity D's and rushing for outstanding yardage. Not only did the school give him recognition, but also he was on WKBW's Super 7 of western New York, the first from this county.

Besides football, Ken has lettered in track and is a member of the Boys' D Club.

In his spare time, Ken enjoys hunting and fishing. He plans on attending college after graduation.

Debbie Grant

Kevin's good looks and well-toned athletic build proves why he has been elected "Most Attractive" by his senior class.

KEVIN WOROSZ has been a vital asset to Dunkirk's Athletic Department. He has participated on the basketball team for four years. Playing the position of forward has earned him a Varsity letter. Kevin has played on the D.H.S. baseball team for three years, lettering in this also. He served the important positions of 1st base, 3rd base, pitcher, and catcher. He again lettered in football, playing both in his sophomore and senior year as a tight end.

Kevin states "I really don't have much time for anything else with practice," but in the spare time he can acquire, he enjoys hunting, fishing, and playing ice hockey.

In the future, he plans on attending college to major in administration and management or athletic training.

There is no doubt why **MARY BARTKOWSKI** was voted "Most Athletic Female" of DHS. Mary has played varsity volleyball, basketball, and softball for 4 years. She was also chosen to play for the Divisional CCIAC All-Star 1st team in volleyball in '80, '81, and '82, the 2nd team in basketball in '82, and the 1st team in softball in '81 and '82. Mary's belief is "it takes a team effort to have a winning season since there is no 'I' in the word team," and this is proven by her accomplishments.

Mary also holds the presidential office of the Girls' D Club and has been a member for four years. She has also been a member of the French Club, Biology Club, Marauder J R, Honor Society and Student Council.

After high school, Mary plans to attend Newbury College in South Carolina with an athletic scholarship, majoring in medical laboratory technology.

One of this year's most active seniors, **DARCY DIETEMAN**, has been involved in most phases of high school life. This year she is serving as corresponding secretary for her class. She has also been a member of the French and Biology Clubs, Honor Society, Marauder J R, and reigned as Miss Murray Hose. She also served as cheerleader for three years.

In music and drama, Darcy held a supporting role in the Junior Class Play, "Murder in the Magnolias," and participated in the musical "Camelot." Being a talented flutist and pianist, she was also a member of the band and has been in the choir as well. She has attended several NYSSMA solo competitions.

In her spare time Darcy enjoys reading, camping, and collecting first day covers.

It is easy to see why **LAURIE DEMONTE** was voted "Most School Spirit." An active participant in school activities, Laurie could be seen at many sports and school functions. She was a cheerleader for football and basketball for 3 years, Biology Club Vice-President, and was a member of the Mixed Chorus for 3 years, acting as President in her third year. Laurie has also participated in Marauder J R, and had a part in the Junior Class play, "Murder in the Magnolias." Her hobbies include bowling and singing. Laurie plans to go to college to pursue a career as a Medical Secretary or Medical Transcriber.

DEBBIE YACKLON's classmates feel that she represents DHS the best in her class, thereby being voted "Miss DHS" of the Class of '83.

Her pride and spirit for the school was proven by her being a cheerleader for her four years at Dunkirk. She served as captain of the junior varsity squad in her sophomore year and also for varsity in her senior year.

When she's not cheering for our Marauders, Debbie enjoys jogging, baking, and water skiing. After high school, she plans to enter the secretarial field.

There is no doubt why **STEVE SOBCZAK** was elected most athletic male of DHS.

Steve has participated in many of Dunkirk's highest acclaimed sporting events and excelled in all which he partook. Steve has played football for 4 years, being chosen for first team CCIAC all-star split end in 1981. He has also played Baseball for four years, twice being chosen for second team CCIAC all-star playing short stop in 1980, and captain in 1981.

Also among the list of sports, he has also played Basketball three years, and swimming one year.

Steve also has been a member of D-Club (President in '82), Key Club, and Stage Crew. In his leisure time, Steve enjoys Tennis, Golf, Snow Skiing, Water Skiing, Hunting, Trapping, Fishing, Camping, and most all outdoor sports.

After high school, Steve plans on attending college, possibly majoring in Biology and or Forestry.

Seniors: Accomplishments, Interests

Seniors have always displayed far ranging interests — from eating a six-foot long bomber sub to being involved in military interests. Some find achievement scholastically (see Honors page), while others do so in the athletic field or musical areas. Whatever their interests may be, those involved helped prove that variety in life certainly lives on at DHS.

Senior Ken DeLand receives the "Super Seven" award from Clip Smith of Channel 7.

Members of the school who participate in a local hockey club line up for a picture.

Senior Ken DeLong could often be seen this year in school wearing his army fatigues, showing the growing interest by some students in the military life they plan to join.

A small ensemble group was formed in choir, with the girls in it performing such songs as Simon and Garfunkel's "Scarborough Fair", John Lennon's "Imagine" and "Elvira." The group performed at the Spring and Pops concerts as well as making appearances at the middle school and elementary school. The group was formed by Kimberly DeRider, was directed by Mrs. Ruth Mohny, and was made up of Sandy Gould, Kimberly, Melanie Gilray, Laurie Kowski, and Mary Ruge.

Senior Gary Pleva, surrounded by others interested in gorging on a six-foot long sub, prepares to be the first to sink his teeth into a slice of the sandwich.

A RAINBOW CONNECTION

Seniors on the Move

Seniors found a variety of ways to be "on the move," ways ranging from bicycles to trucks. Seen here with a variety of their "wheels" are Tammy Corbin and her truck (top), Rich Kendorski resting on a cycle (left, middle), Scott Gaszynski and friend with their trucks (middle, right), seniors jamming a car (left, bottom), and bikes and mopeds awaiting their owners.

... and on the Job

Seniors also found time to make extra cash, finding themselves in a variety of positions.

Working at Bells were Nancy Halasinski, Ann Waterman, Lisa Lyman, and Amy Dopler. (Top) Co-workers Tom Kaus and Molly Wojcikowski pause at their jobs at Quik Stop on Lake Shore Drive (left, middle).

Ponderosa Steak House is one place of work for Seniors Denise Mujka, Bill Bulzer, Tina Wlodarek, and Mike Sytnians (middle, right).

Finally, Julie Woloszyn pauses in the corridor at Brooks Hospital.

SPORTS: A RAINBOW OF SPIRIT

Fall Sports: Varsity Football Comes Close

The DHS Varsity Football team had a great 1982 season, finishing with a 7-1 record. That record earned them a second place finish in Division VI.

The team opened on the road, defeating Lake Shore 21-13. Two crushing victories over league opponents set the stage for a meeting with unbeaten Salamanca. The Marauders lost that heartbreaker before over 4,000 people at Salamanca, 16-14. Undaunted, the Marauders shut out their last four opponents, including a 13-0

whipping of Fredonia in blizzard-like conditions.

The Dunkirk defense was the best in school history, shutting out five opponents and not giving up a single point at home. And also the best in school history was senior running back Ken Deland, who set the single season rushing mark with 1,255 yards.

Other graduating Seniors who excelled on the team were Mike Porpiglia, Kevin

Worosz, Ed Balzer, Keith Dow, Chris Bomasuto, Ed Sosinski, Steve Sobczak, Bill Carlson, and Bob Ozga.

Underclassmen who starred were Bill Rozumalski, Ken Duliba, John Buchanan, Chris Lanski, and Gary Katta.

Dunkirk came within one game of going to Rich Stadium. It was almost a perfect year, but with a slew of talented regulars returning, maybe next year that goal will be reached.

Homecoming took place this year on October 23rd; tradition, however, was changed somewhat. Instead of having spirit week, a spirit day was held on Friday, a day on which class skits, underclassmen queens and escorts, and Senior queen candidates were introduced.

Seniors went "on strike" this year and did not fully participate in true DHS tradition. A float was made (after much deliberation) entitled "Marauders Have the Magic Power;" it held a magician, crystal ball, playing cards, and a magician's top hat and wand. Seniors received second place along with third place for spirit. The skit consisted of the entire class singing "Magic Power" by "Triumph," then giving their own opinion of the "short-changed" homecoming events by throwing pennies onto the floor.

Molly Wojcinski was chosen Homecoming Queen with her escort being Peter Gilray. The Homecoming court consisted of Ellen Zielinski, escorted by Ryan Corbett, and Lisa Schrantz, escorted by Scott Taylor.

The Junior class received third place in the float competition with the theme "No One Can Stop Us Now." It centered around the cartoon character Ziggy and his dog. They also received second place in the spirit competition. Their queen was Georgia Tederous, escorted by Bill Ruge. Their skit included a dance to the song "Eye of the Tiger."

The class of 1985 received first place with their float's theme "Make the Trojans Walk the Plank." It was a huge pirate ship; their skit complimented their float, since it was a dance acted out to the song "Sole Survivor." They also earned first place in spirit. Their queen was Michelle Miller with Paul Gavin as escort.

The Freshmen showed a valiant effort for their first homecoming. Their float had the theme "Maurauder Connection," which included a huge rainbow. Their skit was a short play with Miss Piggy and Kermit the frog. The queen was Melissa Patterson and her escort was Gary Voss.

Of most importance, however, was the fact the Dunkirk Marauders won the homecoming game with the score of 27-0 against the Southwestern Trojans. Senior tailback Ken DeLand was the star player, pushing his seasonal rushing yardage past the 1000 yard mark. He rushed for 265 yards on 27 carries. He scored 3 times on runs of 3, 42, and 45 yards to push his seasonal point total to 84 points on 14 touchdowns. Other players who contributed greatly to the winning effort were Senior Steve Sobczak, Kevin Worosz, and Junior Chris Lanski and Bill Rozumalski.

Later that night, after the game, a celebration dance was held, with the music supplied by "Jade."

Memories of homecoming . . .

Soccer Team Betters Record

First year coach Jim Findley's soccer team went through a tough season and ended with a 3-7-1 record.

Dunkirk's high scorer was Pete Gilray, who served as co-captain. Also serving as co-captain is senior Ryan Corbett who put forth a fine effort for the team. Defending the goal for the Marauders was junior Mike Gugino, and serving as backup is sophomore rookie, Kyle Gaszynski. Other seniors supporting Dunkirk's effort were Jeff Williams, Angelo Rosario, Tim Gugino, Mike Lehnner, and Tony Vicari.

Soccer is a relatively new sport to Dunkirk and this year's team is much improved from last year. Coach Findley hopes to return next year and with his experience to improve the team next year.

The DHS Varsity Volleyball team ended their 1982 season with a 4-6 record. Under the direction of Coach Jeff Cook, (a Shop teacher at the Middle School) and Co-Captains Ellen Zielinski and Mary Bartkowski the girls had a good effort in keeping up with last years team.

The Varsity Squad consisted of an all Senior team. All the players gave an excellent effort this year. Outstanding players were Mary Bartkowski and Ellen Zielinski scoring the majority of the points.

Cross Country

The Dunkirk High School Cross Country team finished the 1982 season with an overall record of 20-5, and placed second in the Chautauqua — Cattaraugus Championship meet at Fredonia State October 29.

The Harriers, coached by Mr. Dick Dudzic, had an excellent season reigning victorious over Olean (32-44) and Frewsburg (26-62) among others, while falling to a strong Fredonia team 25-44.

The D.H.S. Senior Duo of Mike Symans and Steve Mekus led the team, finishing second and third, respectively, in the championship.

Freshman Dave Fischer also contributed important places throughout the season. Symans, Mekus, and Fisher went on to race in Sectionals.

Rounding out the team were Mike Perez, Jeff Baldwin, Jesse Rosario, and Ray Rolon.

The J.V. team also did well this year, taking fourth place in the Chautauqua — Cattaraugus Championship meet. Running for Dunkirk were Duane Clement, Todd Palmetier, Julio DeJesus, Paul Wysocki, Joe Mucha, and Michelle Odel.

Mike Symans and Steve Mekus finished tenth and eleventh overall in Sectionals, running in Sectionals, running in five inches of snow and twenty-eight degree temperatures. Because of his outstanding running, Symans has also been invited to compete in a Run-of-Champions meet sponsored by the Checkers Athletic Club of Buffalo.

Lady Swimmers Have Good Season

The girls' swim team under 2nd year coach Kathy Findlay finished the 1982 season with a record of 4 wins and 5 losses. A close losing meet against Fredonia was declared "no contest" because of an official's error.

Five of eleven records were broken this year. Kathy Wills swam to four school records in the 200 free (2:06.63), 100 free (1:57.67), 100 Fly (1:04.4) and 400 free relay (4:08.44). Kathy was undefeated in Fly this year. Kim Ruska broke her own school record in 100 breast-stroke (1:13.68) and finished her second undefeated season. Ruska and Wills were joined by Meg Elias and co-captain Kris Nopper to form the record breaking F.R. Team.

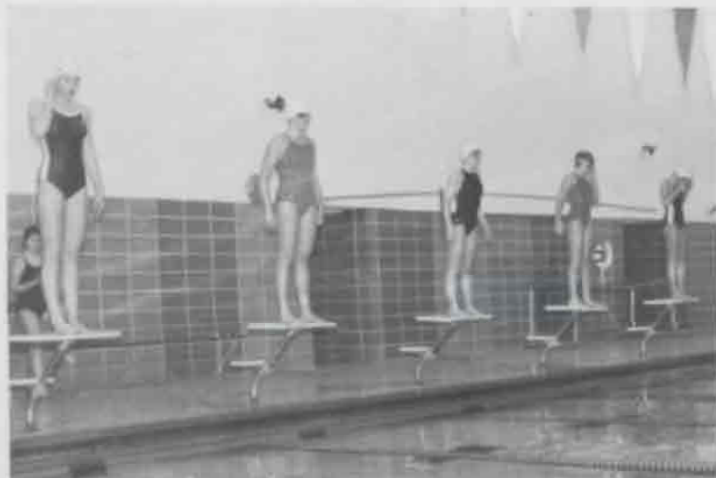

Anne Karin brought in important points in the 200 free, as did Josie Rosie in 100 Fly and 200 IM. Kitty Lyons also had a fine season in the 500 free. Co-captain

Leanne Price and Debbie Karin both fared well in the 100 Breaststroke. Diving for Dunkirk this year were Julie Grace, Mandy Kubera and Robyn Cooper.

In sectionals, Ruska placed tenth in Breaststroke and Wills placed fifth in both Fly and I.M. The Medley Relay of Sue Rusch, Ruska, Wills and Nopper also competed in Sectionals.

JV Football

The Dunkirk High Jayvee team suffered a tough season, ending up with a 2-6 record. The Marauders lost many close decisions, and in each looked impressive.

They were led by an impressive backfield including Ed Snyder, quarterback; Scott Szalkowski, fullback; Paul Salisbury, wingback; and Ed Pagan, halfback. These backs were helped by a strong line led by Jim Michalski, Rod Sheridan, Pete Fischer, Brian McCarthy, Jim Uszacki, and Mike Kuzdale.

The Marauder defense was tough and usually kept the Marauders in the game, but gave up a few big plays.

Coaches Paul Salisbury and Larry Perdue impressed with the teams performance, but this year the breaks went the other way.

Winter Sports: Varsity Boys' Basketball

The Dunkirk High School basketball team once again fielded a very competitive unit this year, accomplishing a second place finish in the CCIAC. Coach Bob Wisniewski won his 100th game as a coach, and his coaching led the Marauders to many close victories. Dunkirk was undefeated at home, where they were

supported by very boisterous fans. Included in these wins were victories over league-champ Salamanca and rival Fredonia.

Larry Klajbor had an outstanding year, winning the Roger Moore trophy and providing leadership for the team. Dennis Lockett provided his scoring, and Kevin

Worosz provided a solid inside game. Brothers Charlie and Michael Butts were consistent defensive players. Darin Moreland and Tom Alessi were fine players coming off the bench.

With many fine players returning next year, Dunkirk will undoubtedly be a top contender again.

The Girls' Varsity Basketball team, under Coach Paul Olkowski, won their first CCIAC Division I basketball championship this season. With an overall record of 16-1 and an unbelieveable 11-1 in league play, the Lady Marauders will go down in history for their superior playing.

Quickness, experience, and team effort combined to produce an outstanding season. The Lady Marauders took home the team championship trophy in the Fifth Annual Chautauqua County Basketball Officials Association Invitational Tournament. Senior Molly Wojcinski, most valuable player, and Junior Kris Nopper were named to the all-tourney team. Molly was also the all-time girls rebound leader in girl's basketball and had the most points in one season.

The rest of the spectacular team included Seniors Amy Dopler who was an all-time scorer, Mary Wheeler, Mary Bartkowski the all-time assist leader, Lisa Kozlowski, and Debbie Grant. Also on the team were Juniors Mary Gavin, Donna Nasca, Lori Ozga, and Cheri Michalski.

The Lady Marauders are congratulated on their excellent team performance in their victorious season.

Wrestlers Improve Season

In the 1982-83 season, DHS wrestlers improved their record from 8-6 last year to 9-5-1 this year. Being led by coaches Jim Leamon and Tom Rozumalski, the Marauder grapplers had their best season ever.

Co-captains Louis Fred, Ed Ruiz and Jim Leamon all had outstanding seasons, along with Chiro Fred, Ed Quiles and Joe Martinez. Robert Ozga and John Walen had winning seasons. Senior Louis Fred won 27, lost 7, and tied 1 while taking first at the Fredonia tournament, third at the Falconer tournament and fourth at the League Tourney. Junior Ed Ruiz took first at Falconer, fourth at Fredonia and League Tournaments and sixth at the Olean Tournaments and sixth at the Olean Tournament while having a 25-5 record. Junior Jim Leamon had a 23-11 record and took third at the League Tournament along with fourth at the Falconer Tournament. Freshman Chiro Fred was 26-7 and took second in the Fredonia Tournament and a fourth at the League Tournament while having a 21-6 record. Quiles broke a school record with a 12 second pin. Joe Martinez, who had a record of 21-12-1, took seconds at Falconer and Fredonia and sixth at Olean.

DHS racked up a total of 117 pins in which Ed Ruiz led with 13. Greg Buckley, John Walen, Norm Odebralski and Bob

Ozga have improved greatly from last year and Roger Brungarner, Tim Halmark, Kevin Boyd, and Angel Echavarria are hopeful newcomers. Seniors Carlos Serrano and Ed Balzer were also a help.

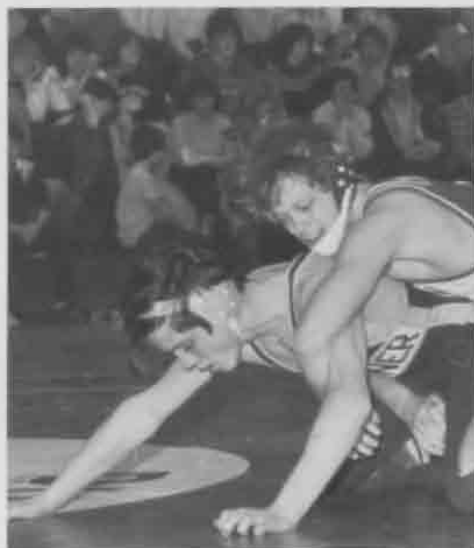

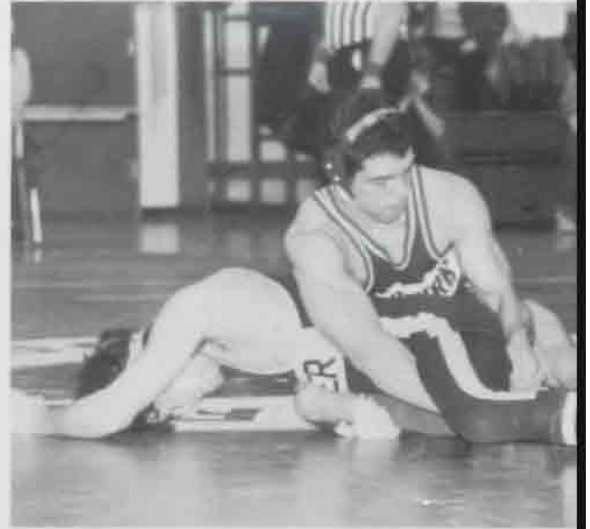

Next year looks even better for the Dunkirk Wrestlers. There are only three graduating seniors on this year's team. There will be plenty of talent and experience for next year's team.

Boys' Swim

The Boys Swim team, under second year coach Carl Richter, ended the 1982-1983 season with an 8-7-2 record.

Although only one record was broken, that of the 100 yd. Breaststroke (1:05.34) by Larry Wollert, the team had alot of depth this year. Bringing in top honors for the "Maroon Wave" were; Wollert (200 medley relay, 350, 100 Free, Breaststroke, Diving); Co-captain Ron Romance (200IM, 200 MR, Breaststroke); Steve Sobczak (50, 100 Free, 200 MR), Jeff Baldwin (200, 500 Free, 400 Free Relay), and Mike Revenew (200 MR, Backstroke).

Also, Thom Thompson, Chris Maternowski, Jay Szwejbka, Mike Haynes, and Tom Carlson. Both Tim Gugino and co-captain Mike Gugino have greatly improved their breaststroke, as has Bill "Rat" Carlson in diving.

D.H.S. graduates five seniors, but looks promising for next year with freshman Maternowski, Gary Sobczak, Jon Szwejbka, Fred Mackowiak, Steve Haynes and Jim Will. Future hopefuls also include upcoming eighthgraders Bruce Thompson, Pat Revenew, and Marshal Thompson. Team manager was Kyle Kubera.

Baseball: A Winning Season

The 1982 DHS baseball team was a 10-2 Powerhouse and CCIAC league champion with an overall record of 19-6, the third best in school history. Mr. Al Stuhlmiller served again as coach, his 26th year.

All members contributed to this effort, with Ken Duliba being voted most valuable player at season's end. Duliba served as pitcher (4-1 on the mound), and left fielder with a .378 batting average. Also contributing was Steve Sobczak, another pitcher (3-0 on the mound) and shortstop, who had a .393 batting record. His effort earned him the Boys' Booster award.

Senior Tim Alessi, with a .465 batting average, had 30 runs scored and shared the top spot in RBI's with 20. Brother Tom Alessi (.365), Senior Mike Porpiglia (.391), first baseman Rick Kendorski (.358), Pitcher John Buchanan (6-1 on the mound and a (.432) batting average) all helped in the winning effort.

With a good number of experienced players returning next year, another good season is hoped for.

Boys' Track: Champs Again

The Dunkirk High Track Team shared the CCIAC crown with Fredonia this year. The Marauders finished with the best record of 5-0 league, but finished with a disappointing second at the county meet. Dunkirk's only defeat came to non-league foe Jamestown in their first meet. Perhaps, Dunkirk's greatest meet of this year was its 71-70 victory over arch-rival Fredonia.

On this year's squad there were three records broken: Senior Kevin Renckens broke the school record in the Intermediate hurdles with a time of 57.5. Renckens was also crowned the Western New York champion in this event and traveled to the state meet to compete. Another Dunkirk competitor who went to the state meet was junior Larry Thomas, who broke the school record in the 440 with a time of 49.1. Other juniors who were outstanding were Jeff Williams, a 20'11" long-jumper and a 42'10" triple-jumper. Ken DeLand was also a star in the jumps, recording a 20'4" long jump. These two along with their classmate Terry Buchanan and senior Rod Lyons formed the school record holding 440 relay team with a time of 44.1. Renckens and Lyons were the team captains.

They went to the sectionals and worked their way up to the super sectionals only to be defeated by Niagara Wheatfield.

Leading the Lady Marauders in batting averages were Mary Bartkowski (.513) and Amy Dopler (.431). Bartkowski was awarded the MVP award and Julie Deland received the Booster Award.

JV Baseball

So close, yet so far. The Dunkirk JV's lost some close games, yet always came back strong another day. They never gave up. As a result, Coach Bill Walters' young team finished 14-8 on the year.

Mike Lammattina was a consistent hitter and pitched his way to a 5-0 record on the mound. Bill Rozumalski provided good power hitting in the clutch.

This young team played well throughout the year. That shows that Dunkirk baseball has a bright future in the coming years.

Honor Society

The National Honor Society of Dunkirk High began the 1982-83 year by choosing new officers. Tom Kaus was named President, with Jeffrey Julian chosen Vice-President. Molly Wojcinski was elected Secretary and Chrissy Hoffman as Treasurer. This year also introduced two new advisors to the Society, Mr. Hayes and Mr. Durkin.

In order to raise money for their various activities, the members sold M&M candies.

With the coming of the second semester, the Honor Society began a tutoring service for students who asked for help with their tougher subjects.

The Induction Banquet was held at the Elks Club for the newest members, where they received their official pins and sweaters.

A trip to Darien Lake was among the plans to end the year.

The Student Council of DHS once again stood for the ideals of good student life. It brought forward school spirit, ideals, and good citizenship. This organization represented the students with responsible leadership. It listened to the students' opinions and tried to answer their questions. It worked in conjunction with staff and faculty, especially Mr. Mancuso and Mr. Warren.

This organization held numerous activities that were a vital function to school life. The officers took care of announcements, held dances, helped in the Computer-Match-up, and many other activities throughout the year.

The DHS Band had to toil through many long hours of practice preparing for the busy year that lay ahead of them. But, as usual, they came through with flying colors.

As is customary, the band performed for the half-time shows at the home football games. They also participated in the annual Halloween Parade, in which they were one of the very few units that had the dedication to march in the pouring rain.

The highlight of the year was the famous trip to the World's Fair in Knoxville, Tennessee. For this special occasion the band wore their new uniforms which were handed out in September.

The Jazz Band received much acknowledgement this year as they played for one of the Buffalo Stallions soccer games in February.

Among the hustle and bustle of the usual Christmas, Spring, and Jazz concerts, the members of the band were busy with NYSSMA competition, parades, and the annual Chautauqua County Music Festival. Altogether, it was a very successful year.

In addition to regular bi-monthly meetings, the German Club sponsored several bake sales, and sold candy at the home basketball games. They also participated in a tureen Christmas dinner in conjunction with the French and Spanish clubs.

The year's activities were ended with the annual smorgasbord dinner at Lakeview in the Spring.

The club also is hoping to make plans to travel to Germany next year to put their German to the test.

French Club

The French Club had a very active year participating in many new projects. Mr. Edward Kolodziej, Advisor, allowed members an excellent experience this year. The club ventured to France and England. About thirty students visited the famous Loire Valley, and Paris, France.

Sightseeing included visits to many beautiful chateaux, and monuments such as the Eiffel Tower and the Arc de Triomphe. They also attended a theater performance in England. The group spent eleven days traveling and everyone received enough happy memories to last a lifetime.

Other activities included guest speakers lecturing to the French classes. The speakers gave a sample of French living such as food, music, and various customs. They also attended various parties during the year.

Mixed Choir

The DHS Mixed Chorus had another successful year. Under the direction of Mrs. Ruth Mohny and Accompanist Mrs. Mary Matteson, the choir put on their three annual concerts.

The Christmas Concert was an excellent opportunity for many students. Students Molly Anderson, Virginia Miller and Craig Notté each accompanied the chorus on piano. A small group aided the chorus on the song "Silent Night." The group consisted of Kimberly DeRider, Laurie Kowski, Lisa Miller, Virginia Miller, Deborah Repert, Marilena Shiverone, and Sonya Worosz.

There was also the traditional Spring Concert and Pops Concert, which gave the choir the chance to get away from their traditional songs and sing various jazz and ragtime. The choir and audience have learned to look forward to this "foot tapping" event.

Certain students participated in the annual functions such as the NYSSMA Solo Competition, Area All-State Festival, and ensemble festival at Brocton Central School and ending the year with the Chautauqua Festival. The whole choir also gave a few local performances.

An added attraction to the concerts was the return of a small ensemble group. They performed at the Spring and Pops Concert. The group consisted of the Seniors Kimberly DeRider, Laurie Kowski, Lisa Miller, Mary Ruge, Melanie Gilray, and Elida Rivera. They were approximately named The Senior Six. The girls sang popular songs from the 1950's and 1980's.

They participated in the three annual concerts which included the Christmas, Pops, and Spring. They also gave a few local concerts.

They are fundraising to help pay for next year's trip.

Mrs. Mary Matteson was a wonderful new addition to both choirs. Her experience in music includes various lead roles in many musical productions. As a Fredonia State Voice Major she held several roles of importance. She was also a charter member of the Chautauqua Chamber of Commerce Singers. She now teaches piano and voice lessons in her home and is the Organist and Choral Director at Saint John Bosco Church.

She has formerly helped DHS as accompanist for various musical productions.

The Computer Club under the direction of Mr. James Will had a very interesting and successful year. With many fundraising activities the club was able to buy a robot. Robonics is an advancing technology and our school is lucky enough to be involved in such a program.

The members also participated in Game Nights and various field trips.

Other activities include playing bingo every Saturday with Infirmary Members, and a Valentines and Saint Patrick's Day Carnation Sale. A convention was held in the Catskills at the end of the year.

The Boys "D" Club, the club for letter winners in varsity sports, has held several activities this past year. After electing the 1982-1983 club officers of Steve Sobczak as President; Ed Sosinski as Vice President; Rich Corsi as Secretary; and Pete Gilray as Treasurer, a vigorous initiation was held.

The Boys "D" Club sponsored a dance after the Salamanca Basketball game, in addition to going tobaggoning in Orchard Park. At the end of the year, a picnic was held with the Girls' "D" Club.

Juniors: Class of 1984

The Junior Class began their third year at D.H.S. with new leaders. Newly elected officers were Bob Grimm, President; Sean Mackowiak, Secretary; Bill Rozumalski, Vice President; and Mike Revenue, Treasurer. In addition to this male-dominated leadership, Mr. Phillips became the Junior advisor. With the approach of their third homecoming the Junior class showed their spirit with a decorated gym and a float enhancing their theme "No One Can Stop Us Now — Tonight we're on the loose." Chosen to represent their class, the Juniors selected Georgia Tederous and Bill Ruge as her escort for Homecoming.

In retrospect, the class of 1984 began their freshman year with the officers, Jan Elias, President; Margaret Boettcher, Vice President; Lisa Corsi, Secretary; and Kristen Colaiacove, Treasurer. Much spirit was shown during their first homecoming, with the theme "Fame — We're Gonna Live Forever." Toni Ippolito was the Freshman queen, escorted by Ken Duliba. The Freshman party was a big success.

In their Sophomore years, the leaders remained almost unchanged. Jan Elias stayed on as President; Lynn Wisniewski became Vice President, Lisa Corsi remained Secretary and Kristen Colaiacovo was Treasurer. Definite improvements were made during homecoming with the theme "Blast 'em Back in Time" Tricia Seibert was chosen as queen, escorted by Darren Quandt. The Sophomore party again proved to be a success.

The Juniors look forward to their Senior year and graduation with great anticipation.

Sophomores: Class of '85

OFFICERS — L to R: Michelle Miller, Laurie Mignoli, Anne Karin, Lisa Dziduch. Advisor: Ms. Frazier (right picture).

This year's Sophomore Class began their second year at DHS by electing class officers. They are President, Laurie Mignoli; Vice President, Anne Karin; Secretary, Lisa Dziduch; and Treasurer, Michelle Miller. Advisors were Miss Suzanne Frazier and Mr. John Lembke.

The Class of '85 had a surprising Homecoming. This year they won First Place in the float and spirited competition. Their theme was "Make the Trojans Walk the Plank." It was represented with a Pirate Ship and a Trojan walking a plank. Elected as Homecoming Queen was Michelle Miller with Paul Gavin as her escort.

The class party was held in December which was a huge success.

The Sophomore Class is looking forward to their upcoming years at DHS.
