Ceremonies took place on September 9, the season opener of the Dunkirk Varsity Football Team, to rename part of Woodrow Avenue to “Marauder Drive.” It’s a dedication most Dunkirk High Sports Fans feel proud of. The work and effort go to Mayor Madylon Kubera and the Dunkirk Common Council.

The start of this honor was prompted by the 1988 Dunkirk Marauder Baseball Team which won the New York State Class B Championship on June 12 at Little Falls, New York. Councilman-At-Large, and teacher Greg Krauza made the honorable announcement. It was a tribute Dunkirk Sports Fans will never forget!

As our days as students at Dunkirk High come to a close, we have come to a
time when we can look back and reflect upon the years we have spent together.
These years, filled with memorable moments and events, are shared by each
member of the Class of 1989 and serve as the cornerstone on which our bond has
been built and which will remain with us when we are apart.

Our freshman year started with Kathy Colalascovo being elected our first
president. Also, the class that year, were Michelle Destro, vice-president, Jodi
Sharenko as secretary, and treasurer Michelle Zielinski. Our class advisors were also new as Mr. David Hickey and Miss Janet Henneman stepped in to guide us. As sophomores, we tuned into the dark side for
Homecoming. With the theme “Ritual Will Stir Up A Victory” our float
depicted a witch conjuring up a victory potion as she stirred her brew.
Senior queen Jodi Sharenko chose Bob Karin to be her escort for the 1986-
87 Homecoming events for which our class placed third in both float and spirit
competitions. We later conducted another fundraising candy bar sale and
concluded our second year as D.H.S. students.

September of 1987 marked the beginning of our junior year. Greg Balzer
took charge as our newly-elected president, Alison Muck served as our vice-
president, Michelle Zielinski was elected secretary, and in charge of the money
was treasurer Scott Mekus.

Mr. Hickey and Miss Henneman once again took on the duties of advising
class and helped give us strong spirit as we headed for Homecoming 1987-
88. With the theme ‘There’s Only One Way To Spell Victory: M-A-R-A-U-D-
E-R-S,” we built a float in the image of the popular T.V. game show “Wheel of
Fortune.” Our float placed second after the wind blew it apart before the half-
timed judging. Our unforgettable skill and enthusiasm captured us a well-
deserved first place in the spirit competition, with many thanks to Bridget
Kubera as “Pat Payback” and Alison Muck, who portrayed the illustrious
Yanna White. Representing our class as Homecoming royalty were queen
Carrie Fearman and her chosen escort Jenz Daalgard, a foreign exchange
student from Denmark, who was welcomed as a member of the class of 1989
that year. On a sad note, we experienced the loss of our classmates Jody
Wadowisz, Jennifer Styborski, and Paula Kaschel along with Randy Haase,
Rob Radloff and Melissa Ziegler. They will always be remembered and a part
of the class of 1989.

Our class advisors were also new as Mr. David Hickey and Miss Janet Henneman stepped in to guide us. As sophomores, we tuned into the dark side for
Homecoming. With the theme “Marauders Will Stir Up A Victory” our float
depicted a witch conjuring up a victory potion as she stirred her brew.
Senior queen Jodi Sharenko chose Bob Karin to be her escort for the 1986-
87 Homecoming events for which our class placed third in both float and spirit
competitions. We later conducted another fundraising candy bar sale and
concluded our second year as D.H.S. students.

87 Homecoming events for which our class placed third in both float and spirit
competitions. We later conducted another fundraising candy bar sale and
concluded our second year as D.H.S. students.

Senior Year of 1987 was filled with memorable moments and events. Following the Magazine Drive were the Senior Class Play “Arsenic and Old Lace” and the Winter Ball.
We soon realized that our days together at Dunkirk High were winding down
as plans for the future were occupying all of our minds. Senior Class Night was
held, our final final’s were taken, and we were honored guests at the 1989
Prom, put on by the junior class. Both excitedly and somewhat sad, we
prepared for our final event together. Graduation marked all of our hard work,
perseverance, achievements, and preparations for the future. We gathered
laughed and cried together through the four years we spent together as the
Class of 1989.
Left: Scott Jagoda, Sergeant-at-Arms; Scott Mekus, President; Tammi Chrabasz, Treasurer; Cathy Colaiacovo, Corresponding Secretary; Sue Gorka, Recording Secretary; Jennifer Foley, Vice-President. Right: Advisors; Janet Bongiovanni, Christine Heyden, Suzanne Heist, Carol Carlson. Below L to R: Cathy Colaiacovo, Sue Gorka, Scott Jagoda. Opposite Page: Scott Mekus, Jennifer Foley, Tammi Chrabasz.
Mara Goodman

Mara Goodman has spent her junior year in Germany through a program called Congress/Bundestag Youth Exchange Program Scholarship Fund. For this past year, she has lived in a small city of Rheinland called Wieslautern.

While staying in Germany, Mara traveled a lot. She has been to Austria, Luxemburg, France, Greece, East and West Berlin and many other places. She has said that she really enjoyed traveling. Most of all, she liked meeting different types of people which she had found interesting.

In school, the language barrier posed a slight problem, but Mara picked up rather quickly. Some classes she took were French, German, Chemistry, and Physics.

During her leisure time on weekends, Mara went to discos and parties for fun. She also went to youth hostels and conventions where she was introduced and met hundreds of other American Exchange Students. She learned a lot about the German and other cultures around the world.

Mara participated in basketball along with dancing classes in Weislautern. A hobby that became popular with Mara was skiing.

The time that Mara spent in Germany will leave her with many fond memories that she will have for the rest of her life.

VALEDICTORIAN

These past four years at Dunkirk High have gone by so quickly for me. I remember thinking that 1989 was so far away and that it would never get here. Although it's gone by so fast, I can positively say that Dunkirk High has been a learning experience for me. I'm not talking so much about biology and social studies, but it's helped me grow emotionally also. I've learned how to deal with different persons, how to understand relationships better, and to make friendships.

These four years have not been easy as most teenagers can attest to. I've had to overcome my fears, fight my own personal battles, and in the end take my stand for what I firmly believed was right, and for what I wanted to do in the future with my life.

And what do I see for the future? A bright one — one full of hope, peace, happiness, and a long-lasting, satisfying life that has a real purpose to it.
The class of '89 made yet another momentous mark in history for D.H.S. Mike Glasier and Rhonda Hoffman earned equal G.P.A.'s (grade point averages) for their four years in Dunkirk High School. This resulted in the two being tied for salutatorian.

Michael Glasier has been very active in the extra-curricular activities that have been offered at Dunkirk High. Some of them include: Jazz band, Biology Club, and Computer Club. He also has been a member of the Honor Society for the past two years. His only regret was not becoming involved in the sports programs.

Michael's plans after graduation are to attend college. He says that students should take challenging courses and get involved.

Rhonda Hoffman also is salutatorian. She plans on attending the State University of Geneseo to major in French.

Rhonda also was an active student in the extracurricular activities that are offered at D.H.S. They include: Girls' Basketball for the 3 years and the scorekeeper for this past year; Marauder JR; French Club; Honor Society for the past two years. She also served as Secretary for this year in the Honor Society. In addition, she attended the Summer Enrichment Program at Chautauqua.

She would like to tell future students of Dunkirk High School that "you shouldn't procrastinate choosing a college. Take the time to find out about the schools that you are interested in, because the place you choose is where you'll have to spend the next few years of your life. If you select the right one, you'll be the one who succeeds in years to come."
Fabiana Vidal

Fabiana de Paula Prata Vidal was another exchange student here at D.H.S. She is from Uberaba-Minas Gerais, Brazil, which has a population of about 350,000.

Fabiana was involved in French Club this year and plans to sign up for softball. "I don't have any idea how to play," she admits. A reason for her involvement in the sport is that she would like to be more active in our activities.

Some memories that we, the students and teachers at D.H.S. have given Fabiana are Homecoming. "I will never forget Homecoming, everybody in the school was so happy." She wishes that there were more days like that. Although she has had a great year in America, she won't ever forget all of her American friends and teachers. Fabiana is especially grateful to her teachers who have helped her in the educational process.

One thing that she likes best at D.H.S. is the Art Department. Some places Fabiana has visited — Niagara Falls, Toronto, and Hamilton about 100 times. She also went to Florida during Spring Break and after Graduation she will be traveling around the U.S.

Everyone at D.H.S. hopes that Fabiana returns to Brazil with more knowledge of America and its citizens, their slang which she wanted to pick up. Also a positive impression that she will carry with her for the rest of her life.

Michael Leyk

One of the foreign exchange students at D.H.S. this year was 18 year old Mike Leyk. He is from a town in Germany near Munich called Oberhaching with a population of about 10,000.

His interests are skiing, windsurfing, playing hockey and most of all, just having fun.

The activities that Mike has participated in at D.H.S. are football, swimming, and tennis. The things he likes most about D.H.S. are the sports program and studies.

Memories about D.H.S. he will always remember the awful lunches which he says is the thing he likes here and the good-looking girls.

Mike saw and did a lot of things during his stay in the U.S. such as going to Bills and Sabres games, skiing in Vermont, and sightseeing in Colorado, New Jersey (Atlantic City), New York City and South Carolina.
Michael Lohle

What does an exchange student from the Netherlands like most about America? "The School!" That's what Mike Lohle, one of Dunkirk High's current exchange students, has said.

Mike, who is from Brinsenbeek, The Netherlands, is in America through an organization called EF (Education Foundation of Foreign Study). He arrived in the U.S. August 18.

Brinsenbeek is a small village which has an approximate population of 10,000 people. It is located outside of a larger city by the name of Breda, which has a population of about 300,000 people and is about 70 miles from Amsterdam.

Mike's favorite subject at D.H.S. is gym and his least favorite is social studies because he wants to learn more about economics than politics.

Corinne Coutteillas

Corinne Coutteillas is from France. She enjoys music, movies, walking in Paris, and being with friends.

Corinne has been to N.Y.C., skied in Vermont. She has visited Ohio, Washington, D.C., Kansas, Illinois, and Indiana to name a few.

She plans to play softball and she likes the Arts Department at D.H.S. the best.

"To be an exchange student is great, we discover fantastic things, but it is not easy each day — 10 months is a long time."

CONGRATULATIONS
TO THE
CLASS OF '89
The Marauders opened the 1988 season with high hopes, no depth in the backfield and an inexperienced line. An injury to Jermaine Troutman in the first quarter of the first game left Eric Moreland to shoulder the load in the backfield. The defense played brilliantly keeping the team in the game for the first of two games. The addition of Tony Vega to the backfield added some spark to the offense in the third game but the defense began to falter. The fourth game began to look like the Marauders were falling apart. It was the low point in a tough season. However, the team did not give up. The team showed great improvement. Three bad plays cost them the seventh game versus league champion Salamanca.

The stage was set for the final game against Fredonia. We played poorly in the first half and were down 14 to 0. The second half was a complete turnaround. The opponents were held to just two first downs in the second half. One of those came on a penalty after a super play by Steve Mignoli. Steve broke through the opponents' punt formation, blocked the punt and recovered the ball at the opponents' 14 yard line. A clipping penalty was called against Dunkirk. The opponents eventually got the ball back with time running out.

So, the DHS team played their hardest on the last down of the season, which was a real tribute to their character.
J.V. FOOTBALL

Homecoming 1988

An atmosphere of excitement and spirit reached out and touched everyone at Dunkirk High School during "Homecoming 1988".

Spirit Week started the festivities off on a positive note. Students from various classes revealed their ideas and spirit for the week.

The senior class showed their dominating power by bringing back the summer of '88 with their beach theme "Wipe Out The Warriors." Their float, which displayed a mighty Marauder surfing towards victory, seized first place in both float and spirit competitions. The D.H.S. lobby was transformed into the "Senior Beach" with floats, towels, and buoys everywhere you looked. Seniors dressed in their "beachwear" and wore Hawaiian Leis. Their skirt, "1989 — Hot Babe Bikini Contest," proved to be #1 as three senior "babes" stunned the entire student body with their smashing performance.

The Class of '90 took second in float and spirit competitions with their "Marauder' Quest For Gold" theme. Their float and skirt sported "Marauder Olympics."

The sophomores idolized Freddy Krueger as they came up with "A Nightmare On Marauder Drive." They placed third in float competition and in their frightening skirt performance.

The Class of '92 showed the sophomores their winning spirit as the freshmen placed third in spirit competition with their theme "Rhythm Is Gonna Get You." They received fourth place in the float competition.

Senior Alison Muck was named 1988 Homecoming Queen and was escorted by Bob Kryzanowski during halftime. The Royal Court also consisted of Freshmen; Jackie Sobczak and Jason Genovese, Sophomores; Kristyn Winniewski and Scott Weaver, Juniors; Stacey Drozdziel and Lukas Forbes, and Seniors; Sue Gorka with Scott Jagoda, Michelle Zielinski with Mike Kotzeniecki.

Even though the varsity football team was all "psyched" up for the game, they were defeated by the Salamanca Warriors, 22-0. The video dance after the game made up for the loss.

That ended another D.H.S. Homecoming which will not be forgotten!
VARSITY FOOTBALL CHEERLEADERS

The Dunkirk High soccer team finished last season with an 8-8 overall record. They were 8-4 in CCIAC League competition, finishing in fourth place.

Junior goalkeeper Andy Clifton lowered his own team record for lowest overall goals against average to 2.21.

Senior forward Frank Lamattina set a new school record with 5 goals in one game.

Dunkirk placed three players on the CCIAC First Team all Star squad. Clifton was selected in goal, as well as being named CO-MVP of the league. Senior defender Matt Woelfle, who led the team in all 3 offensive categories (9 goals, 7 assists, 16 points) and Senior Midfielder Todd Pencek (7 goals, 4 assists) were also first-team selections.

Lamattina was named on the second team as a forward and Don Fadale, a sophomore defender made Honorable Mention.

The “B” team record ended at 3-4-3, including a 1-0 victory over Fredonia.
Front Row: Chris Carlson, Nathan Hayes, Stan Saeli, Kevin Wilson, Tom Colletti, Jason Jones, Mike Civiletto, Lisa Carlson, Tim Morrison, Todd Pencek, Rob Szczeczkacki, Don Fadale, Roger Cooley, Andy Davidson. Second Row: Mike Murphy, Nat Domst, Jake Porpiglia, Aaron Ricotta, Jon Coyle, David O’Rourke, Matt Woeifle, Warren Peck, Andy Clifton, Mike Williamson, Dave Hurtgen, Chris Lang, E. J. Hayes, Frank Lamattina, Mike Bartkowski, Dave Husch — Coach. Missing: Ed Schrantz, Sieve Kubera, Jon Torres.
CROSS COUNTRY
The 1988 Varsity Volleyball season ended with a 1-13 record. Although the record does not show a successful season, there was a great improvement in the team's ability to play. We will be losing only one senior to graduation this year. The team also had two starting sophomores and three starting juniors. With these players coming back next year we expect our future will be more successful. Tara Taddio won all tournament in the Ripley tip-off tournament.
GIRLS' SWIMMING

The Girl's Swim season saw some bright new hope in some new and young swimmers and also in the best performance of some of the new varsity members.

Sophomore Tricia Rozen continue[d] to be the team's finest breaststroke and swim to her personal best in a meet at Salamanca. Junior Jackie Guziec had the fastest backstroke times and gained points in the 50 free as well.

The brightest new star this season was Bridget Henderson a sophomore who swam the fastest times in the 50 and 100 yard freestyle races. Her classmates, Cindy Wisniewski, Bev Pacos, and Jennifer Pearce added good depth in those events.

Junior, Jennifer Kublaik, our diving standout, was third in the county meet this year, but placed a respectable 6th place at the Sectional championships at the University of Buffalo. Janell Price placed a 4th at counties in diving also.

Newcomer and 7th grader, Kelly Cimmino became a good backstroker and IM'er in one season and 6th grader, Cindy Bolling proved her potential might in the distance events.

At the November 3 County Championships, Seniors Caryn Henderson and Tracy Brace swam their final races for DHS helping our team place 4th in the Division 1 competition.

GIRLS' TENNIS

The 1988 season saw three very important firsts for the girls tennis program. Coach Greg Krauza's second year saw the first winning season, with a 6-4 record, in the history of DHS girls tennis. Julie Pearce became the first girl to represent Dunkirk in the section VI playoffs by qualifying at the Chautauqua County Tournament and it was the first time the girls were victorious over rival Fredonia, defeating them twice.

Leading the way were singles players Pearce, Kim Glowski and Deanne Mikula. Mikula had the best individual record at 7-2-1. Pearce again played first singles after winning MVP honors for the 1987 squad. She ended the season on a streak, winning her last two matches and then moving through the County tournament, reaching the semi-finals and qualifying for section VI tournament play.

The first doubles team of Laurie Saeh and Julie Jagoda posted a 6-4 record including the important swing points in the Fredonia match. Others contributing at doubles and earning a letter were Maureen Sheedy, Karen O'Brocta, Molly Zebraski, Renae Titus, Amanda Burlett, Tara Mackowiak, and Michelle Renckens.

The 1988-89 DHS Varsity Basketball team completed a 10-11 season with a two point loss at Depew High School in the quarter finals of sectional play.

After compiling wins over Fredonia, Kenmore West and Jamestown early in the season, high hopes were ringing off the walls.

Unfortunately, the season turned into a rather large disappointment as the Marauders dropped eight of their final ten games.

The proud Dunkirk High School Basketball Team was coming off three straight championship seasons in the C.C.I.H.C. Playing their final games for the Maroon and White were Seniors Todd Alessi, Doug Lockett, Greg Balzer, and Brad O’Brocta.

Coach Wisniewski completed 15 yrs. as head coach at DHS with the loss at Depew.
GIRLS’ VARSITY BASKETBALL

Intensity, speed and teamwork were the keys to the success of the Lady Marauders this season. Roundball fans were treated to some high scoring games and some fantastic play making as the Ladies finished the regular season with an overall record of 11 wins and 7 losses. They also qualified for the Class B1 Section Play-offs.

Only two seniors dotted the Marauder lineup as Michelle Zielinski’s defense and rebounding keyed victories while Laurie Szeli’s relief play sparked the defense. Junior Karen Grace led the team in scoring and her back court mate, Tara Taddio used her foot speed to generate point production. Other juniors, Renee Taylor and Julie Pearce improved greatly throughout the season and will surely have an effect on the ’89-’90 season.

A trio of sophomores gave an indication of the good times to come as they matured rapidly during the season. The consistent hustle of Cindy Witniewski and the speed of Bridget Henderson and the rebounding of Sharon Holmes were exemplary.

Two freshmen, Kim Erick and Ina Tell were transported to the Varsity midway through the season. Their competitiveness in practice aided the end of the season success.

Returning for the ’89-’90 season will be nine experienced players and combined with some Junior Varsity talent the nineties look bright for Lady Marauder basketball.
The Dunkirk High School
Valley Boys' Basketball Team
afforded the league title with
professional and semi-professional
writers not second. During the
season, the team finished with a

GIRLS’ J.V. BASKETBALL

Varsity Basketball Cheerleaders

Led by senior co-captains and veteran swimmers, Scott Mekus and Matt Hanlon, the Boys Swim Team swam their best season ever in the history of the sport at Dunkirk High as they finished with a league record of 7-1 and an overall record of 12-5.

A record number of seniors, nine in all, coupled with two foreign exchange students, Michael Lohle of Holland and Michael Leyk of West Germany, contributed to the depth of the squad.

But it was the strength of the younger boys on the team which made winning meets the accepted norm. Early in the season, Coach John Ruska felt this might be the year to capture unprecedented victories. With sophomore sprinter E. J. Hayes and brother, Nathan, ninth grader and versatile swimmer Bryn Bennett, eighth grader Chris O’Rourke, and a host of breaststroke specialists, he and his wife Debra knew that Dunkirk’s team would be “the ones to watch.”

Beginning with work last year to develop depth and good performances in every event, Dunkirk soon filled the lanes with impressive swimmers. Junior newcomer Andy Clifton soon was swimming a fast butterfly race along with Bryn, a previously weak stroke for this team.

Junior Mike Williamson developed into one of the best 200-yard individual Medley swimmers in the county. Senior Eric Kubera did likewise in the breaststroke with David O’Rourke and Jon Coyle swimming their best times also in that event.

Scott Mekus, Chris O’Rourke, and Geronimo Roum swam the freestyle distance events while D. J. Wilson volunteered to do mostly anything. Hanlon, Clifton, and Saul Rugant improved their 50- and 100-yard freestyle races throughout the season.

After two much-publicized and first-ever wins over the perennial champion Fredonia High, the team, coaches, and fans knew that the County Championship would be the final long-awaited goal. On February 25 after DHS divers Jason Krzyzanowicz, Saul Rugant, and Jose Rodriguez had placed first, third, and fourth respectively in that competition, the Dunkirk team came in as the Coach winner. They felt this that with a total score of 368 points with Olean second with 249 points and Fredonia third with a 217 score to make them Division I Champs.

Senior Kevin LoGuidice led his dance troupe out one last time for their rendition of “Stayin’ Alive” to the delight again of a large audience at the DHS pool, known to the swimmers as “The House of Ice.”

Many team members feel that next year looks promising again for our squad, but the excitement generated this 1988-89 season will be tough to match.
WRESTLING

This year's wrestling team was a mixture of under and upper classmen, youth, and experience. Individual squad members included, by weight class, 98 lbs. (8th grader) Sal Flores, 103 lbs. (Junior) Nelson Irizarry, 119 lbs. (Junior) Mike Figueroa, 126 lbs. (Senior) co-captain Dave Popielarz, at 152 lbs. (Junior) Osvaldo Vasquez, at 138 lbs. (Senior) Ken Mekus and (Sophomore) Victor Irizarry, at 145 lbs. (Senior) co-captain Jeff Barthelmes, at 155 lbs. (Sophomore) Jaime Aitcheson, at 167 lbs. (Sophomore) Mike Kozlowski, at 177 lbs. (Senior) Jeff Tramuto, at unlimited (Junior) John Rose. Other wrestlers who competed this year were Seniors Domingo Torres and John Malinowski, Juniors Carl Grisanti, Angel Velez, and Freshman Eddie Roman. This year's squad worked very hard and showed much improvement in all skill areas. Highlights for the team were a 4th-place finish at the Fredonia Tournament, a 5th-place finish at the Division II Tournament, and wrestling very competitively with Maple Grove, Frewsburg, and Pine Valley.

First Row: Jeff Barthelmes, Ken Mekus, Gerald Vazquez, Salvador Flores, David Popielarz. Second Row: Mike Kozlowski, John Rose, Jamie Aitcheson, Carl Grisanti, Jeff Tramuto, Coach Golando.
BOWLING

The DHS bowling team this year finished 26-26 in league play after a championship season last year. Mike Woloszyn, a sophomore, led the team with a 277 game and a 173.9 average while Jon Westman had a 172.2 average; Ben Trezinski ended with a 167.8, Scott Weaver a 165.3, Brian Sadon a 157.4 average, Bill Rivera a 150. average, and Chris Gloff ended with a 149.6. The team average was 832.

Mr. Stuhlmiller was tremendously proud of this young team!

It all came down to the bottom of the 7th at Little Falls. A trip to the mound to reassure someone who needed no reassurance. "Bullet" Bob Krzyzanowicz bore down and six strikes later we had made history as the first team from Chautauqua County ever to win a State Championship. Parents and friends could now breathe again as the deafening roar of their silent prayers had been answered. They had done it for Dunkirk and also for themselves. The memory of this season will truly never end. For the Marauders, the story continues.

The team as a whole played their best under pressure. The pitching was impressive throughout the year and particularly in the playoffs with David Orth and Bob Krzyzanowicz combining for 22 wins. Someone always picked up the slack whenever another teammate's streak ended. Krzyzanowicz rapped 14 consecutive hits early in the season and as he tapered off Orth came on strong. As Orth faded John Elias took up the challenge hammering 4 home runs and delivering the critical blow in the State Qualifier. Bob Karin not only provided spectacular snags at third base, but along with Tim Reed and Joe Wisniewski executed timely RBI's highlighted by Joe's homerun against Orchard Park who went on to become the Class A champs. That homer put the Marauders into the finals of the Fredonia Tournament which they went on to win. At mid-season designated hitter Kevin Mikula got hot but at playoff time he was replaced by the torrid bat of Jermaine Troutman. "Super scoops" Frank LaMattina provided errorless ball, a shortstop, keeping Dunkirk strong up the middle. Former All-Star shortstop Todd Alessi now roaming centerfield struggled early in the season and then came on like gang busters smacking a homerun in the Sectional Finals and leading the Marauder offense with two hits and scoring the game winning run in the State Finals. Appropriately, it was Senior Kevin Jasinski steady throughout the year who delivered the game winning stroke in the State Finals.

Several record-breaking performances and awards by the team and individuals complimented our Champions. The team smashed the most victories in a single season at 25 and all nine starters hit above .320. David Orth recorded most wins with 11 including 5 in the Sectional Playoffs. He also owns the strikeout record with 143 and threw 3 no-hitters (two in the playoffs). This two-time M.V.P. was Super Seven Athlete #1, repeat CCIAC 1st Team All-Star, and 1st Team All Western New York. Bob Krzyzanowicz, also had 11 wins, struck out 19 batters in a single game, and stroked an incredible 14 consecutive base hits. This Co-M.V.P. was Super Seven Athlete #2, a repeat CCIAC 1st Team All-Star, and 2nd Team All Western New York. Jermaine Troutman won the M.V.P. award in the State Semi-Finals. John Elias and Todd Alessi were Honorable Mention All Western New York selections with Todd being a repeat 1st Team CCIAC All-Star and selected M.V.P. in the State Finals.

David Orth has gone in to pitch for the Barry University Varsity squad at Miami, Florida. Todd Alessi and Bob Krzyzanowicz have been selected to compete for a berth on the U.S.A. team which will play in Japan in the summer of '89. Ten Varsity players return for the 1989 season which looks very promising for the Marauders.
The Varsity Softball team enjoyed a successful season during the spring of '88. The two big highlights were two league victories over arch-rival Fredonia, 7 to 6 on April 27, and 10 to 6 in 10 innings on May 13.

Other major accomplishments include a second place finish in the second annual Dunkirk — Fredonia sports boosters invitation tournament which was held May 20 and 21. Some of the finest high school Girls softball teams participated, including class A State Champs North Tonawanda, Class B and C Section VI champs Eden and Wilson, respectively, Starpoint, Fredonia (tourney champ) and Dunkirk.

The Lady Marauders advanced to the semi-finals of the class B-1 playoffs, losing to eventual B-1 champion Iroquois, ending a very rewarding campaign for DHS, and 1st year Coach Lynn Dorler. Season record 15-7, and 9-3 in league, good for 2nd place.

Post season honors were received by Gretchen VanDenVouver team MVP, and Karen Wdowiasz, booster award winner. Division I league honors went to First Team: Gretchen VanDenVouver, Chris Gloff, Tara Taddio, and Cindy Wisniewski. Second Team: Karen Wdowiasz, Karen Gregoreski, Kelly Polaski, and Kathy Trippi. Honorable Mention went to Karen Grace.
J.V. SOFTBALL

The 1988 J.V. Softball season was extremely successful, with Dunkirk ending up in first place. The team was strong defensively. Janay Lemanski was at short stop connecting to Chris Kaus at first base for most of the outs. Our leading strike-out pitcher was Jodi Corsi.

The team finished the year with a tournament in Eden. After losing the first game to Eden, Dunkirk came back to beat Fredonia for the second time in the season.

J.V. BASEBALL

GIRLS' TRACK

Under the coaching of Miss Kim Weibel the Girls' Track Team, consisted of 20 girls, 8 of them receiving letters for the season. They had 7 meets and also attended the Southwestern Invitational and the Maple Grove Junior High meet.

Our season record doesn't show a winning season; however the regular improvement recorded weekly at dual meets shows a winning effort and a basis for building. Much of the team consists of younger girls (7-10 grades) and show potential for development — reports Coach Kim Weibel.

Maureen Sheedy received the MVP award, Darlene Davis received the Most Improved Award and Heather Tramuta received the Booster Award for the girls Track Team.

The season was finished with a record of 1-7.
GOLF

The 1988 Marauder golf team consisted of many inexperienced golfers. As a result, the team’s record was 12-24. Major point-getters were Kevin Kaszuba, Chris Logan, Eric Kubera, and Andy Woloszyn.

At season’s end, Kevin qualified for sectional play in Buffalo. Unfortunately, he wasn’t able to advance to the state tournament.

Scott Erick, Kevin Kaszuba, Pete Begier, Mike Dillenkofer, Chris Logan, Mike Williamson, Eric Kubera, Jason Arcoraci, Shawn Logan, Mike Woloszyn. Missing: Coach — Olkowski.
BOYS' TENNIS

Front Row: Tom Boorady, Rick Migliore, Shawn Goodman, Mike Ensalaco.
A competitive, but hard luck, season saw the boys volleyball team lose five matches in the third game. Lack of experience hurt the 1 and 6 netters as only two players returned from the year before.

Leading Coaches Greg Krauza and Dave Hickey's charges were senior co-captains Jose Rivera and Sean Donohue. Other seniors contributing were Craig Sutton and Efrain Lugo.

The Marauders came on at the end of the season reaching the semifinals of the Chautaqua County tournament. This valuable experience was gained by sophomore starters Tim Majka, Willie Holmes, and Wilson Vazquez. Juniors returning will be Matt Hanlon, Jimmy Pagan, John Sobczak, and Jeff Barthelmes.

These players along with a spirited group of junior varsity performers make the future of the boys volleyball bright for D.H.S.

Ideas and decisions were being made for the 1989 IVY TOWER as far back as the spring of 1988. The Theme “Destination Unknown” was finally selected by the Class of ’89, after several good themes were discussed. The IVY TOWER staff came up with many ideas to help unify this theme throughout the yearbook — layout, art and copy.

A new type of cover was decided upon after many arguments about what the yearbook should look like. Several staff members wanted a traditional style of cover using the D.H.S. colors of maroon and white while other members wanted a modern and fresh look to the book. As you can see a new look was chosen! A lithograph cover which sported a modern graphic design adorns the cover of the 1989 IVY TOWER. This idea was followed throughout the book, especially on the division pages.

The IVY TOWER Staff and Advisers spent many long hours to produce the finished product you see in front of you today!
ADVISERS — David Budniowski, Terry Quijada, Doug Schifano.
PHOTOGRAPHY CLUB

Photography Club Members learn how to operate modern state-of-the-art 35mm camera equipment. They are responsible for taking the majority of the pictures seen in the yearbook. Two senior members Michele Zielinski and Jim Jaffray help in the darkroom by printing the pictures taken by the other club members.

Mr. Gary
Adviser
The D.H.S. Student Council is an active group of students that elect their officers using an official voting machine thereby giving students experience voting, experience valuable for local, state, and national elections. Student Council officers make the morning and afternoon P.A. announcements that keep students and faculty informed. Another major project that the Student Council is in charge of is Homecoming. Planning and carrying out this major all school event takes many hours and much cooperation. Coordinating school activities such as some assembly programs, dances, candy sales, and bake sales all fall under the realm of the Student Council.
The Citizen staff published six great issues during the 1988-89 school year under adviser Richard Valvo. Jackie Drummond provided the leadership as editor-in-chief during the first half of the year of Dunkirk High School’s official newspaper which is concluding its 57th year of publication. Twelve students completed Mr. Valvo’s one-semester journalism class where they learned the varied aspects of the newspaper field as well as qualified for the editorial staff.

In October the D.H.S. newspaper received a second place award in the Empire State School Press Association evaluation, and Editor Drummond took third place in the “best editorial” competition at the 51st E.S.S.P.A. convention at Syracuse University.

In May all of the students involved in the newspaper also attended the Western New York School Press Association conference and competition at the State University of New York College at Fredonia.
For the fifth year in a row and the seventh time since 1980, "High School Highlights" was named the best electronic presentation in New York State at the Empire State School Press Association convention at Syracuse University in October.

"High School Highlights" features the news and sports reports from seven Northern Chautauqua County high schools, timely interviews, and some of today's popular music. The program airs 12:10-1:00 p.m. Sunday afternoons on Dunkirk Radio Station WDOE-1410 during the school year.

D.H.S. senior Jackie Drummond was program manager and host of the student broadcast that also had student reporters from Fredonia, Brocton, Silver Creek, Forestville, Westfield, and Pine Valley in addition to Dunkirk.

In the spring, all of the student broadcasters and their adviser Richard Valvo traveled to Buffalo to tour a variety of radio and television studios to gain first-hand knowledge of the broadcast profession.
Guten Tag! The German Club, under the advisorship of Herr Horlak, met bi-weekly. During the meetings we discussed club business and planned money making projects. In addition to this we had a student speak at each meeting on some facet of German Culture. Our committees included the Rice Krispy Bake Sale committee and the club sweatshirt committee who picked out the style of attire to be worn on the day of the meetings. We closed the meetings with refreshments being served by the bi-weekly refreshment committee.
There is a little bit of France right here at DHS. The French Club enkindles in its members the experience of those elements of French culture not included in the classroom routine. Sing-along skits and other culturally rich activities are all part of the club's agenda. The French Club sponsors many fundraising activities for a grand year-end soiree.
SPANISH CLUB

The Spanish Club has been one of the premiere organizations in the Dunkirk High School under the advisement of Spanish teacher Judy Morris. During the past three school years, the club has been involved in several fundraisers such as candy bar sales and bake sales. Mexico was the sight of the Spanish club trip in 1988. The students really learned a lot while having fun. This year was interesting with an exchange Christmas caroling program with Falconer and the annual trip to the Mexican restaurant "Chi-Chi's". Although enrollment of new members has been low, the Spanish Club should attract more members in the future. Adios!

First Row: Stacey Tampio, Secretary. Second Row: Jason Thomas, President; Diane Lynch, Vice-President; Stephanie Perez, Treasurer; Ms. Morris, Adviser.

Juventud 89 is a service organization at Dunkirk High School for students interested in maintaining a spirit of cooperation among members of our community. This club encourages the advancement of both Spanish and other background students in any and all of their endeavors during their high school years. The continuation of the organization has been a major concern of students this year and years past. Efrain Lugo, Miriam Lugo and Ann Cordero were interim officers in 88. Originally the club was called O.J.O. (Organization Juvenil Pro-opor¡ tud). This club has distributed food baskets to needy families and held dances. Also the members of the club are capable students, setting the example for other students. A number of people can be mentioned for donating their energies to this organization — Mr. John Mancuso and Mrs. Susanne Heist. This year Juventud 89 has held fundraisers such as bake sales, taken a field trip to a Mexican Cultural exhibit and organized a canned food drive.
The Dunkirk High School Band program consists of the Concert Band, Marching Band, Jazz Band, and several smaller ensembles. The Marching Marauder Band had its first half-time show on the very first Friday of the year. The Marching Marauder Band played for all home football games, Homecoming Parade, and the National School Board parade in Buffalo.

The DHS Concert Band is now planning a trip to either Toronto or Washington D.C. in the spring. The Concert Band is now fund-raising for our trip. The Band will have had several bake sales, fruit sales, and some candy sales to help raise the money needed. The Concert Band will be playing several concerts and community functions throughout this year.

The award-winning Jazz Band is also planning an extensive concert season. The Jazz Band consists of 27 members, who enjoy playing all forms of Jazz. The Jazz Band plays for numerous school and community activities.

The last talented and very dedicated group is the pep-band, who plays for all Away football games and pep assemblies. The DHS Band Program is dedicated to helping the High School and Community and providing the best in Band Music.

The Mixed Choirs rehearse regularly during the school day; many members work on solos, ensembles, and special events after school. This last fall seven freshmen and twelve upperclassmen were selected for the Junior High and Senior High Area All-State Choirs. Area All-State groups, sponsored by the New York State Music Association, are made up of highly qualified musicians throughout the state.

The Choirs participated in many school concerts during the year, including the Annual Holiday Concert of the prestigious Fredonia Chamber Players. Both organizations had Festival Competition in the Spring for ratings. Many soloists also competed in NYSSMA Solo Festival.

The Chautauqua County Music Teachers' Association Festival at the end of the school year in June includes more students in the Junior and Senior High Choirs.

In the last few years, Dunkirk has been honored by the inclusion of at least one choir member in the Apprentice Program of the Chautauqua Chamber Singers, a professional vocal group.

Both choirs support their activities with several fund-raising events during the year. They also endow their semi-annual Choir Tour. The 1988 Tour was an exchange with Scotia-Greeneville Central School and a Tour of the Capitol in Albany.

Computer Club is an organization set up to advance the knowledge of computers for those who are involved. Members worked together to raise money to support their plans. The fundraisers were used for special club gatherings, a field trip, and for the expense of the second dialing line added to the Vax System.

New events happening for the club are plans for a "studio" set-up. This set-up will enable a photo to be taken and then have it "digitalized" by the use of the Amiga computer. The club also has news groups thanks to the added dialing line. These allow news from around the world in various categories to reach us, and we can send our own news in return. Computers are right for today and ready for tomorrow.
BIOLOGY CLUB

The Dunkirk High School Biology Club is an organization composed of students taking Biology and Anatomy. The purpose of the club is to further the interest of students in Biology. There is a garden committee that works the garden projects in our garden, an aquarium committee that keeps our aquarium, and a bulletin board committee that makes good factual displays.

Each member must do a project for the club in an area in Biology in which they are interested in. Students are doing a cigarette smoking survey and other surveys using computers to calculate and compare material.

Fundraisers such as jewelry sales, bake sales, and candy sales go toward paying the Biology field trip at the end of the year. The biggest problem was finding a meeting time suitable for everyone. Attendance is imperative, and participation is imperative. Getting the students interested instead of joining to go on the trip was very difficult. Movies are used to get students motivated and support their different project presentations. Credit is given in the Biology class for presentations of projects done for Biology Club.
MARAUDER 3R

What do you prefer, a thorn, a petal, or a rose? If you are a member of Marauder 3R, let’s hope you choose the latter. The Marauder 3R was first organized by Principal John J. Mancuso and enjoyed their 10th anniversary during the 1988–89 school year.

The Marauder 3R members are dedicated to achieving the fine qualities which will ensure their future. The young ladies gain much in aspiring to reach the goals of exemplary achievement, morality and appearance, the self-awareness truly integral to their becoming women in the finest sense, and ultimately, mothers themselves. Their sincere commitment in attaining these accomplishments benefits all: themselves, their parents, and Dunkirk Senior High School.

The Marauder 3R enjoyed many activities during the year, including a program presented by Mrs. Mary Szczerbacki, her staff from the Carousel and in the spring, held the annual “I Love Mother” banquet in honor of the members’ mothers.
Upsilon Delta Gamma has always been famous for its well-dressed members. This year was no exception. Most of its members go out of their way to look good everyday by either wearing a tie or a sweater. The blue and white colors of the club are easily identified by other students and faculty at D.H.S. The club is headed by Mr. Gelben and his officers shown on the accompanying picture.

First Row: Todd Genovese, Vice-President; Andy Clifton, President; Mike Bartkowski, Sergeant-at-Arms. Second Row: Paul Ricotta, Secretary; Mr. Gelben, Advisor; Bob Ryczko, Treasurer.

First Row: Matt Woelfle, Mike Bartkowski, Bob Ryczko, Andy Clifton, Todd Genovese, Paul Ricotta, Rick Migliore. Second Row: Brian Rivera, Tony Vega, Mike Korzenski, Matt Hanlon, Aaron Clarke, Mike Civiletto, Scott Mekus.
FBLA (Future Business Leaders of America) is a group whose goals are to promote business, to promote patriotism, and emphasize the importance of honesty, individual initiative, and to assist in setting goals for the future. Civic activities such as nursing home visits and making gifts for Christmas give us the rewarding experience of sharing with others.

FBLA is a lot of hard work, but some activities are also made to be fun—banner parties, bake sales, and competitions at the Spring District and the Annual Convention, which is in Niagara Falls. Students compete at the state convention in all business subjects. At the state convention, not only do students compete, but there are social events (dances, pool parties) and leadership speakers our own age! The state convention is a new, rewarding, and exciting experience. Not only do we get a chance to compete and show our skills, but we meet a lot of new people from all over the state.

If a student wins at the state convention, they compete at the national convention in July. This year, it was held in Orlando, Florida. The national convention is somewhat like the state convention, but it is for the winners in the state competition.

While promoting business, many memories were made.
The theatrical season for the D.H.S. Drama Club opened on a bizarre note with the fall production of the classic comedy *Arsenic and Old Lace* in mid-November. Kristina Crocoll and Jennifer Hallquist portrayed the eccentric Brester sisters whose favorite pasttime was poisoning homeless elderly gentlemen.

Also featured in the zany thriller were David O’Rourke, Susan Davis, D. J. Wilson, John Barthelmes, Kevin Wilson, Matt Hanlon, Brian Perdue, and Kevin Sobilo. Mr. Bernet and Mrs. Goulding were assisted by Michelle Hall, Gwen Pochylski, Karen Kubera, and Joanie Burns.

The all-school musical scheduled for early March was *Damn Yankees*. The musical comedy concerns a die-hard Washington Senators baseball fan who sells his soul to the devil so he can lead his favorite club to the pennant over those N.Y. Yankees. Besides Mr. Bernet, Mrs. Goulding and Mr. Goulding, the cast and crew will be assisted by Mr. Lewis and Mrs. Matteson who will handle the music, direction and accompaniment.

Drama Club has had several fund raisers so they can travel to the Alfred Drama Festival in May where they have successfully competed with schools from all over New York State and Pennsylvania.
The Boys D Club of Dunkirk High is a club composed of letter winners at Dunkirk High. A boy must go through initiation rites and then recite the oath of the Boys D Club to become a member.

The present officers are Mark Maslakowski — President; Terry Gibbons — Vice-President; Ryan Freling — Secretary; and Todd Kahm — Treasurer. The boys run the D Club Stand at football and basketball games to earn money for various activities.

Their first activity was going to the Buffalo Bills-Los Angeles Raiders football game on December 11. Among the many other activities organized, they also went tobogganing, and attended a Buffalo Sabres game.
